Data & Images

The UCC/Liens data and image cd's are generated and mailed every other Monday. The cost is \$125.00 per cd. If you have chosen to receive both data and images, you will be charged \$125.00 for the data cd plus \$125.00 for the images cd, a total of \$250.00 per delivery. Each delivery will be accompanied by an invoice.

The data files are comprised of tab-delimited data extracted from the IDSOS UCC/Liens database and relate to ALL LIENS OF ALL STATUSES. Each cd delivered is a full replacement of the data. The data files contain Lien, Debtor, Secured Party, Amendment and Amendment-Action information. Collateral information is not included.
