SECRETARY OF STATE
STATE OF IDAHO

Brief Biography of Vito Barbieri:

Currently serving his third term in the Idaho State House of Representatives, if successful in the upcoming Primary election, he will stand in the general election in November 2016. Rep. Barbieri is presently the Chairman of the Business Committee.

As an active pro-life advocate he has served since 2007 on that governing board at Open Arms Pregnancy Care Center and Real Choices Clinic in Coeur d'Alene.

Representative Barbieri completed his undergraduate work and Law School degree at Western State University in Southern California in 1983. He practiced Bankruptcy Law, among other areas of practice, until 2004 when he sold his practice and moved to Dalton Gardens, Idaho. Representative Barbieri, together with Joy, his wife of 25 years, have home schooled their three children throughout their school years.

Rep. Barbieri's statement:

"My top priorities in representing Idaho's District 2 remain the following: protecting the lives of the pre-born; protecting the second Amendment rights of all Idahoans; protecting our Religious Liberties.

Upholding Idaho's traditional values includes less government intrusion into our personal lives which goes hand in hand with lowering taxes and stopping more agency regulations.

The state must gain management control if not outright ownership of federal lands within our border. The state must stop any the importation of people and cultures hostile to our Christian societal norms.

If re-elected, I will continue to work hard to make these endeavors bear fruit."
