Larry E. Craig

Senator Craig was born on the family ranch near Midvale, Idaho, which was homesteaded in 1899 by his grandfather. He later served as the Idaho State President and National Vice-President of the Future Farmers of America. After graduating from the University of Idaho where he served as Student Body President and was a member of the Delta Chi fraternity, he pursued graduate studies before returning to the family ranching business in 1971. In 1974, the people of Payette and Washington counties sent him to the Idaho State Senate, where he served three terms before winning the 1980 race for Idaho's 1st District Congressional Seat. He was re-elected four times before winning the U.S. Senate election in 1990 and was re-elected to the Senate in 1996 and 2002. He served as chairman of the Steering Committee, a legislative "think tank" and action group for Senate conservatives. He was the youngest senator ever elected to that position. Senator Craig quickly rose to the fourth highest Senate leadership position in his first term, when his colleagues elected him Chairman of the Republican Policy Committee. He was re-elected to that position in the 106th and 107th Congresses. The Committee is responsible for developing policy positions for Senate Republicans. Senator Craig has emerged as a leader in the battle for the Balanced Budget Amendment to the Constitution, limited taxation, private property rights, and greater accountability in government. He has been recognized by national groups including Citizens for a Sound Economy, Citizens Against Government Waste, Watchdogs of the Treasury, and the National Taxpayers Union Foundation. He is currently the Chairman of the Committee on Veterans' Affairs and a member of the Committee on Energy and Natural Resources, where he is the Chairman of the Subcommittee on Public Lands and Forests, and a member of the Subcommittee on Energy and the Subcommittee on Water and Power. With his appointment to the Senate Appropriations Committee, Senator Craig oversees funding on the following subcommittees: Agriculture, Rural Development, and Related Agencies; Energy and Water Development; Homeland Security; Labor, HHS, and Education; Military Construction and Veterans Affairs; and Interior and Related Agencies. He is also a member of the Special Committee on Aging, which he chaired during the 107th and 108th Congresses.
