**PRESS RELEASE**

Secretary of State, Ben Ysursa, and Governor, C.L. "Butch" Otter announced today the meeting of the Presidential Electors. The Electors will be meeting at noon Monday, December 17, in the Governor's Ceremonial Office. They will be casting their ballots for Idaho's 4 Electoral Votes for United States President.

By federal law, electors representing the political party of the candidate who wins the popular vote for president in each state officially elect the president and vice-president by casting their votes at this historical event.

Idaho's presidential electors are Travis Hawkes, Teresa Luna, Jason Risch, and Damond Watkins.
