

STATE OF IDAHO
OFFICE OF THE SECRETARY OF STATE
LAWRENCE DENNEY

Three ways to quickly locate your notary commission number:

1. **You can use the [Notary Public Online Search](#) to find your commission number.** Simply enter your name as it appears on your notary certificate. This search will also indicate whether your commission is still active and the expiration date of your commission.
2. **You can find your commission number on your notary certificate.** If you were originally commissioned prior to July 2017, your notary certificate will indicate a *filing* number rather than a *commission* number. Your filing number is your notary commission number.
3. **You can contact us.** Please email us at naa@sos.idaho.gov or call (208) 332-2811.
