DENNEY OFFERS GUEST OPINION TO EDITORS, ASSOCIATED PRESS

(BOISE) - **Idaho Secretary of State Lawrence Denney** is submitting to the press a 500 word guest opinion regarding the coverage and details surrounding the President's Advisory Committee on Election Integrity letter that he received on July 3rd. The guest opinion also addresses the string of events that followed over the last 2 weeks.

"I am requesting that these editors please consider publishing my guest opinion as a service and communication to the concerned voters and citizens of Idaho, many of whom are contacting our office with less than the full details on this issue," says Denney. "I thank them in advance for their consideration."

In an effort to clearly communicate to and relieve the concerns of Idaho citizens, the Secretary has additionally published the opinion letter, an Open Letter to Idaho Citizens, on the Secretary of State website, where readers will also find a comprehensive timeline and additional details.
