Dear Penny,

In preparing State Representative Shirley **McKague's** 30 day Post General **Report for** 2000, I noticed a mistake on her 7 day Pre-Primary Report for 2000.

Please note on Page 1 of Schedule A that I mistakenly reported that Paul **McKague** (Shirley's husband) loaned the committee \$5,000.00 on 4/18/00. The loan was actually made by Shirley. This letter serves as an amendment to that report. Please make the **necessary** adjustment.

Thank **you** so much for your attention to this matter.

Sincerely,

Rhonda L. Tilden
Treasurer
