IHA Sponsored Legislation

Bill #	Overview & Supporting Documents	Status
<u>S1048</u>	<u>Idaho Hospital Contribution Act</u> (aka Private Hospital UPL Legislation) -- the bill is being sponsored by Sen. Denton Darrington (R-Declo). The legislation is still awaiting a hearing in the House Health & Welfare Committee. Currently, that committee is prioritizing House bills and RS's and will potentially get to Senate legislation next week. For more information, please review the <u>information sheet</u> .	Passed Senate 35-0; awaiting placement on H/W agenda in House -- tentatively slated for 3/8.
<u>S1047</u>	<u>Trauma Registry</u> -- this bill would repeal the Jan. 1, 2008 sunset clause for the Idaho Trauma Registry. Passed Senate 35-0; awaiting placement on H/W agenda in House

Priority Healthcare Legislation

Bill #	Position, Rationale, & Update	Status
<u>S1045</u>	<u>Civil Actions</u> (OPPOSE) - This legislation would amend existing law relating to attorney's fees in civil actions resulting in only the plaintiff being allowed to recoup attorney's fees, not the prevailing party. As part of the Idaho Liability Reform Coalition (ILRC), IHA is working with other members of the coalition to defeat this bill.	Jud. Committee
<u>H0155</u>	<u>Nursing</u> (SUPPORT) - Establishes the Nurses Workforce Advisory Council, its membership, duties, and funding.	to General Orders
<u>H0160</u>	<u>Doctoral Nursing Program</u> (SUPPORT) - While this legislation amends Idaho Code to add Doctoral Level nursing programs to the professional studies program, it does not dedicate specific funding.	H/W Committee
<u>SCR110</u>	<u>Psychiatric Residency Program</u> - Supports the funding and continued development of an Idaho Psychiatric Residency Program. Due to financial support from the VA Medical Center, St. Luke's, and Saint Alphonsus, the state is only asked to fund 10% of costs.	Senate: Passed House: 3rd reading

<u>H0138</u>	<u>Emergency Services Reimbursement</u> -- In emergency and post-stabilization situations, when a patient receives services from non-contracting providers, this bill would require that the healthcare provider only collect from the health insurance carrier the amount that would have been paid to the contracted provider and from the patient any co-pay, deductible, or charges for non-covered services. This bill is not intended to impact hospitals.	H/W Committee has the bill in hand. A sub-committee and bill stakeholders (including IHA) continue to meet to negotiate revisions.

S1107	<u>Insurance</u> -- This is a technical correction to SB1423 from 2006 which defined the term "health benefit plan" to refer to hospital and medical insurance, and specifically excludes long term care and disability income insurance policies. SB 1423 used the term "disability insurance," which under Idaho law may be read broadly to include not only insurance for hospital and medical expenses, but also individually purchased financial products such as long term care and income protection insurance.	Senate: Passed House: Bus
