Auditorium District Elections Frequently Asked Questions

When are auditorium district elections held?

Elections of directors of auditorium districts are held in May of the first odd-number year after organization of the district, and every second year thereafter (i.e. biennially). Bond, levy and other ballot question elections may be held on the third Tuesday in May or the Tuesday following the first Monday in November of any year. (34-106, 67-4911, Idaho Code)

How many directors are elected in an auditorium district and what are their terms of office?

There are five (5) directors who are members of the board of an auditorium district. Each director's term of office is for six (6) years. The terms of office are staggered.

At the initial formation election, voters in the district vote for or against the organization of the district and for five (5) qualified electors who will constitute the board of directors of the district, if organized. One (1) director to act until the first biennial election, two (2) until the second and two (2) until the third.

At the first biennial election after formation there is elected one (1) member to serve for a term of six (6) years; at the second biennial election two (2) members are elected to serve for a term of six years; at the third biennial election two (2) members are elected to serve for a term of six years. (67-4907, 67-4911, Idaho Code)

How do I know if I'm eligible to vote in an auditorium district election?

You must be a qualified elector (i.e. registered voter) of the State of Idaho and reside in the district. "Qualified elector" means any person who is eighteen (18) years of age, is a United States citizen and who has resided in this state and in the county at least thirty (30) days next preceding the election at which he desires to vote, and who is registered as required by law.

The county clerk's election department or the secretary of the district can tell you if you are eligible to vote in district elections. (34-104, 34-1402, 67-4902, Idaho Code)

What are the requirements if I want to run for auditorium district Director?

A director candidate must be a registered voter of the State of Idaho and a resident of the district.

Candidates for election as an auditorium district director file nominating petitions which include the name of the candidate and signatures of at least five (5) qualified electors of the district.

The Declaration of Candidacy and the Petition of Candidacy forms are available from and are filed with the secretary of the board. However, the forms are also available from the County Clerk's Election Office. The county clerk runs the election for the district but candidacy forms are filed with the district.

The nomination petition must be filed not later than 5:00 p.m. on the ninth Friday preceding the election for which the nomination is made.

After their election, members of the board must qualify to take office by filing an oath of office and a corporate surety bond (see 59-802(7), Idaho Code) at the expense of the district in an amount not to exceed \$1000 each. (34-1404, 67-4902, 67-4907, 67-4908, 67-4911, Idaho Code; see Election Consolidation Calendar for dates)

Who is responsible for administration of the election?

The county clerk runs the election of an auditorium district in accordance with the provisions of Title 34, Chapter 14, Idaho Code, and provides for adequate polling places throughout the district. The county clerk also appoints election officials for the election.

The county clerk performs all the necessary duties of the election official of an auditorium district including, but not limited to, publishing the notice of the filing deadline and the notice of the election, and preparation of the election calendar. (34-1401, 67-4907, 67-4911, Idaho Code)

Auditorium District Elections Frequently Asked Questions

Are write-in candidates allowed?

Yes, but write-in candidates must file a declaration of intent in order for votes cast for them to be counted. This declaration of intent must be filed with the secretary of the district not less than forty-five (45) days before the election. Declaration of Intent forms can be obtained from the clerk of the district or the County Clerk's Election Office. *(34-1407,67-4911, Idaho Code)*

What if only one candidate files?

If after the deadline for filing a declaration of intent as a write-in candidate, it appears that the number of qualified candidates is the same as the number of directors to be elected no election will be held. The secretary of the district declares the candidates to be elected and issues a certificate of election to the candidate. *(34-1407, 67-4911, Idaho Code)*

Is absentee voting allowed?

Yes. Any registered elector of the auditorium district may vote by absentee ballot. Absentee ballots must be requested in writing from the county clerk. To request an absentee ballot to be mailed to the voter, the request must be received no later than 5 p.m. on the eleventh day before the election. In-person absentee voting is available in the County Clerk's Election Office until 5 p.m. on the Friday before the election. *(34-1002, 34-1408, Idaho Code)*

What hours are polling places open?

The polls open at 8:00 a.m. and remain open until all registered electors of that precinct have appeared and voted or until 8:00 p.m. of the same day, whichever comes first. However, the county clerk may, at his option, open the polls in his jurisdiction at 7:00 a.m. *(34-1409, Idaho Code)*

Can auditorium district directors be recalled?

Yes. The provisions and procedures to recall political subdivision elected officials are outlined in Title 34, Chapter 17, Idaho Code. *(34-1701, Idaho Code)*

How are vacancies filled?

Any vacancy occurring in the office of the auditorium director, other than by the expiration of the term of office, are filled by the remaining members of the board. Such appointment is until the next biennial election, when a new director is elected to fill the remainder of the original term of office in which the vacancy occurred. If the board shall fail, neglect or refuse to fill any vacancy within thirty (30) days after the same occurs, the court having jurisdiction shall fill such vacancy. *(67-4910, Idaho Code)*

Are Auditorium Districts under Campaign Disclosure?

Yes. Campaign disclosure applies to supporting or opposing the creation or dissolution of an auditorium district as well as candidates. *(67-4931, Idaho Code)*

The word “board” as used in this chapter shall mean the board of directors of a district.

A “qualified elector” of a district, within the meaning of and entitled to vote under this chapter, is a person who resides in the district and is otherwise qualified under section 34-104, Idaho Code.

Wherever the term “publication” is used in this chapter it means publication twice, the first time not less than twelve (12) days prior to an election, and the second time not less than five (5) days prior to an election, as provided in section 34-1406, Idaho Code. (History: S.L. 1959, Ch. 137; S.L. 1974, Ch. 139; S.L. 1978, Ch. 276; S.L. 1995, Ch. 118; S.L. 1998, Ch. 21; S.L. 2001, Ch. 258)

67-4903. JURISDICTION TO ESTABLISH DISTRICTS. The district court sitting in and for any county in this state, or any judge thereof in vacation, is hereby vested with jurisdiction, power and authority to establish districts which may be entirely within or partly within and partly without the judicial district in which said court is located. (History: S.L. 1959, Ch. 137)

67-4904. PETITION — CONTENTS — AMENDMENTS. **Auditorium District Elections
Selected Code Sections**

The petition shall set forth:

(1) The name of the proposed district consisting of a chosen name preceding the words, "auditorium or community center district."

(2) A general description of the facilities to be constructed and any marketing programs for such facilities within and for the district.

(3) The estimated cost of the proposed facilities and any marketing programs for such facilities and the estimated annual budget for the proposed district.

(4) The maximum tax rate that the board will be authorized to levy or impose.

(5) A general description of the boundaries of the district or the territory to be included therein, with such certainty as to enable a property owner to determine whether or not his property is within the district.

(6) A prayer for the organization of the district.

No petition with the requisite signatures shall be declared null and void on account of alleged clerical errors or nonmaterial errors in the description of the territory, but the court may at any time permit the petition to be amended to conform to the facts by correcting any clerical or nonmaterial errors in the description of the territory, or in any other particular. Similar petitions or duplicate copies of the same petition for the organization of the same district may be filed and shall together be regarded as one (1) petition. All such petitions filed prior to the hearing on the first petition filed, shall be considered by the court the same as though filed with the first petition placed on file. (History: S.L. 1959, Ch. 137; S.L. 1963, Ch. 95; S.L. 1978, Ch. 20 & 276; S.L. 1998, Ch. 21; S.L. 2001, Ch. 258)

67-4905. BOND OF PETITIONERS. At the time of filing the petition or at any time subsequent thereto, and prior to the time of hearing on said petition a bond shall be filed, with security approved by the court, sufficient to pay all expenses connected with the proceedings in case the organization of the district is not effected. If at any time during the proceeding the court shall be satisfied that the bond first executed is insufficient in amount, it may require the execution of an additional bond within a time to be fixed, not less than ten (10) days distant, and upon failure of the petitioner to execute the same, the petition shall be dismissed. (History: S.L. 1959, Ch. 137)

67-4906. NOTICE OF HEARING ON PETITION — JURISDICTION. Immediately after the filing of such petition, the court wherein such petition is filed or a judge thereof in vacation, shall by order fix a place and time, not less than twenty (20) days nor more than forty (40) days after the petition is filed, for hearing thereon and thereupon the clerk of said court shall cause notice by publication to be made of the pendency of the petition and of the time and place of hearing thereon; the clerk of said court shall also forthwith cause a copy of said notice to be mailed by U.S. registered mail to the board of county commissioners of each of the several counties and to the governing body of each municipality having territory within the proposed district.

The district court in and for the county in which the petition for the organization of district has been filed, shall thereafter for all purposes of this act, except as hereinafter otherwise provided, maintain and have original and exclusive jurisdiction, coextensive with the boundaries of the district, and of the real property proposed to be included in said district or affected by said district without regard to the usual limits of its jurisdiction.

No judge of such court wherein such petition is filed shall be disqualified to perform any duty imposed by this act by reason of ownership of property within any proposed district. (History: S.L. 1959, Ch. 137)

67-4907. HEARINGS ON PETITIONS — ELECTION FOR ORGANIZATION AND OFFICERS. On the day fixed for such hearing or at an adjournment thereof the court shall, if the petition proposes a property tax, ascertain from the tax rolls of the county or counties in which the district is located or into which it extends, the total number of taxpayers within the proposed district, who pay a general tax on real property

owned by him or her within the district.

If the court finds that no petition has been signed and presented in conformity with this chapter, or that the material facts are not as set forth in the petition filed, it shall dismiss said proceedings and adjudge the costs against the signers of the petition in such proportion as it shall deem just and equitable. No appeal or writ of error shall lie from an order dismissing said proceedings; but nothing herein shall be construed to prevent the filing of a subsequent petition or petitions for similar improvements or for a similar district, and the right so to renew such proceedings is hereby expressly granted and authorized.

Any time after the filing of the petition for the organization of a district and before the day fixed for the hearing thereon, the owner or owners of any real property within the proposed district may file a petition with the district court stating reasons why said property should not be included therein, why his land or any part thereof will not be benefited directly or indirectly by the proposed district, or should not be embraced in said district and made liable to taxation therefor, and praying that said property be excluded therefrom. Such petition shall be duly verified and shall describe the property sought to be excluded. The court shall conduct a hearing on said petition and shall hear all objections to the inclusion in the district of any lands described in said petition. In case any owner of real estate included in said proposed district shall satisfy the court that his real estate, or any part thereof, has been wrongfully included therein or will not be benefited thereby then the court shall exclude such real estate as will not be benefited.

Upon said hearing, if it shall appear that a petition for the organization of a district has been signed and presented as hereinabove provided, in conformity with this chapter, and that the allegations of the petition are true, the court shall, by order duly entered of record, direct that the question of the organization of the district shall be submitted to the qualified electors of the district at an election to be held, subject to the provisions of section 34-106, Idaho Code, for that purpose, and such order shall direct the county clerk to appoint election officials of the election. The county clerk of the county having jurisdiction shall give published notice of the time and place of an election to be held in the district.

Such election shall be held and conducted in accordance with the provisions of title 34, Idaho Code.

At any time after the filing of the petition herein referred to and before the day fixed for hearing, nominees for the board of directors of the district may be nominated by the filing of a petition designating the name or names of the nominee or nominees, signed by at least five (5) qualified electors of the district. If upon the hearing as herein provided the court shall order an election for the creation of the district, the court shall also ascertain the names of persons nominated by the board of directors, and shall order that the names of persons whom the court finds to have been properly nominated shall be listed upon a ballot submitted to the electors at such election. In the event the court makes its order providing for such election, it shall prescribe the form of the question and ballot relating to the election of the directors, provided that all matters may be contained upon one (1) ballot to be submitted to the voters.

At such election the voters shall vote for or against the organization of the district, and for five (5) qualified electors, who shall constitute the board of directors of the district, if organized, one (1) director to act until the first biennial election, two (2) until the second, and two (2) until the third biennial election.

The county board of canvassers shall certify the returns of the election to the district court having jurisdiction. If a majority of the votes cast at said election are in favor of the organization, the district court shall declare the district organized and give it a corporate name by which, in all proceedings, it shall thereafter be known, and designated the first board of directors elected, and thereupon the district shall be a governmental subdivision of the state of Idaho and a body corporate with all the powers of a public or quasi-municipal corporation except that districts formed prior to January 1, 1987, or districts with twenty-five thousand (25,000) or more population shall have no power to levy and collect property taxes.

If an order be entered establishing the district, such order shall be deemed final and no appeal or writ of error shall lie therefrom, and the entry of such order shall finally and conclusively establish the regular organization of the said district against all persons except the state of Idaho, in an action in the nature of a writ of quo warranto, commenced by the attorney general within thirty (30) days after said decree

declaring such district organized as herein provided, and not otherwise. The organization of said district shall not be directly or collaterally questioned in any suit, action or proceeding except as herein expressly authorized. (History: S.L. 1959, Ch. 137; S.L. 1987, Ch. 70; S.L. 1995, Ch. 118; S.L. 1998, Ch. 21; S.L. 2001, Ch. 258; S.L. 2009, Ch. 341)

67-4908. QUALIFICATION OF MEMBERS OF BOARD. Whenever a district has been declared duly organized, the members of the board shall qualify by filing with the clerk of court their oaths of office, and corporate surety bonds at the expense of the district in an amount not to exceed \$1,000 each, the form thereof to be fixed and approved by the court, conditioned for the faithful performance of their duties as directors. (History: S.L. 1959, Ch. 137)

67-4909. ORGANIZATION OF BOARD — ACCOUNTS OF TREASURER — COMPENSATION OF MEMBERS — ANNUAL AUDIT — REMOVAL OF DIRECTORS. After taking oath and filing bonds, the board shall choose one (1) of its members as chairman of the board and president of the district, and shall elect a secretary and a treasurer of the board and of the district, who may or may not be members of the board. The secretary and the treasurer may be one (1) person. Such board shall adopt a seal and the secretary shall keep, in a well-bound book, a record of all its proceedings, minutes of all meetings, certificates, contracts, bonds given by employees and all corporate acts which shall be open to inspection to all interested parties.

The treasurer shall keep strict and accurate accounts of all money received by and disbursed for and on behalf of the district, in permanent records. He shall file with the clerk of the court, at the expense of the district, a corporate fidelity bond in an amount not less than five thousand dollars (\$5,000), conditioned on the faithful performance of the duties of his office.

Each member of the board shall receive as compensation for his service a sum not in excess of sixty dollars (\$60.00) per annum. No member of the board shall receive any compensation as an employee of the district or otherwise, other than that herein provided and no member of the board shall be interested in any contract or transaction with the district except in his official representative capacity.

It shall be the duty of the board of directors to cause an audit to be made of all financial affairs of the district during each year ending November 30th as required in section 67-450B, Idaho Code.

The court having jurisdiction of the district shall have the power to remove directors for cause shown, on petition, notice and hearing. (History: S.L. 1959, Ch.137; S.L. 1987, Ch. 70; S.L. 1992, Ch. 15; S.L. 1993, Ch. 387)

67-4910. MEETINGS — VACANCIES. The board shall meet regularly once each month at a time and in a place to be designated by the board. Special meetings may be held as often as the needs of the district require, on notice to each member of the board. Three (3) members of the board shall constitute a quorum at any meeting. Any vacancy on the board shall be filled by the remaining members or member of the board, the appointee to act until the next biennial election when the vacancy shall be filled by election. If the board shall fail, neglect or refuse to fill any vacancy within thirty (30) days after the same occurs, the court having jurisdiction shall fill such vacancy. (History: S.L. 1959, Ch.137)

67-4911. ELECTIONS — TERMS OF OFFICE. On an election date as provided for in section 34-106(1), Idaho Code, in May of the first odd-numbered year after the organization of any district, and every second year thereafter, an election shall be held, which shall be known as the biennial election of the district.

At the first biennial election in any district hereafter organized, and each sixth year thereafter, there shall be elected by the qualified electors of the district, one (1) member of the board to serve for a term of six (6) years; at the second biennial election and each sixth year thereafter, there shall be elected two (2) members of the board to serve for terms of six (6) years, and at the third biennial election, and each

sixth year thereafter, there shall be elected two (2) members of the board to serve for terms of six (6) years. Provided, a member of the board once in office shall serve until his successor is elected, qualified and takes office.

Not later than 5:00 p.m. on the ninth Friday before any such election, nominations may be filed with the secretary of the board. The county clerk shall provide for holding such election and shall appoint judges to conduct it. The county clerk shall give notice of election by publication, and shall arrange such other details in connection therewith. Adequate polling places shall be provided throughout the district boundaries for all elections. The returns of the election shall be certified to and shall be canvassed and declared by the board of county commissioners which shall report the results to the district. The candidate or candidates, according to the number of directors to be elected, receiving the most votes, shall be elected. Any new member of the board shall qualify in the same manner as members of the first board qualify.

In any election for director, if after the deadline for filing a declaration of intent as a write-in candidate, it appears that the number of qualified candidates who have been nominated is equal to the number of directors to be elected, it shall not be necessary for the candidates to stand for election, and the board shall declare such candidates elected as directors, and the secretary of the board shall immediately make and deliver to such persons certificates of election signed by him and bearing the seal of the district. (History: S.L. 1959, Ch. 137; S.L. 1974, Ch. 139; S.L. 1995, Ch. 118; S.L. 1998, Ch. 21; S.L. 2001, Ch. 258; S.L. 2009, Ch. 341; S.L. 2011, Ch. 11)

67-4922. SUBMISSION OF PROPOSITION TO ELECTORATE. Whenever any board authorized to levy and collect property taxes shall, by resolution, determine that the interest of said district and the public interest or necessity demand the acquisition, construction, installation or completion of any works or other improvements or facilities, or the making of any contract with the United States or other persons or corporations, public or private, municipalities, or governmental subdivisions, to carry out the objects or purposes of said district, requiring the creation of an indebtedness of seventy-five thousand dollars (\$75,000) or more, and in any event when the indebtedness will exceed the income and revenue provided for the year, said board shall order the submission of the proposition of issuing such obligations or bonds, or creating other indebtedness to the qualified electors of the district at an election held for that purpose. The declaration of public interest or necessity herein required and the provision for the holding of such election may be included within one and the same resolution, which resolution, in addition to such declaration of public interest or necessity, shall recite the objects and purposes for which the indebtedness is proposed to be incurred, the estimated cost of the works or improvements, as the case may be, the amount of principal of the indebtedness to be incurred therefor, and the maximum rate of interest to be paid on such indebtedness. Such resolution shall also fix the date upon which such election shall be held, subject to the provisions of section 34-106, Idaho Code, and the manner of holding the same in accordance with the provisions of title 34, Idaho Code, and the method of voting for or against the incurring of the proposed indebtedness. Such resolution shall direct the county clerk to designate the polling place or places, and appoint judges of each polling place. (History: S.L. 1959, Ch. 137; S.L. 1974, Ch. 139; S.L. 1987, Ch. 70; S.L. 1995, Ch. 118; S.L. 2009, Ch. 341)

67-4923. NOTICE OF ELECTION. The board of a district authorized to levy and collect property taxes shall prescribe the form of the notice of election, and direct the publication of the same, the first publication of said notice to be as prescribed in chapter 14, title 34, Idaho Code. (History: S.L. 1959, Ch. 137; S.L. 1987, Ch.70; S.L. 1995, Ch. 118; S.L. 2009, Ch. 341)

67-4924. CONDUCT OF ELECTION — CANVASS OF RETURNS. The county clerk shall conduct the election in the manner prescribed by the provisions of chapter 14, title 34, Idaho Code, and the returns thereof shall be canvassed and the results certified by the county clerk who shall report the results to the district. (History: S.L. 1959, Ch. 137; S.L. 1987, Ch. 118; S.L. 2009, Ch. 341)

Auditorium District Elections Selected Code Sections

67-4925. EFFECT OF ELECTION — SUBSEQUENT ELECTION. In the event that it shall appear from said returns that the necessary percentage (as now specified by the constitution of the state of Idaho or as the same may hereafter be amended) of said qualified electors of the district authorized to levy and collect ad valorem taxes who shall have voted on any proposition submitted hereunder at such election voted in favor of such proposition, the district shall thereupon be authorized to incur such indebtedness or obligations, enter into such contract, or issue and sell such bonds of the district, as the case may be, all for the purpose or purposes and object or objects provided for in the proposition submitted hereunder and in the resolution therefor, and in the amount so provided and at a rate of interest not exceeding the rate of interest recited in such resolution. Submission of the proposition of incurring such obligation or bonded or other indebtedness at such an election shall not prevent or prohibit submission of the same or other propositions at subsequent election or elections called for such purpose. (History: S.L. 1959, Ch. 137; S.L. 1978, Ch. 276; S.L. 1987, Ch. 70)

67-4926. CORRECTION OF FAULTY NOTICES. In any and every case where a notice is provided for in this act, if the court finds for any reason that due notice was not given, the court shall not thereby lose jurisdiction, and the proceeding in question shall not thereby be void or be abated, but the court shall in that case order due notice to be given and shall continue the hearing until such time as notice shall be properly given, and thereupon shall proceed as though notice has [had] been properly given in the first instance. (History: S.L. 1959, Ch. 137)

67-4928. ELECTIONS — VALIDATION OF ACTS. Whenever any auditorium district organized under the provisions of chapter 49, title 67, Idaho Code, shall have failed to hold any election provided for in section 67-4911, Idaho Code, for the election of a member or members of the board of directors, the board of directors of said district may order an election to be held, subject to the provisions of section 34-106, Idaho Code, in said district for such purpose at such time as may be fixed by resolution of the board.

Whenever any auditorium district has been heretofore created pursuant to the provisions of chapter 49, title 67, Idaho Code, all proceedings had in connection with the creation of such district and the organization of the governing body and all acts and proceedings heretofore taken by such district or its governing body are hereby validated, ratified and declared to be binding and effective in accordance with their terms, notwithstanding any failure to have held and conducted any election of members of the board of directors of said district. (History: S.L. 1974, Ch. 139; S.L. 1995, Ch. 118)

67-4929. INCLUSION OR EXCLUSION — ELECTION PROCEDURE. Whenever under the provisions of sections 67-4918 and 67-4919, Idaho Code, owners or owners in fee of any real property have petitioned for inclusion or exclusion of property within the district, and the petition has been denied, the petitioners shall be entitled to an election as provided in this section:

(a) A petition may be filed with the county commissioners and shall be signed by not less than eighty percent (80%) of the qualified electors resident within the boundaries of the area proposed to be included or excluded.

(b) Within thirty (30) days after the filing of such petition, the county commissioners shall determine whether or not the same substantially complies with the requirements of this section. If the county commissioners find that there has not been substantial compliance with such requirements, they shall enter an order to that effect specifying the particular deficiencies and dismissing the petition. Cemetery District Elections Frequently Asked Questions

When are cemetery district elections held?

Elections of commissioners of cemetery maintenance districts are held the first Tuesday following the first Monday in November and every odd-numbered year thereafter. Bond, levy and other ballot question elections may be held on the third Tuesday in May or the Tuesday following the first Monday in November of any year. (27-111, 34-106, Idaho Code)

How many commissioners are elected in a cemetery maintenance district and what are their terms of office?

Each cemetery district is divided into three (3) subdivisions, as nearly equal in population, area and mileage as practicable to be known as subdistricts 1, 2 and 3. A commissioner is elected from each subdistrict. Of the commissioners comprising the board at any one time, not more than one can be an elector of the same subdistrict. Each commissioner is elected on a district wide basis and serves a term of four (4) years. The terms of office are staggered. For commissioners whose office expire in 2012 and in any even-numbered year, such commissioners shall remain in office until the next election in an odd-numbered year. (27-110, 27-111, Idaho Code)

How do I know if I'm eligible to vote in a cemetery maintenance district election?

You must be a qualified elector (i.e. registered voter) of the State of Idaho and a resident of the district. "Qualified elector" means any person who is eighteen (18) years of age, is a United States citizen and who has resided in this state and in the county at least thirty (30) days next preceding the election at which he desires to vote, and who is registered as required by law.

The county clerk's election department or the secretary of the district can tell you if you are eligible to vote in district elections. (27-107, 27-111, 34-104, 34-1402, Idaho Code)

What are the requirements if I want to run for cemetery district commissioner?

A commissioner candidate must be an elector of the subdistrict which he represents at the time of his declaration of candidacy and during his term of office.

Candidates for election as a cemetery maintenance district commissioner file nominating petitions which include the name of the candidate, the subdistrict that the candidate is running in and signatures of at least five (5) electors from the subdistrict.

The Declaration of Candidacy and the Petition of Candidacy forms are available from and filed with the clerk of the cemetery district. However, the forms are also available from the county clerk's election department.

The nomination must be filed not later than 5:00 p.m. on the ninth Friday preceding the election for which the nomination is made. The clerk of the district has seven (7) days following the filing to verify the qualifications of the nominee and certify that person is to be placed on the ballot. (27-111, 34-1404, Idaho Code; see *Election Consolidation Calendar for dates*)

Who is responsible for administration of the election?

The county clerk administers cemetery maintenance district elections in accordance with the provisions of Title 34, Chapter 14, Idaho Code. The county clerk selects polling places, election judges and clerks.

The county clerk performs all the necessary duties of the election official of a cemetery maintenance district including, but not limited to, publishing the notice of the filing deadline and the notice of the election, and preparation of the election calendar. (27-111, 34-1401, Idaho Code)

Are write-in candidates allowed?

Yes, but write-in candidates must file a declaration of intent in order for votes cast for them to be counted. This declaration of intent must be filed with the clerk of the district not less than forty-five (45)

Cemetery District Elections Frequently Asked Questions

days before the election. The Declaration of Intent forms can be obtained from the clerk of the district or the County Clerk's Election Office. *(34-1407, Idaho Code)*

What if only one candidate files?

If after the deadline for filing a declaration of intent as a write-in candidate, it appears that only one (1) qualified candidate has been nominated for each position to be filled, no election will be held. The board of commissioners will declare the candidate elected and the secretary of the district issues a certificate of election to the candidate. *(27-111, 34-1407, Idaho Code)*

Is absentee voting allowed?

Yes. Any registered elector of the cemetery maintenance district may vote by absentee ballot. Absentee ballots must be requested in writing from the county clerk. To request an absentee ballot to be mailed to the voter, the request must be received no later than 5 p.m. on the eleventh day before the election. In-person absentee voting is available in the County Clerk's Election Office until 5 p.m. on the Friday before the election. *(34-1002, 34-1408, Idaho Code)*

What hours are polling places open?

The polls open at 8:00 a.m. and remain open until all registered electors of that precinct have appeared and voted or until 8:00 p.m. of the same day, whichever comes first. However, the county clerk may, at his option, open the polls in his jurisdiction at 7:00 a.m. *(34-1409, Idaho Code)*

Can cemetery maintenance district commissioners be recalled?

Yes. The provisions and procedures to recall political subdivision elected officials are outlined in Title 34, Chapter 17, Idaho Code. *(34-1701, Idaho Code)*

How are vacancies filled?

Any vacancy occurring in the office of the cemetery maintenance commissioner, other than by the expiration of the term of office, is filled by the cemetery maintenance board. *(27-110, Idaho Code)*

(History: S.L. 1927, Ch. 197; S.L. 1929, Ch. 268; S.L. 1980, Ch. 350)

27-103. JOINT COUNTY CEMETERY MAINTENANCE DISTRICTS — COMMISSIONERS. When the boundaries of a proposed cemetery maintenance district lie in two (2) or more counties, each county shall act separately in the election and organization of that part of the proposed cemetery maintenance district contained in its county: Provided that the boards of county commissioners of each county so joining, shall meet together upon the presentation of the petition to their respective bodies, asking for such proposed district, and provide for uniform proceedings in each county. When two (2) counties join in a cemetery maintenance district, the county having the larger population within the district (,) shall appoint two (2) of the three (3) cemetery maintenance commissioners and the county having the smaller population within the district, one (1) commissioner. When three (3) counties join in such district, each county shall appoint one (1) commissioner; when more than three (3) counties join in such district, the three (3) counties having the largest population shall each appoint one (1) commissioner. (History: S.L. 1945, Ch. 200)

27-104. PETITION. A petition shall first be presented to the board of county commissioners and filed with the clerk of the board of commissioners of the county in which the proposed cemetery maintenance district is situated, signed by the number of holders of title, or evidence of title specified in section 27-102, which petition shall plainly and clearly designate the boundaries of the proposed cemetery maintenance district and shall state the name of the proposed district, and shall be accompanied by a map thereof. When such petition is presented to the board of county commissioners and filed in the office of the clerk of such board, the said board shall set a time for a hearing upon such petition, which time shall not be less than four (4) nor more than six (6) weeks, from the date of the presentation and filing of such petition. published by said board, once each week for three (3) successive weeks previous to the time set for such hearing, in a newspaper published within the county in which said district is situated. Said notice shall state that a cemetery maintenance district is proposed to be organized, giving the proposed boundaries thereof, and that any taxpayer within the proposed boundaries of such proposed district may on the date fixed for such hearing appear and offer any objection to the organization of such district, the proposed boundaries thereof or the including or excluding of any real property therein or therefrom. After hearing and considering any and all objections, if any such be interposed, the county commissioners shall thereupon make an order thereon either denying such petition or granting the same, with or without modification, and shall accordingly fix the boundaries of such proposed district in any order granting such petition. The boundaries so fixed shall be the boundaries of said district after its organization be completed as provided by this act, and a map showing the boundaries of such proposed district as finally fixed and determined by the board of county commissioners shall be prepared and filed in the office of the clerk of said board. (History: S.L. 1927, Ch. 197; S.L. 1929, Ch. 268)

27-106. NOTICE OF ELECTION. After the county commissioners have made their order finally fixing and determining the boundaries of the proposed district, the clerk of the board of county commissioners shall cause to be published a notice of an election to be held, subject to the provisions of section 34-106, Idaho Code, in such proposed cemetery maintenance district for the purpose of determining whether or not the same shall be organized under the provisions of this chapter. Such notice shall plainly and clearly designate the boundaries of such proposed cemetery maintenance district as designated in the petition and shall state that a map showing the boundaries of said district is on file in his office.

Such notice shall be published first not less than twelve (12) days prior to the election and a second publication not less than five (5) days prior to such election, in a newspaper published within the county aforesaid. Such notice shall require the electors to cast ballots which shall contain the words “.... cemetery maintenance district, yes,” or “.... cemetery maintenance district, no” or words equivalent thereto. The said board of commissioners shall meet within ten (10) days after said returns are received and shall proceed to canvass the votes cast at such election, and if, upon canvass, it shall appear that one[-]half (1/2) or more of said votes are “.... cemetery maintenance district, no,” then a record of that fact shall be duly entered upon the minutes of said board, and all proceedings in regard to the organization of said district shall be void. If, however, it shall appear upon such canvass, that more than one[-]half (1/2) of the votes cast are “.... cemetery maintenance district, yes,” the board shall, by order entered on its minutes,

declare such territory duly organized as a cemetery maintenance district under the name designated in the petition. After the election, the validity of the proceedings hereunder shall not be affected by any defect in the petition or in the number or qualifications of the signers thereof, and in no event shall any action be commenced or maintained or defense made affecting the validity of such organization after six (6) months from and after the making and entering of the order provided for in this section. Such board shall cause one (1) copy of such order, duly certified, to be filed for record in the office of the county recorder of the county in which said district is situated and shall transmit to the governor one (1) certified copy thereof.

From and after the date of such filing of said order of the board of county commissioners declaring such territory duly organized as a cemetery maintenance district, the organization of such district shall be complete. (History: S.L. 1927, Ch. 197)

27-109. CEMETERY MAINTENANCE BOARD — APPOINTMENT OF COMMISSIONERS — OATH.

There shall be three (3) cemetery maintenance commissioners in each district, who shall constitute the cemetery maintenance board. The first cemetery maintenance commissioners of such cemetery maintenance district shall be appointed by the board of county commissioners. If the district is to be situated in two (2) or more counties, the boards of county commissioners for those counties shall coordinate a joint public meeting whereby the appointment shall be made by a majority of all county commissioners present at the joint public meeting. If the county commissioners cannot agree on the appointment of a commissioner, all the interested persons who received the highest and equal number of votes shall have their names placed in a container. The county commissioner with the most continuous length of service shall draw one (1) name from the container. The person whose name is drawn shall then be appointed to fill the vacancy. The certificate of such appointment shall be made in triplicate: one (1) certificate shall be filed in the office of the county recorder of the county, one (1) with the clerk of the board of county commissioners, and one (1) with the assessor and tax collector of the county. Every cemetery maintenance commissioner shall take and subscribe the official oath, which oath shall be filed in the office of the board of cemetery maintenance commissioners. (History: S.L. 1927, Ch. 197; S.L. 2017, Ch. 128)

27-110. TERM OF OFFICE — VACANCIES. (1) At the meeting of the board of county commissioners at which the cemetery maintenance district is declared organized, as provided by section 27-108, Idaho Code, said board of county commissioners shall divide the cemetery maintenance district into three (3) subdivisions, as nearly equal in population, area and mileage as practicable, to be known as cemetery maintenance commissioners subdistricts one, two and three. Not more than one (1) of said commissioners shall be an elector of the same cemetery maintenance subdistrict. The first commissioners appointed by the board of county commissioners shall serve until the next cemetery maintenance district election, at which their successors shall be elected. Any vacancy occurring in the office of the cemetery maintenance commissioner, other than by the expiration of the term of office, shall be filled by the cemetery maintenance board. (2) A cemetery maintenance district created from the consolidation of two (2) or more cemetery maintenance districts as provided in section 27-129, Idaho Code, may operate with five (5) cemetery maintenance commissioners subdistricts. (History: S.L. 1927, Ch. 197; S.L. 2017, Ch. 128; S.L. 2018, Ch. 196)

27-111. ELECTION OF COMMISSIONERS. (1) On the first Tuesday following the first Monday in November and every odd-numbered year thereafter, three (3) cemetery maintenance district commissioners shall be elected by the electors of each cemetery district as defined in section 27-104, Idaho Code. For commissioners whose offices expire in 2012 and in any even-numbered year, such commissioners shall remain in office until the next election in an odd-numbered year. The county clerk shall conduct the election in a manner consistent with statutory provisions of chapter 14, title 34, Idaho Code.

(2) For cemetery maintenance districts consisting of less than one hundred fifty (150) registered electors,

Cemetery District Elections Selected Code Sections

the cemetery maintenance district commissioners may be elected at large. For all other districts, of the commissioners comprising the board at any one time, not more than one (1) shall be an elector of the same cemetery maintenance commissioners subdistrict. A commissioner shall be an elector of the subdistrict which he represents at the time of his declaration of candidacy and during his term of office. A qualified elector of the cemetery maintenance district shall be eligible to vote for each of the cemetery maintenance district commissioners. At the first election following the formation of a cemetery maintenance district, commissioners from cemetery maintenance subdistricts one (1) and two (2) shall be elected for terms of four (4) years, and the commissioner from cemetery maintenance subdistrict three (3) shall be elected for a term of two (2) years; thereafter the term of office of all commissioners shall be four (4) years. All elections held under this law, shall be held in conformity with the general laws of the state, including chapter 14, title 34, Idaho Code.

(3) In any election for cemetery maintenance district commissioners, if, after the expiration of the date for filing a declaration of intent as a write-in candidate for the office of commissioner, it appears that only one (1) qualified candidate has been nominated for each position to be filled, it shall not be necessary to hold an election, and the board of commissioners shall declare such candidate elected as commissioner, and the secretary shall immediately make and deliver to such person a certificate of election signed by him bearing the seal of the district. The procedure set forth in this subsection shall not apply to any other cemetery maintenance district election.

(4) A cemetery maintenance district created from the consolidation of two (2) or more cemetery maintenance districts as provided in section 27-129, Idaho Code, may operate with five (5) cemetery maintenance commissioners. (History: S.L. 1927, Ch. 197; S.L. 1967, Ch. 14; S.L. 1982, Ch. 250; S.L. 1995, Ch. 118; S.L. 2009, Ch. 341; S.L. 2018, Ch. 196)

27-112. ANNEXATION OR EXCLUSION OF TERRITORY FROM DISTRICT — PROCEDURE. After the organization of a cemetery maintenance district, additional territory adjoining such district, and lying within the same county may be added thereto and shall thereupon and thenceforth be included in such district, by the affirmative vote of a majority of the qualified electors of such additional territory voting on the question at an election held therefor, which vote may be taken at an election held as provided in sections 27-106 and 34-106, Idaho Code. But such additional territory shall not be annexed to or be included within the district unless such annexation and inclusion be first approved by the cemetery maintenance board of the existing district by resolution entered on the minutes of such board prior to the election on the question of annexation. The same procedure, with such modifications in the form of petition, notices, ballots, etc., as may be necessary shall be adopted as in this law provided in sections 27-102 and 27-104--27-107, Idaho Code, inclusive: A petition signed by a majority of the owners of lands lying within the boundaries of the area proposed to be annexed such lands lying within the boundaries of any cemetery maintenance district heretofore created requesting the withdrawal and exclusion of lands described in said petition from such district and setting forth that the people residing upon said lands are not served by the cemetery or cemeteries within the boundaries of said district, that said people are served by other cemeteries within the county, and that the exclusion and withdrawal of said lands from said district will not reduce the market value for assessment purposes of the lands remaining in said district below five million dollars (\$5,000,000), may be presented and filed with the board of county commissioners of the county within which said district is located. Upon the presentation and filing of such petition said board of county commissioners shall immediately fix a time and place for a hearing on said petition when and where any elector of said district may appear and be heard in support of or opposition to said petition. Notice of said hearing shall be given by said board by publication in one (1) issue of a newspaper of general circulation in said cemetery district at least ten (10) days prior to the date of said hearing and a copy of said notice shall be served by registered mail or personally on the president and secretary of the cemetery district commissioners. If after a hearing on said petition the board of county commissioners determines that the

people residing upon the land sought to be withdrawn from such cemetery district are not served by the cemetery or cemeteries within such district, that said people are served by other cemeteries within the county, and that the exclusion and withdrawal of said lands from said district will not reduce the market value for assessment purposes of the lands remaining therein below five million dollars (\$5,000,000), said commissioners shall make and enter such findings in the minutes of their meeting and make and enter an order authorizing and directing the withdrawal and exclusion of said lands from said cemetery district. Provided that the land so ordered to be withdrawn and excluded from said cemetery district be either annexed to an adjoining cemetery district which does serve said petitioners, or, if not served by an adjoining cemetery district, that said lands be included in the formation of a new cemetery district which does serve said petitioners.

A copy of such findings and order shall be served upon the president and secretary of the cemetery district commissioners, and county assessor, personally, or by registered mail. If the entry of such findings and order be made prior to the 4th Monday of June the lands annexed shall be excluded and withdrawn from the said cemetery district of which they were formerly a part and shall not be subject to assessment made and levied by said former district for the current fiscal year or subsequent years; provided, however, that such lands shall be subject to assessment made and levied for the current fiscal year and subsequent years by the new cemetery district of which they are made a part. If the entry of such findings and order be made subsequent to the 4th Monday of June the lands annexed shall be subject to assessment made and levied by the cemetery district of which they were formerly a part for the current fiscal year but shall thereafter be subject to assessment made and levied by the new cemetery district of which they are made a part. If said county commissioners do not find such facts they shall make and enter findings as to the facts which may exist and deny such petition. The costs in connection with giving the notices herein required shall be paid by petitioners. (History: S.L.1927, Ch. 197; S.L. 1947, Ch. 115; S.L. 1957, Ch. 51; S.L. 1959, Ch. 69; S.L. 1963, Ch. 337; S.L. 1980, Ch. 350; S.L.1995, Ch. 118)

27-113. ANNEXATION OF TERRITORY IN ADJOINING COUNTY. After the organization of a cemetery maintenance district, additional territory adjoining such district and contiguous thereto, and located wholly within an adjoining county, may be added to such district and become a part thereof as hereinafter provided. The proceedings for such annexation shall be the same as the proceedings for the creation and organization of a cemetery maintenance district with the following exceptions and modifications:

a. Such proceeding may be initiated by ten (10) or more of the holders of title or evidence of title to contiguous lands aggregating not less than two thousand (2000) acres, or of less area but having a market value for assessment purposes of at least five hundred thousand dollars (\$500,000).

b. A petition, such as is required by section 27-104, Idaho Code, shall be filed with the board of county commissioners of the county in which is situated the territory proposed to be annexed but shall accurately describe the boundaries of such territory, and also name and describe the cemetery maintenance district to which annexation is sought, and shall be accompanied by a map showing and distinguishing the boundaries of the original district and the boundaries of the territory proposed to be annexed, and showing the location of the intervening county line. Such petition must be accompanied by a certified copy of a resolution of the board of cemetery maintenance commissioners of the original district consenting to such annexation.

c. The notice of hearing on such petition shall state that certain territory therein described is proposed to be annexed to a cemetery maintenance district therein named and that any taxpayer within the boundaries of the territory proposed to be annexed may offer objections thereto at the time and place therein specified. The order entered by the local board of county commissioners on such petition shall, if such petition be granted, fix the boundaries of such annexed territory and direct that a map thereof be prepared under the direction of the clerk of the board, and certified copies of such order and map shall be transmitted to the clerk of the board of county commissioners of the county in which the original cemetery maintenance district is situated.

d. An election shall be held in the territory proposed to be annexed for the purpose of voting upon such annexation and the notice thereof shall accurately describe the boundaries of the territory proposed to be annexed, and shall state the name of the district to which annexation is sought, and that a map showing the boundaries of such district and of the territory proposed to be annexed is on file in the office of the clerk of the local board of county commissioners. Such notice shall prescribe the form of ballot to be cast, which shall contain the words "In favor of annexation to Cemetery Maintenance District" and "Against annexation to Cemetery Maintenance District," and shall direct that the voter indicate his choice thereon by a cross (X).

e. Community College District Elections Frequently Asked Questions

When are community college commissioner elections held?

Elections of trustees of community college districts are held biennially in November of even-numbered years. Bond, levy and other ballot question elections are held on the third Tuesday in May or the Tuesday following the first Monday in November of any year. (33-2106 (2), 34-106, Idaho Code)

How many commissioners are elected in a community college district and what are their terms of office?

The board of trustees of each community college district consists of five (5) electors who shall reside in a different trustee zone from each other. At the first election of trustees after the creation of a district, five (5) trustees are elected: two (2) for terms of two (2) years each, and three (3) for terms of four (4) years each. Thereafter, the successors are elected for terms of four (4) years. (33-2106, Idaho Code)

How do I know if I'm eligible to vote in a community college district election?

There are only 3 community college districts in the state (one in Kootenai County, one in Twin Falls and Jerome counties, and one in Ada and Canyon counties).

You must be a qualified elector (i.e. registered voter) of the State of Idaho and a resident of the district. In the case of election of trustees, the elector must be a resident of the same trustee zone as the candidate or candidates for whom the elector offers to vote for at least thirty (30) days next preceding the election in which the elector desires to vote. "Qualified elector" means any person who is eighteen (18) years of age, is a United States citizen and who has resided in this state and in the county at least thirty (30) days next preceding the election at which he desires to vote, and who is registered as required by law. The County Clerk's Election Office or the secretary of the district can tell you if you are eligible to vote in district elections. (33-405, 34-104, 34-1402, Idaho Code)

What are the requirements if I want to run for community college district commissioner?

Each candidate must, at the time of his nomination and election, or appointment, reside in a different trustee zone from each other. Candidates for election as a community college trustee file nominating petitions which include the name of the candidate and signatures of at least five (5) electors of the district.

The Declaration of Candidacy and the Petition of Candidacy forms are available from and filed with the clerk of the district. However, the forms are also available from the County Clerk's Election Office. (33-2106, 34-1404, Idaho Code; see *Election Consolidation Calendar* for dates)

Who is responsible for administration of the election?

The County Clerk is responsible for administering the election as prescribed in Chapter 14, Title 34, Idaho Code. The County Clerk performs all necessary duties of the election official of a community college district including, but not limited to, publishing the notice of the filing deadline and the notice of election, and preparation of the election calendar. (33-2106, 34-1401, Idaho Code)

What if only one candidate files?

The election proceeds even if only one candidate files for each office. There is no provision in the statutes governing community colleges that allow the election to be cancelled if only one candidate files. (34-1407, Idaho Code)

Are write-in candidates allowed?

Yes, but write-in candidates must file a declaration of intent in order for votes cast for them to be counted. The declaration of intent must be filed with the clerk of the district not less than forty-five (45) days before the election. The Declaration of Intent forms can be obtained from the clerk of the district or the County Clerk's Election Office. (34-1407, Idaho Code)

a. A petition or petitions, signed by not less than one thousand (1,000) qualified electors as defined in section 34-104, Idaho Code, residing in the proposed community college district, giving the name of the proposed community college, describing the boundaries of the proposed district and praying for the organization of the territory therein described as a community college district, together with a true copy thereof, shall be filed with the clerk of the board of county commissioners of the county in which such proposed district is to be located;

33-2104A. COMMUNITY COLLEGE TRUSTEE ZONES. (1) Each existing community college district shall be divided into five (5) trustee zones. Each trustee zone contains one (1) designated trustee position.

(2) The boundaries of the several trustee zones in each existing community college district shall be drawn so that the five (5) zones are as nearly equal in population as practicable. If a community college district is situated within two (2) or more counties, and any one (1) of the counties has sufficient population to warrant at least one (1) zone, then the boundaries of a trustee zone shall be located wholly within the boundaries of such county.

(3) A proposal to redefine the boundaries of trustee zones of a community college district shall be initiated by its board of trustees at the first meeting following the report of the decennial census or following the electors' approval of the addition of territory pursuant to section 33-2105, Idaho Code. The board of trustees shall submit the proposal to the state board of education within one hundred twenty (120) days following the decennial census or election. The proposal shall include a legal description of each proposed trustee zone, a map of the district showing how each proposed trustee zone would appear and the approximate population each zone would have should the proposal to change the boundaries of the trustee zones become effective.

(4) Within sixty (60) days after receipt of a proposal submitted pursuant to subsection (3) of this section,

Community College District Elections Selected Code Sections

the state board of education may approve or disapprove the proposal to redefine the boundaries of the trustee zones and shall give written notice of its decision to the board of trustees of the district wherein the change is proposed. If the state board of education disapproves a proposal, then it shall provide the board of trustees with a written explanation setting forth its reasons for disapproval. Within forty-five (45) days of receipt of a disapproval, the board of trustees shall submit a revised proposal to the state board of education. If the state board of education approves the proposal, then it shall notify the board of trustees, the trustee zones shall be changed in accordance with the proposal and a copy of the legal description of each trustee zone and map of the district showing how each trustee zone will appear shall be filed by the board of trustees with the county clerk of the home county.

(5) At the next regular meeting of the board of trustees following the state board's approval of a proposal submitted pursuant to subsection (4) of this section, the community college board of trustees shall appoint from its membership a trustee for each new zone to serve as trustee until that incumbent trustee's term expires. If the current board membership includes two (2) or more incumbent trustees who reside in the same trustee zone, then the following applies:

(a) The position on the board held by the trustee with the greatest amount of time remaining in such trustee's term shall be the position on the board designated to the zone wherein such trustee resides.

(b) If there is no difference in the amount of time remaining in the incumbents' terms, then the position on the board held by the most senior trustee shall be designated to the zone wherein such trustee resides.

(c) If there is no difference in seniority among the incumbents, then a majority vote of the sitting board, excluding the incumbents subject to the vote, shall determine which incumbent trustee shall be designated to the zone wherein such trustees reside and the remaining trustee or trustees shall be designated to the position or positions on the board in the zone or zones wherein no incumbent trustee resides.

(6) Any incumbent trustee whose position on the board has been designated to a zone other than the zone in which such trustee resides may complete their term; however, when the position is next scheduled to be placed on the ballot, only persons residing in the zone to which the position has been designated shall be eligible to run for the position.

(7) Notwithstanding the time requirements set forth in this section, on or before July 1, 2016, the board of trustees of each community college district formed before the effective date of this act shall obtain a state board of education-approved proposal to divide the district into five (5) trustee zones. Trustee terms due for the 2016 election shall be subject to the zoning and board position requirements set forth in this section. (History: S.L. 2016, Ch. 193)

33-2105. ADDITION OF TERRITORY TO COMMUNITY COLLEGE DISTRICTS. Any territory not in an existing community college district may become a part of a community college district by a vote of the school district electors resident of said territory, voting at an election called and held as herein provided.

A petition signed by not less than one hundred (100) school district electors of the territory proposed to be added to the community college district, or twenty percent (20%) of the school district electors within the territory, whichever is the lesser, describing the boundaries of the territory, and a true copy thereof, shall be filed with the board of trustees of the community college district. The board shall forward the original of said petition, with its recommendations, to the state board of education, and a copy thereof to the board of county commissioners of the home county of the community college district. The state board of education shall consider such petition, as it is required to consider a petition for the formation of a community college district. If it approve the petition, notice to that effect shall be given the board of trustees of the community college district and to the board of county commissioners of the home county of the community college district.

When any such petition has been approved by the state board of education, an election shall be held

Community College District Elections Selected Code Sections

in the manner of elections for the creation of a community college district, except that polling places shall be established only in the territory proposed to be added to the district. The question shall be deemed approved only if a majority of the votes cast in the territory were cast in favor of the proposal, and if this be the case, the territory shall be part of said community college district with all the force and effect as though said territory had been originally included in said community college district at the time of its original organization.

Notices to and by boards of county commissioners and to the state board of education shall be as provided in section 33-2104, Idaho Code. The state board of education shall notify the state liquor division that such territory has become a part of the community college district. (History: S.L. 1963, Ch. 363; S.L. 2009, Ch. 23)

If a community college district is situated within two (2) or more counties, and any one (1) of the counties has a sufficient population to warrant at least one (1) zone, then the boundaries of a trustee zone shall be located wholly within the boundaries of such county. The state board shall also appoint the members of the first board who shall serve until the election and qualification of their successors.

(b) At the first election of trustees after the creation of a district, five (5) trustees shall be elected: two (2) for terms of two (2) years each, and three (3) for terms of four (4) years each. Thereafter the successors of persons so elected shall be elected for terms of four (4) years.

Vacancies on the board of trustees shall be filled by appointment by the remaining members, but if by reason of vacancies there remain on the board less than a majority of the required number of members, appointment to fill such vacancies shall be made by the state board of education. The trustees shall take and subscribe the oath of office required in the case of state officers and said oath shall be filed with the secretary of state.

(3) Notice of the election, the conduct thereof, the qualification of electors and the canvass of returns shall be as prescribed in chapter 14, title 34, Idaho Code.

An individual shall be a candidate for a specific position of the board and each candidate must declare which position he seeks on the board of trustees. Any report or filing required to be filed by or for a candidate by such sections of Idaho Code shall be filed with the county clerk of the county where such candidate resides.

(8) The board shall set a given day of a given week in each month as its regular meeting time. Three (3) members of the board shall constitute a quorum for the transaction of official business.

(9) The authority of trustees of community college districts shall be limited in the manner prescribed in section 33-507, Idaho Code.

Chapter 3 - School Districts

33-308. EXCISION AND ANNEXATION OF TERRITORY. (1) A board of trustees of any school district including a specially chartered school district, or one-fourth (1/4) or more of the school district electors, residing in an area of not more than fifty (50) square miles within which there is no schoolhouse or facility necessary for the operation of a school district, may petition in writing proposing the annexation of the area to another and contiguous school district.

(2) Such petition shall be in duplicate, one (1) copy of which shall be presented to the board of trustees of the district from which the area is proposed to be excised, and the other to the board of trustees of the district to which the area is proposed to be annexed. The petition shall contain:

- (a) The names and addresses of the petitioners;
- (b) A legal description of the area proposed to be excised from one (1) district and annexed to another contiguous district. Such legal description shall be prepared by a licensed attorney, licensed professional land surveyor or licensed professional engineer professionally trained and experienced in legal descriptions of real property;
- (c) Maps showing the boundaries of the districts as they presently appear and as they would appear should the excision and annexation be approved;
- (d) The names of the school districts from and to which the area is proposed to be excised and annexed;

**Education Elections
Selected Code Sections**

(e) A description of reasons for which the petition is being submitted; and

(f) An estimate of the number of children residing in the area described in the petition.

(3) The board of trustees of each school district, no later than ten (10) days after its first regular meeting held subsequent to receipt of the petition, shall transmit the petition, with recommendations, to the state department of education.

(4) The state board of education shall approve the proposal provided:

(a) The excision and annexation is in the best interests of the children residing in the area described in the petition; and

(b) The excision of the territory, as proposed, would not leave a school district with a bonded debt in excess of the limit then prescribed by law.

If either condition is not met, the state board shall disapprove the proposal. The approval or disapproval shall be expressed in writing to the board of trustees of each school district named in the petition.

(5) If the state board of education shall approve the proposal, it shall be submitted to the school district electors residing in the area described in the petition, at an election held in the manner provided in chapter 14, title 34, Idaho Code. Such election shall be held on the date authorized in section 34-106, Idaho Code, which is nearest to sixty (60) days after the state board approves the proposal.

(6) At the election there shall be submitted to the electors having the qualifications of electors in a school district bond election and residing in the area proposed to be annexed:

(a) The question of whether the area described in the petition shall be excised from school district no. () and annexed to contiguous school district no. (); and

(b) The question of assumption of the appropriate proportion of any bonded debt, and the interest thereon, of the proposed annexing school district.

(7) If a majority of the school district electors in the area described in the petition, voting in the election, shall vote in favor of the proposal to excise and annex the said area, and if in the area the electors voting on the question of the assumption of bonded debt and interest have approved such assumption by the proportion of votes cast as is required by section 3, article VIII, of the constitution of the state of Idaho, the proposal shall carry and be approved. Otherwise, it shall fail.

(8) If the proposal shall be approved by the electors in the manner prescribed, the board of canvassers shall thereupon promptly notify the state department of education and the affected school districts of such results. The superintendent of public instruction shall make an appropriate order for the boundaries of the affected school districts to be altered, and the legal descriptions of the school districts shall be altered, as prescribed in section 33-307, Idaho Code. (History: S.L.1963, Ch. 13; S.L. 1998, Ch. 244; S.L. 2009, Ch. 107; S.L. 2009, Ch. 341; S.L. 2010, Ch. 215)

33-310. CONSOLIDATION OF SCHOOL DISTRICTS. The boards of trustees of two (2) or more contiguous school districts may submit to the state board of education a plan for the consolidation of their districts into a single new district.

The plan shall contain as a minimum the following, and in addition any other information required by the state board of education:

(1) A map or maps showing the boundaries of the proposed new district, the boundaries of the component consolidating districts, the location of existing schoolhouses or other facilities of the component districts, the proposed trustee zones, and the proposed transportation routes if any;

(2) A legal description of the boundaries of the proposed new school district and of the trustee zones proposed, with estimates of the population in each such zone;

(3) The assessed value of taxable property of each component consolidating district and of the entire proposed new district;

(4) Outstanding general obligation bonds of any component consolidating district, sinking funds accumulated, and estimated proceeds of sinking fund levies in process of collection;

Education Elections Selected Code Sections

(5) Whether any component district has established a plant facilities reserve fund, and if so the amount on hand in such fund, the obligations against the fund, and the levy being made for such fund together with estimate of the proceeds of such levy in process of collection;

(6) The amount of any outstanding and unpaid bonds that will become the obligation of the subdistricts, pursuant to section 33-311, Idaho Code, after the application of any plant facility reserve funds, pursuant to section 33-901, Idaho Code. The plan shall also show for each subdistrict the estimated amount of state subsidies to be received, the estimated bond levy rate and the year in which the last levy will be made;

(7) If a joint district, the designation of the home county;

(8) The official name and number of the proposed new district; and

(9) How the property, real and personal, of former districts shall vest in the new district.

Before submitting any proposal for consolidating school districts to the state board of education, the board of trustees of each proposing district shall first call and cause to be held, within said district, a hearing on the proposal. Notice of the time and place of such hearing shall be given, by each such district, by two (2) publications in a newspaper of general circulation in the district, the first and last publications being not less than six (6) days apart.

At such hearings, any school district elector or taxpayer of the district may appear and be heard, and may request any information from the board of trustees, concerning the proposed consolidation. Records of the hearings shall be entered in the minutes of each board of trustees and shall be included with the plan of proposed consolidation if and when it is submitted to the state board of education.

Following any hearing, it shall be within the discretion of the board of trustees of any proposing district whether it shall further proceed in the plan for consolidating the districts. (History: S.L. 1963, Ch. 13; S.L. 2007, Ch. 79)

33-310A. CONSOLIDATION OF CONTIGUOUS SCHOOL DISTRICTS. In addition to the procedure contained in section 33-310, Idaho Code:

A. five per cent (5%) or more of the registered voters from each of two (2) or more contiguous school districts, when such districts coincide with election precincts, or,

B. a number of registered voters equal to fifteen per cent (15%) or more of the aggregate number of votes cast at the last three (3) elections for school trustees in each of the school districts, may petition in writing proposing the consolidation of their districts into a single new district. One (1) copy of such petition shall be presented to the board of trustees of each district included in the proposed consolidation. The petition shall contain:

1. The names and addresses of the petitioners;

2. A map or maps showing the boundaries of the proposed new district, the boundaries of the component consolidating districts, the location of existing schoolhouses or other facilities of the component districts, the proposed trustee zones, and the proposed transportation routes, if any.

When the petitions are received by the boards of trustees, the provisions of section 33-310, Idaho Code, shall become mandatory upon the boards so affected. The petitioners shall have the right to cooperate in the formulation of the proposed consolidated school district with the board of trustees of each school district affected thereby. The provisions of section 33-310, Idaho Code, shall be complied with and the proposed consolidation together with the testimony given at the public hearings shall be submitted to the state board of education within three (3) months after the first meeting of the combined boards and the petitioners. The first meeting of the combined boards and the petitioners shall be within fifteen (15) days after the petitions are submitted by the petitioners. (History: S.L. 1970, Ch. 86)

33-310B. FEASIBILITY STUDY AND PLAN FOR CONSOLIDATION. All school districts operating one (1) or more high schools may conduct a feasibility study and prepare a plan for school consolidation, which may also include school district consolidation. The cost of such feasibility studies and plans shall be reimbursed at an amount not to exceed ten thousand dollars (\$10,000) per each school district that proposes to consolidate, in accordance with rules promulgated by the state board of education. The state board of education shall review and act upon all plans for school consolidation. (History: S.L. 1989, Ch. 296; S.L. 1998, Ch. 88; S.L. 2007, Ch.79)

33-311. PLAN OF CONSOLIDATION SUBMITTED TO ELECTORS. The state board of education may approve or disapprove any plan proposing consolidation, and if it approves the same the department of education shall give notice thereof to the board of trustees of each school district proposing to consolidate and to the board of county commissioners in each county in which the proposed consolidated district would lie. Notice to the board of county commissioners shall include the legal description of the boundaries of the proposed consolidated district and a brief statement of the approved proposal, and shall be accompanied by a map of the proposed consolidated district.

Not more than ten (10) days after receiving the notice from the state department of education, each board of county commissioners receiving such notice shall enter the order calling for an election on the question of approving or disapproving, and shall cause notice of such election to be published. The notice shall be published, the election shall be held and conducted and its results canvassed, in the manner and form of title 34, Idaho Code.

If the qualified school electors of any one (1) district proposing to consolidate, and voting in the election, shall constitute a majority of all such electors voting in the entire area of the proposed consolidated district, the proposed consolidation shall not be approved unless a majority of such electors in such district, voting in the election, and a majority of such electors in each of the remaining districts, voting in the election, shall approve the proposed consolidation.

If the qualified school electors in no one (1) of the districts proposing to consolidate, and voting in the election, constitute a majority of all such electors voting in the entire area of the proposed consolidated district, the proposed consolidation shall not be approved unless a majority of all such electors in each district, voting in the election, shall approve the proposed consolidation.

In any plan of consolidation the existing bonded debt of any district or districts proposing to consolidate, shall not become the obligation of the proposed consolidated school district. The debt or debts shall remain an obligation of the property within the districts proposing the consolidation. Upon voter approval of the proposed consolidation, the districts proposing to consolidate shall become subdistricts of the new district as if they had been created under the provisions of section 33-351, Idaho Code. The subdistricts shall be called bond redemption subdistricts. The powers and duties of such bond redemption subdistricts shall not include authority to incur new indebtedness within the subdistricts.

When a consolidation is approved, as hereinabove prescribed, a new school district is thereby created. The board of canvassers shall thereupon promptly notify the state department of education and the affected school districts of such result. The superintendent of public instruction shall make an appropriate order showing the creation of the district, a legal description of its boundaries, and the legal descriptions of the boundaries of the affected school districts as prescribed in section 33-308, Idaho Code. (History: S.L. 1963, Ch. 13; S.L. 1985, Ch. 237; S.L. 1989, Ch. 296; S.L. 2009, Ch. 107; S.L. 2009, Ch. 341)

33-312. DIVISION OF SCHOOL DISTRICT. A school district may be divided so as to form not more than two (2) districts each of which must have contiguous boundaries, in the manner hereinafter provided, except that any district which operates and maintains a secondary school or schools shall not be divided unless the two (2) districts created out of the division shall each operate and maintain a secondary school or schools immediately following such division.

Education Elections Selected Code Sections

A proposal to divide a school district may be initiated by its board of trustees and submitted to the state department of education. Such proposal shall contain all of the information required in a proposal to consolidate school districts as may be relevant to a proposal to divide a school district. It shall also show the manner in which it is proposed to divide or apportion the property and liabilities of the district, the names and numbers of the proposed new districts, and legal description of the proposed trustee zones.

Before submitting any proposal to divide a school district, the board of trustees shall hold a hearing or hearings on the proposal within the district. Notice of such hearing or hearings shall be posted by the clerk of the board of trustees in not less than three (3) public places within the district, one (1) of which places shall be at or near the main door of the administrative offices of the school district, for not less than ten (10) days before the date of such hearing or hearings.

The department of education shall present any such proposal to the state board of education, which may approve or disapprove the proposal, and the department of education shall give notice thereof in the manner of a proposal to consolidate school districts; except, that the state board of education shall not approve any proposal which would result in a district to be created by the division having or assuming a bonded debt in an amount exceeding the limitations imposed by law, or which would leave the area of any city in more than one (1) school district.

If the state board of education shall approve the proposal to divide the district, notice of the election shall be published and the election shall be held subject to the provisions of section 34-106, Idaho Code. The election shall be conducted, and the ballots shall be canvassed, according to the provisions of title 34, Idaho Code. The division shall be approved only if a majority of all votes cast at said special election by the school district electors residing within the entire existing school district and voting in the election are in favor of the division of such district, and a majority of all votes cast at said special election by the qualified voters within that portion of the proposed new district having a minority of the number of qualified voters, such portion to be determined by the number of votes cast in each area which is a contemplated new district, are in favor of the division of the district, and upon such approval two (2) new school districts shall be thereby created. The organization and division of all school districts which have divided since June 30, 1963, are hereby validated.

If the division is approved, as herein provided, two (2) new school districts are thereby created. The board of canvassers shall thereupon promptly notify the state department of education and the affected school districts of such result. The superintendent of public instruction shall make an appropriate order showing the creation of the districts and a legal description of the boundaries, and the legal descriptions of the affected school districts shall be altered, as prescribed in section 33-307, Idaho Code. (History: S.L. 1963, Ch. 13; S.L. 1963, Ch. 175; S.L. 1965, Ch. 272; S.L. 1969, Ch. 152; S.L. 2009, Ch. 107; S.L. 2009, Ch. 341, S.L. 2011, Ch. 151)

33-313. TRUSTEE ZONES. (1) Each elementary school district shall be divided into three (3) trustee zones and each other school district shall be divided into no fewer than five (5) nor more than nine (9) trustee zones according to the provisions of section 33-501, Idaho Code. A school district that has had a change in its district boundaries because of consolidation on and after January 1, 2008, shall divide trustee zones so that each former district in the new district shall not be split into different trustee zones, unless the provisions of subsection (2) of this section cannot be satisfied.

(2) Any proposal to define the boundaries of the several trustee zones in each such school district shall include the determination, where appropriate, of the number of trustee zones in such district, and the date of expiration of the term of office for each trustee. The boundaries of the several trustee zones in each such school district shall be defined and drawn so that, as reasonably as may be, each such zone shall have approximately the same population.

(3) Whenever the area of any district has been enlarged by the annexation of all or any part of another district, or by the correction of errors in the legal description of school district boundaries, any such

Education Elections Selected Code Sections

additional territory shall be included in the trustee zone or zones contiguous to such additional territory until such time as the trustee zones may be redefined and changed. Trustee zones may be redefined and changed not more than once every five (5) years in the manner hereinafter provided.

(4) A proposal to redefine and change trustee zones of any district may be initiated by its board of trustees and shall be initiated by its board of trustees at the first meeting following the report of the decennial census, and submitted to the state board of education, or by petition signed by not less than fifty (50) school electors residing in the district, and presented to the board of trustees of the district. Within one hundred twenty (120) days following the decennial census or the receipt of a petition to redefine and change the trustee zones of a district the board of trustees shall prepare a proposal for a change which will equalize the population in each zone in the district and shall submit the proposal to the state board of education. Any proposal shall include a legal description of each trustee zone as the same would appear as proposed, a map of the district showing how each trustee zone would then appear, and the approximate population each would then have, should the proposal to change any trustee zones become effective.

(5) Within sixty (60) days after it has received the said proposal the state board of education may approve or disapprove the proposal to redefine and change trustee zones and shall give notice thereof in writing to the board of trustees of the district wherein the change is proposed. Should the state board of education disapprove a proposal, the board of trustees shall, within forty-five (45) days, submit a revised proposal to the state board of education. Should the state board of education approve the proposal, it shall notify the school district, the trustee zones shall be changed in accordance with the proposal and a copy of the legal description of each trustee zone and map of the district showing how each trustee zone will appear shall be filed by the school district with the county clerk.

(6) At the next regular meeting of the board of trustees following the approval of the proposal the board shall appoint from its membership a trustee for each new zone to serve as trustee until that incumbent trustee's term expires. If the current board membership includes two (2) incumbent trustees from the same new trustee zone, the board will select the incumbent trustee with the most seniority as a trustee to serve the remainder of his term. If both incumbent trustees have equal seniority, the board will choose one (1) of the trustees by the drawing of lots. If there is a trustee vacancy in any of the new zones, the board of trustees shall appoint from the patrons resident in that new trustee zone, a person from that zone to serve as trustee until the next annual meeting. At the annual election a trustee shall be elected to serve during the term specified in the election for the zone. The elected trustee shall assume office at the annual meeting of the school district next following the election. (History: S.L. 1963, Ch. 13; S.L. 1967, Ch. 403; S.L. 1969, Ch. 412; S.L. 1973, Ch. 125; S.L. 1979, Ch. 271; S.L. 1984, Ch. 94; S.L. 1989, Ch. 121; S.L. 1990, Ch. 31; S.L. 1994, Ch. 182; S.L. 2001, Ch. 163; S.L. 2008, Ch. 351; S.L. 2009, Ch. 341; S.L. 2014, Ch. 162)

33-317. COOPERATIVE SERVICE AGENCY — POWERS — DUTIES — LIMITATIONS. (1) Two (2) or more school districts may join together for educational purposes to form a service agency to purchase materials and/or provide services for use individually or in combination. The cooperative service agency thus formed shall be empowered to adopt bylaws, and act as a body corporate and politic with such powers as are assigned through its bylaws but limited to the powers and duties of local school districts. In its corporate capacity, this agency may sue and be sued and may acquire, hold and convey real and personal property necessary to its existence. The employees of the service agency shall be extended the same general rights, privileges and responsibilities as comparable employees of a school district. The cooperative service agency may elect to be its own fiscal agent for the purposes of providing an alternative school program, with the concurrence of the school districts for which it provides such services. In doing so the educational support program payments made pursuant to section 33-1002, Idaho Code, that would have been distributed to the school district acting as the fiscal agent, shall instead be distributed to

Education Elections Selected Code Sections

the cooperative service agency.

(2) A properly constituted cooperative service agency may request from its member school districts funding to be furnished by a tax levy not to exceed one-tenth of one percent (.1%) for a period not to exceed ten (10) years by such member school districts. Such levy must be authorized by an election held subject to the provisions of section 34-106, Idaho Code, and be conducted in each of the school districts pursuant to chapter 14, title 34, Idaho Code, and approved by a majority of the district electors voting in such election. Moneys received by the member school districts from this source shall be transferred to the cooperative service agency upon receipt of billing from the agency. Excess revenue over billing must be kept in a designated account by the district, with accrued interest, and may only be spent as budgeted by the agency.

(3) For the purpose of constructing and maintaining facilities of a cooperative service agency, in addition to the levy authorized in subsection (2) of this section, a properly constituted cooperative service agency may request from its member school districts additional funding to be furnished by a tax levy not to exceed four-tenths of one percent (.4%) for a period not to exceed ten (10) years. Such levy must be authorized by an election held subject to the provisions of section 34-106, Idaho Code, and be conducted in each of the school districts pursuant to chapter 14, title 34, Idaho Code, and approved by sixty-six and two-thirds percent (66 2/3%) of the district electors voting in such election. If one (1) or more of the member districts fails to approve the tax levy in such election, the cooperative service agency may construct the facility through the support of the member districts approving the levy, but in no event shall the levy limits authorized in this subsection (3) be exceeded. Nothing shall prevent a member district that initially failed to approve the levy from conducting a subsequent election, held pursuant to section 34-106, Idaho Code, to authorize that district's participation in construction of the facility. Electors of the districts may approve continuation of such levy for an additional ten (10) years at an election held for that purpose. There is no limit on the number of elections which may be held for the purpose of continuing the levy authorized under this subsection (3) for an additional ten (10) years. The administration and accounting of moneys received by imposition of the levy shall be the same as provided in subsection (2) of this section. (History: S.L. 1967, Ch. 362; S.L. 1972, Ch. 105; S.L. 1985, Ch. 107; S.L. 1989, Ch. 17; S.L. 1991, Ch. 111; S.L. 2006, Ch. 306; S.L. 2008, Ch. 104; S.L. 2009, Ch. 220; S.L. 2009, Ch. 227; S.L. 2009, Ch. 341)

33-354. INDEBTEDNESS — BOND ISSUES. School subdistricts may incur debt and issue bonds for the same purposes as set forth in section 33-1102, Idaho Code. The governing body of a school subdistrict may submit to the qualified electors of the school subdistrict the question of whether the governing body of the school subdistrict shall be empowered to issue negotiable bonds of the school subdistrict in an amount and for a period of time to be named in the notice of election. Notice of the bond election shall be given, the election shall be conducted and the returns thereof canvassed and the qualifications of electors voting or offering to vote shall be as provided in title 34, Idaho Code. The question of the issuance of such bonds shall be approved only if the percentage of votes cast at such election were cast in favor thereof as that which is now, or may hereafter be, set by the constitution of the state of Idaho. All such bonds shall be authorized, issued and sold pursuant to the provisions of sections 33-1107 through 33-1121, Idaho Code. No bonds of a school subdistrict may be issued, however, if the issuance of such bonds would cause the percentage of market value for assessment purposes of taxable property within the boundaries of the school subdistrict represented by the aggregate outstanding indebtedness of the school subdistrict, when added to the percentage of the assessed valuation of taxable property represented by the aggregate outstanding indebtedness of the school district within which the school subdistrict lies, to exceed five percent (5%). As used in the preceding sentence hereof, "market value for assessment purposes," "aggregate outstanding indebtedness" and "issuance" shall have the same meanings as set forth in section 33-1103, Idaho Code. Upon the approval of the issuance of such bonds,

Education Elections ***Selected Code Sections***

the same may be issued by the governing body of the school subdistrict on behalf of the school subdistrict at any time within two (2) years from the date of such election. Wherever in title 34, Idaho Code, and in sections 33-1107 through 33-1121, Idaho Code, reference is made to “school district”; for purposes of this chapter it shall be deemed to refer to school subdistricts. (History: S.L. 1986, Ch. 61; S.L. 2009, Ch. 341; S.L. 2013, Ch. 183; S.L. 2014, Ch. 260)

33-355. LEVY FOR PLANT FACILITIES RESERVE FUND — ELECTIONS. The governing body of a school subdistrict may call an election in the school subdistrict, pursuant to the provisions of section 33-804, Idaho Code, for the purpose of submitting to the qualified school electors of the school subdistrict the question of a levy by a school subdistrict of a school plant facilities reserve fund tax. (History: S.L. 1986, Ch. 61)

Title 33 - Education Chapter 4 - School Elections

33-401. LEGISLATIVE INTENT. The legislature finds that a comprehensive and integrated statutory scheme for the conduct of school elections is critical to the public’s understanding of and confidence in the public school election system. It is therefore the intent of the legislature that the provisions of title 18, Idaho Code, and the provisions of title 34, Idaho Code, shall be fully applicable and shall govern all school elections. All school elections shall be administered by the clerk of the county wherein the district lies. Elections in a joint school district shall be conducted jointly by the clerks of the respective counties, and the clerk of the home county shall exercise such powers as are necessary to coordinate the election. (History: S.L.1982, Ch. 60; S.L. 2009, Ch. 341)

33-402. NOTICE REQUIREMENTS. (1) Notice of annual meeting of elementary school districts as provided for in section 33-510, Idaho Code, and of intent to discontinue a school, as provided for in section 33-511, Idaho Code, and annual budget hearing as provided for in section 33-801, Idaho Code, shall be given by posting (2) for not less than ten (10) days, and publishing once in a newspaper as provided in section 60-106, Idaho Code, published within the district, or, if there be none, then in a newspaper as provided in section 60-106, Idaho Code, published in the county in which such district lies. If three (3) or more districts consolidated, three (3) members shall serve until the annual election of trustees next following; three (3) members shall serve until the annual election the following year; and one (1) member appointed by the other six (6) members shall serve until the annual election in the year after that. If the number of merged districts is greater than three (3), the superintendent of public instruction shall appoint as equally as possible from trustees of the previous districts so that each district, if possible, has representation on the consolidated district's board of trustees. The superintendent shall stagger the terms of his appointments so that an equal number of appointees' terms expire annually and those trustees shall sit for election. Thereafter, all trustees who are elected shall serve terms as provided in section 33-501, Idaho Code, for a board of trustees of a school district. The board of trustees shall report the names of said trustees to the state board of education. Title 33 - Education Chapter 8 - Budget and Tax Levy

33-802. SCHOOL LEVIES. Any tax levied for school purposes shall be a lien on the property against which the tax is levied. The board of trustees shall determine the levies upon each dollar of taxable property in the district for the ensuing fiscal year as follows:

(1) Bond, Interest and Judgment Obligation Levies. Such levies as shall be required to satisfy all maturing bond, bond interest, and judgment obligations.

(2) Budget Stabilization Levies. School districts not receiving state equalization funds in fiscal year 2006 may authorize a budget stabilization levy for calendar year 2006 and each year thereafter. Such levies shall not exceed the difference between the amount of equalized funds that the state department of education estimates the school district will receive in fiscal year 2007, based on the school district's fiscal year 2006 reporting data, and the combined amount of money the school district would have received from its maintenance and operation levy and state property tax replacement funds in fiscal year 2007 under the laws of the state of Idaho as they existed prior to amendment by the first extraordinary session of the fifty-eighth Idaho legislature. The state department of education shall notify the state tax commission and affected counties and school districts of the maximum levy amounts permitted, by no later than September 1, 2006.

(3) Supplemental Maintenance and Operation Levies. No levy in excess of the levy permitted by this section shall be made by a noncharter district unless such a supplemental levy in a specified amount and for a specified time not to exceed two (2) years be first authorized through an election held subject to the provisions of section 34-106, Idaho Code, and pursuant to title 34, Idaho Code, and approved by a majority of the district electors voting in such election. A levy approved pursuant to this subsection may be reduced by a majority vote of the board of trustees in the second year.

(4) Charter District Supplemental Maintenance and Operation. Levies pursuant to the respective charter of any such charter district shall be first authorized through an election held subject to the provisions of section 34-106, Idaho Code, and pursuant to title 34, Idaho Code, and approved by a majority of the district electors voting in such election.

(5) The board of trustees of any school district that has, for at least seven (7) consecutive years, been authorized through an election held to certify a supplemental levy that has annually been equal to or greater than twenty percent (20%) of the total general maintenance and operation fund, may submit the question of an indefinite term supplemental levy to the electors of the school district. Such question shall clearly state the dollar amount that will be certified annually and that the levy will be for an indefinite number of years. The question must be approved by a majority of the district electors voting on the question in an election held subject to the provisions of section 34-106, Idaho Code, and pursuant to title 34, Idaho Code. The levy approved pursuant to this subsection may be reduced by a majority vote of the board of trustees during any fiscal year.

(6) A charter district may levy for maintenance and operations if such authority is contained within its charter. In the event property within a charter district's boundaries is contained in a revenue allocation

area established under chapter 29, title 50, Idaho Code, and such revenue allocation area has given notice of termination thereunder, then, only for the purpose of determining the levy described in this subsection, the district may add the increment value, as defined in section 50-2903, Idaho Code, to the actual or adjusted market value for assessment purposes of the district as such value existed on December 31 of the previous year. (History: S.L. 1963, Ch. 13; S.L. 1963, Ch. 422; S.L. 1970, Ch. 61; S.L. 1973, Ch. 296; S.L. 1979, Ch. 254; S.L. 1980, Ch. 390; S.L. 1981, Ch. 224; S.L. 1983, Ch. 235; S.L. 1987, Ch. 52; S.L. 1987, Ch. 273; S.L. 1988, Ch. 344; S.L. 1989, Ch. 8; S.L. 1991, Ch. 313; S.L. 1995, Ch. 26; S.L. 1996, Ch. 322; S.L. 2005, Ch. 191; S.L. 2006, Ch. 1; S.L. 2009, Ch. 341)

33-803. LEVY FOR EDUCATION OF CHILDREN OF MIGRATORY FARM WORKERS. In any school district in which there is located any farm labor camp and the children of migratory farm workers housed therein attend the schools of the district, the board of trustees may make a levy not exceeding one-tenth of one percent (.1%) of the market value for assessment purposes on all taxable property within the district, in addition to any other levies authorized by law, for the cost of educating such children.

Whenever the aggregate of the levy herein authorized and other levies made for maintenance and operation of the district shall exceed six-tenths of one percent (.6%) of the market value for assessment purposes on all taxable property within the district, the levy authorized by this section must be approved by the school district electors at a tax levy election held for that purpose. Notice of such election shall be given, the election shall be conducted, and the returns thereof made, as provided in title 34, Idaho Code; and the question shall be approved only if a majority of the qualified electors voting at such election vote in favor thereof. (History: S.L. 1963, Ch. 13; S.L. 1995, Ch. 82; S.L. 2009, Ch. 341)

33-804. SCHOOL PLANT FACILITIES RESERVE FUND LEVY. In any school district in which a school plant facilities reserve fund has been created, either by resolution of the board of trustees or by apportionment to new districts according to the provisions of section 33-901, Idaho Code, to provide funds therefor the board of trustees shall submit to the qualified school electors of the district the question of a levy not to exceed four-tenths of one percent (.4%) of market value for assessment purposes in each year, as such valuation existed on December 31 of the previous year, for a period not to exceed ten (10) years.

The question of a levy to be submitted to the electors of the district and the notice of such election shall state the dollar amount proposed to be collected each year during the period of years in each of which the collection is proposed to be made, the percentage of votes in favor of the proposal which are needed to approve the proposed dollar amount to be collected, and the purposes for which such funds shall be used. Said notice shall be given, the election shall be held subject to the provisions of section 34-106, Idaho Code, and conducted and the returns canvassed as provided in title 34, Idaho Code; and the dollar amount to be collected shall be approved only if:

1. Fifty-five percent (55%) of the electors voting in such election are in favor thereof if the levy will result in a total levy for school plant facilities and bonded indebtedness of less than two-tenths of one percent (.2%) of market value for assessment purposes as such valuation existed on December 31 of the year immediately preceding the election;

2. Sixty percent (60%) of the electors voting in such election are in favor thereof if the levy will result in a total levy for school plant facilities and bonded indebtedness of two-tenths of one percent (.2%) or more and less than three-tenths of one percent (.3%) of market value for assessment purposes as such valuation existed on December 31 of the year immediately preceding the election; or

3. Two-thirds (2/3) of the electors voting in such election are in favor thereof if the levy will result in a total levy for school plant facilities and bonded indebtedness of three-tenths of one percent (.3%) or more of market value for assessment purposes as such valuation existed on December 31 of the year immediately preceding the election.

Education Elections Selected Code Sections

If the question be approved, the board of trustees may make a levy, not to exceed four-tenths of one percent (.4%) of market value for assessment purposes as such valuation existed on December 31 of the previous year, in each year for which the collection was approved, sufficient to collect the dollar amount approved and may again submit the question at the expiration of the period of such levy, for the dollar amount to be collected during each year, and the number of years which the board may at that time determine. Or, during the period approved at any such election, if such period be less than ten (10) years or the levy be less than four-tenths of one percent (.4%) of market value for assessment purposes as such valuation existed on December 31 of the previous year, the board of trustees may submit to the qualified school electors in the same manner as before, the question whether the number of years, or the levy, or both, be increased, but not to exceed the maximum herein authorized. If such increase or increases be approved by the electors, the terms of such levy shall be in lieu of those approved in the first instance, but disapproval shall not affect any terms theretofore in effect.

Any bonded indebtedness incurred in accordance with the provisions of section 33-1103, Idaho Code, subsequent to the approval of a plant facilities reserve fund levy shall not affect the terms of that levy for any time during which such levy is in effect.

4. In any fiscal year in which the state department of education certifies that the statewide per support unit funding for salary-based apportionment and discretionary funds has decreased, in the aggregate, from the prior fiscal year, the board of trustees of any school district with a previously approved plant facilities levy may submit to the qualified electors of the school district the question of converting a previously approved plant facilities levy to a supplemental levy, subject to the following:

(a) The term of the supplemental levy shall not exceed the lesser of two (2) years or the remaining term on the previously approved plant facilities levy; and

(b) The first tax year of conversion shall be the one in which the revenues collected will accrue to the fiscal year in which the state department of education certifies that the condition stated in subsection 4. of this section exists; and

(c) Up to one hundred percent (100%) of the previously approved plant facilities levy amount may be converted; and

(d) Conversion of a plant facilities levy to a supplemental levy shall not affect any other supplemental levy; and

(e) The question to be submitted to the electors of the district and the notice of such election shall state the dollar amount proposed to be converted each year, the number of years to be converted, the percentage of the plant facilities levy that is proposed for conversion, and the purposes for which such funds shall be used; and

(f) Prior to January 1, 2011, the election notice shall be given, the election shall be conducted and the returns canvassed as provided in chapter 4, title 33, Idaho Code. On and after January 1, 2011, the election notice shall be given, the election shall be held subject to the provisions of section 34-106, Idaho Code, and conducted and the returns canvassed as provided in title 34, Idaho Code; and

(g) The dollar amount to be converted and collected shall be approved only if a majority of the electors voting in the election are in favor; and

(h) Upon expiration of the term of conversion, the supplemental levy shall revert to the previously approved plant facilities levy for any approved years remaining on the balance of its term; and

(i) Any years in which a previously approved plant facilities levy is converted to a supplemental levy pursuant to this subsection shall count against the years for which the plant facilities levy was approved; and

(j) If a majority of the electors voting in the election fail to vote in favor, the previously approved plant facilities levy shall not be affected. contract by notifying the school district of contract approval or of recommended or required changes. A school district may appeal to the state board of education any changes the state superintendent requires, in which case the state board may, upon review, approve the contract without such changes.

(2) No contract shall be executed covering a period of time exceeding five (5) years. School districts shall advertise, bid and contract for all bus transportation service routes at a single time, and contract with the lowest responsible bidder or bidders meeting the specifications; provided that, one (1) time only, a school district may renew a contract with the current contractor if the board of trustees, after renegotiation with the contractor, determines that the terms are satisfactory to the district. The board of trustees may renew the contract for a term not to exceed five (5) years. Renewal of any contract pursuant to this section shall not be granted unless the provisions of this section were included, in a substantially conforming summary, within the bidding notice, published pursuant to section 33-601, Idaho Code, of the contract.

(3) Before entering into such contracts, the board of trustees shall invite bids by twice giving notice as provided in section 33-402[(2)](7), Idaho Code, and shall award the contract to the lowest responsible bidder. Fire Protection District Elections Frequently Asked Questions

When are fire protection district elections held?

Elections of commissioners of fire protection districts are held on the first Tuesday following the first Monday in November of each odd-numbered year. Bond, levy and other ballot question elections may be held on the third Tuesday in May or the Tuesday following the first Monday in November of any year. (31-1410, 34-106, Idaho Code)

How many commissioners are elected in a fire protection district and what are their terms of office?

Each fire protection district is divided into three (3) subdivisions, as nearly equal in population, area and mileage as practicable known as subdistricts 1, 2 and 3. A commissioner is elected from each subdistrict. Not more than one commissioner can be an elector from the same subdistrict. Each commissioner is elected on a district wide basis and serves a term of four (4) years. The terms of office are staggered. For commissioners whose offices expire in 2012 and in any even-numbered year, such commissioners shall remain in office until the next election in an odd-numbered year.

After creation of a fire protection district and appointment of its first board of commissioners, the board can vote to increase the size of the board to five (5) members. If it is elected to increase the size of the board, then the existing board also subdivides the district into five (5) subdistricts as nearly equal in population, area and mileage as practicable, known as subdistricts 1, 2, 3, 4 and 5.

Initial commissioner terms vary from 1 to 4 years after expansion. Thereafter, the term of all commissioners shall be 4 years. (31-1408, 31-1409, 31-1410, 31-1410A, Idaho Code)

How do I know if I'm eligible to vote in a fire protection district election?

You must be a qualified elector (i.e. registered voter) of the State of Idaho and a resident of the district. "Qualified elector" means any person who is eighteen (18) years of age, is a United States citizen and who has resided in this state and in the county at least thirty (30) days next preceding the election at which he desires to vote, and who is registered as required by law. The county clerk's election department or the clerk of the district can tell you if you are eligible to vote in district elections. (34-104, 34-1402, Idaho Code)

What are the requirements if I want to run for fire protection district commissioner?

Commissioner candidates must be electors residing within the fire protection district for at least one (1) year immediately preceding their elections.

Candidates for election as a fire protection district commissioner file nominating petitions which include the name of the candidate, the subdistrict that the candidate is running in and signatures of at least five (5) electors from the subdistrict.

The Declaration of Candidacy and Petition of Candidacy forms are available from and are filed with the clerk of the district. However, the forms are also available from the County Clerk's Election Office.

The nomination must be filed not later than 5:00 p.m. on the ninth Friday preceding the election for which the nomination is made in odd numbered years. The clerk of the district has seven (7) days following the filing to verify the qualifications of the nominee and certify that person is to be placed on the ballot. (31-1409, 34-1404, Idaho Code; see *Election Consolidation Calendar for dates*)

Who is responsible for administration of the election?

County clerks administer fire protection district elections in accordance with the provisions of Title 34, Chapter 14, Idaho Code.

The county clerk performs all necessary duties of the election official of a fire protection district including, but not limited to, publishing the notice of the filing deadline and the notice of the election, and preparation of the election calendar. (31-1410, 34-1401, Idaho Code)

Fire Protection District Elections Frequently Asked Questions

Are write-in candidates allowed?

Yes, but write-in candidates must file a declaration of intent in order for votes cast for them to be counted. This declaration of intent must be filed with the clerk of the district not less than forty-five (45) days before the election. The Declaration of Intent forms can be obtained from the clerk of the district or County Clerk's Election Office. *(34-1407, Idaho Code)*

What if only one candidate files?

If after the deadline for filing a declaration of intent as a write-in candidate, it appears that only one (1) qualified candidate has been nominated for a subdistrict to be filled, no election will be held for that subdistrict. The board of the fire protection district declares the candidate elected and the secretary or clerk of the district immediately makes and delivers a certificate of election to the candidate. *(31-1410, Idaho Code)*

Is absentee voting allowed?

Yes. Any registered elector of the fire protection district may vote by absentee ballot. Absentee ballots must be requested in writing from the county clerk. To request an absentee ballot to be mailed to the voter, the request must be received no later than 5 p.m. on the eleventh day before the election. In-person absentee voting is available in the County Clerk's Election Office until 5 p.m. on the Friday before the election. *(34-1002, 34-1408, Idaho Code)*

What hours are polling places open?

The polls open at 8:00 a.m. and remain open until all registered electors of that precinct have appeared and voted or until 8:00 p.m. of the same day, whichever comes first. However, the county clerk may, at his option, open the polls in his jurisdiction at 7:00 a.m. *(34-1409, Idaho Code)*

Can fire protection district commissioners be recalled?

Yes. The provisions and procedures to recall political subdivision elected officials are outlined in Title 34, Chapter 17, Idaho code. *(34-1701, Idaho Code)*

How are vacancies filled?

Any vacancy occurring in the office of the fire protection commissioner, other than by the expiration of the term of office, is filled by the fire protection board, within sixty (60) days of learning of the vacancy. When a vacancy occurs, the board shall direct the secretary to cause a notice of the vacancy to be published in at least one (1) issue of a newspaper of general circulation within the district. The notice must include the date and time of the meeting when the board will vote to fill the vacancy and the deadline for the qualified elector residents interested in being appointed to the position to submit a written request for appointment to the board. Appointee must be an elector and a resident within the district one (1) year prior to their appointment. Should the board fail to agree on an individual to fill the vacancy, all the interested persons who received the highest and equal number votes shall have their names placed in a container. The county commissioner with the most continuous length of service shall draw one (1) name from the container. The person whose name is drawn shall then be appointed to fill the vacancy. *(34-104, 31-1408, Idaho Code)*

31-1404. NOTICE OF HEARING. When such petition is presented to the board of county commissioners and filed in the office of the clerk of such board, the said board shall set a time for a hearing upon such petition, which time shall not be less than four (4) nor more than six (6) weeks, from the date of the presentation and filing of such petition. A notice of the time of such hearing shall be published by said board, once each week for three (3) successive weeks previous to the time set for such hearing, in a newspaper published within each county in which said district is to be situated. Said notice shall state that a fire protection district is proposed to be organized, giving the proposed boundaries thereof, and that any taxpayer within the proposed boundaries of such proposed district may on the date fixed for such hearing appear and offer any testimony pertaining to the organization of such district, the proposed boundaries thereof or the including or excluding of any real property therein or therefrom. After hearing and considering any and all testimony, if any such be interposed, the county commissioners shall thereupon make an order thereon either denying such petition or granting the same, with or without modification, and shall accordingly fix the boundaries of such proposed district in any order granting such petition. The boundaries so fixed shall be the boundaries of said district after its organization be completed as provided by this chapter, and a map showing the boundaries of such proposed district as finally fixed and determined by the board of county commissioners shall be prepared and filed in the office of the clerk of said board.

If the district is to be situated in two (2) or more counties, each board of county commissioners shall coordinate the hearing date and the publications of notice so that only one (1) hearing need be held. Unless otherwise agreed to by each board of county commissioners involved, the hearing shall be held in the county with the largest area to be included within the district, and the boards of county commissioners are hereby specifically authorized to act in a joint manner for such purposes. (History: S.L. 1943, Ch. 161; S.L. 1986, Ch. 137; S.L. 1996, Ch. 360)

31-1405. NOTICE OF ELECTION. After the county commissioners have made their order finally fixing and determining the boundaries of the proposed district, the clerk of the board of county commissioners shall cause to be published a notice of an election to be held, subject to the provisions of section 34-106, Idaho Code, in such proposed fire protection district for the purpose of determining whether or not the same shall be organized under the provisions of this chapter. Such notice shall plainly and clearly designate the boundaries of such proposed fire protection district, and shall state the name of the proposed district as designated in the petition and shall state that a map showing the boundaries of said district is on file in his office.

Such notice shall be published first not less than fifteen (15) days prior to the election, and a second publication not less than five (5) days prior to such election, in a newspaper published within the county aforesaid. Such notice shall require the electors to cast ballots which shall contain the words "... fire protection district, yes," or "... fire protection district, no" or words equivalent thereto. No person shall be entitled to vote at any election held under the provisions of this chapter unless he shall possess all the qualifications required of electors under the general laws of the state, and be a resident of the proposed district.

If the district is to be situated in two (2) or more counties, the boards of county commissioners shall provide that the election be held on the same day in each county. (History: S.L. 1943, Ch. 161; S.L. 1986, Ch. 137; S.L. 1995, Ch. 118; S.L. 2006, Ch. 318)

canvassed and declared by the board of county commissioners. (History: S.L. 1943, Ch. 161; S.L. 1982, Ch. 254; S.L. 1986, Ch. 137; S.L. 1995, Ch. 118; S.L. 2009, Ch. 341)

31-1407. CANVASS BY BOARD OF COMMISSIONERS — VALIDITY OF ORGANIZATION.

Immediately after any election for voting upon the organization of a fire protection district, the judges of said election shall forward the official results of said election to the clerk of said board of commissioners. The said board of commissioners shall meet within ten (10) days after said returns are received and shall proceed to canvass the votes cast at such election, and if, upon canvass, it shall appear that one-half (1/2) or more of said votes are “.... fire protection district, no,” then a record of that fact shall be duly entered upon the minutes of said board, and all proceedings in regard to the organization of said district shall be void. If, however, it shall appear upon such canvass, that more than one-half (1/2) of the votes cast are “.... fire protection district, yes,” the said board shall, by order entered on its minutes, declare such territory duly organized as a fire protection district under the name designated in the petition. After the election, the validity of the proceedings hereunder shall not be affected by any defect in the petition or in the number of qualifications of the signers thereof, and in no event shall any action be commenced or maintained or defense made affecting the validity of such organization after six (6) months from and after the making and entering of the order provided for in this section. Such board shall cause one (1) copy of such order, duly certified, to be filed for record in the office of the county recorder of the county in which said district is situated and shall transmit to the governor one (1) certified copy thereof.

From and after the date of such filing of said order of the board of county commissioners declaring such territory duly organized as a fire protection district, the organization of such district shall be complete.

If the district is to be situated in two (2) or more counties, the boards of county commissioners shall coordinate the canvass of the votes cast and make one (1) joint announcement. If a majority of the votes cast in any county are against the formation of the district, such rejection shall void the organization of the district in all counties. (History: S.L. 1943, Ch. 161; S.L. 1986, Ch. 137)

31-1408. FIRE PROTECTION BOARD — APPOINTMENT OF COMMISSIONERS — OATH.

(1) There shall be three (3) fire protection commissioners in each district, who shall constitute the fire protection board. The first fire protection commissioners of such fire protection district shall be appointed by the board of county commissioners. If the district is to be situated in two (2) or more counties, the boards of county commissioners from those counties shall coordinate a joint public meeting whereby the appointment shall be made by a majority of all county commissioners present at the joint public meeting. If the county commissioners cannot agree on the appointment of a commissioner, all the interested persons who received the highest and equal number of votes shall have their name placed in a container. The county commissioner with the most continuous length of service shall draw one (1) name from the container. The person whose name is drawn shall then be appointed to fill the vacancy. The certificate of such appointment shall be made in triplicate: one (1) certificate shall be filed in the office of the county recorder of the county, one (1) with the clerk of the board of county commissioners, and one (1) with the assessor and tax collector of the county. Every fire protection commissioner and appointed officer shall take and subscribe the official oath, which oath shall be filed in the office of the board of fire protection commissioners. If thirty-three percent (33%) of the area or population in the fire protection district is situated in two (2) or more counties, not more than two (2) of the appointed fire protection district commissioners shall be from the same county.

(2) The oath of office of fire protection commissioners and appointed officers shall be taken before the secretary or the president of the board of the fire protection district at the first regularly scheduled board meeting in January succeeding each general election. Provided however, in the event, for any reason, of an inability to appear for the taking of the oath, a duly elected fire protection commissioner may be

sworn in and may subscribe to the oath wherever he may be, provided he appear before an officer duly authorized to administer oaths, and provided further, that any person who is in any branch of the armed forces of the United States of America, may appear before any person qualified to administer oaths as prescribed in section 51-113, Idaho Code, and may take and subscribe the oath of office as provided for in section 59-401, Idaho Code, and the oath of office shall have the same force and effect as though it were taken before the secretary or the president of the fire protection district pursuant to this subsection. (History: S.L. 1943, Ch. 161; S.L. 1986, Ch. 137; S.L. 1998, Ch. 190; S.L. 2006, Ch. 318; S.L. 2010, Ch. 337; S.L. 2016, Ch. 89; S.L. 2017, Ch. 128 and 192)

31-1409. RESIDENCE QUALIFICATIONS OF COMMISSIONERS — TERM OF OFFICE — VACANCIES. (1) At the meeting of the board of county commissioners at which the fire protection district is declared organized, as provided by section 31-1407, Idaho Code, the county commissioners shall divide the fire protection district into three (3) subdivisions, as nearly equal in population, area and mileage as practicable, to be known as fire protection commissioners subdistricts one, two and three. Not more than one (1) of the fire protection district commissioners shall be a resident of the same fire protection subdistrict, except that any commissioner appointed by the board of county commissioners under section 31-1408, Idaho Code, shall not be disqualified from the completion of the initial term for which the commissioner was appointed because of the subdistrict in which the commissioner resides. The first commissioners appointed by the board of county commissioners shall serve until the next fire protection district election, at which time their successors shall be elected. The term of office for fire protection commissioners shall commence on the second Monday of January succeeding each general election. Commissioners appointed or elected must be electors residing within the fire protection district for at least one (1) year immediately preceding their appointment or election.

(2) Any fire protection commissioner vacancy occurring, other than by the expiration of the term of office, shall be filled by the fire protection board. If a duly elected or appointed fire protection commissioner resigns, withdraws, becomes disqualified, refuses or, without first providing signed written notice of a temporary vacancy, becomes otherwise unable to perform the duties of office for longer than ninety (90) days, the board, on satisfactory proof of the vacancy, shall declare the office vacant. The board shall fill any vacancies within sixty (60) days of learning of the vacancy. When a vacancy occurs, the board shall direct the secretary to cause a notice of the vacancy to be published in at least one (1) issue of a newspaper of general circulation within the district. The notice shall include the date and time of the meeting when the board will vote to fill the vacancy, and the deadline for qualified elector residents interested in being appointed to the position to submit a written request for appointment to the board. Should the remaining members of the board fail to agree on an individual to fill the vacancy, it shall select the individual by placing the names of all interested persons who received the highest and equal number of votes in a container. The fire commissioner with the most continuous length of service shall draw one (1) name from the container. The person whose name is drawn shall then be appointed to fill the vacancy.

(3) If more than fifty percent (50%) of the elected official seats on a fire protection district board of commissioners are vacant, any remaining member of the fire protection district board of commissioners, or any elector of the fire protection district, may petition the board of county commissioners of the county or counties in which the subdistrict vacancies are situated to make such appointments as are necessary to fill the vacancies on the fire protection district board of commissioners. The vacancies shall be filled by the board or boards of county commissioners within sixty (60) days of receiving a written petition. Any fire commissioner so appointed shall serve out the remainder of the term for the commissioner last serving in the vacant seat to be filled and shall be a resident of the same fire protection commissioners subdistrict. (History: S.L. 1943, Ch.161; S.L. 1986, Ch. 137; S.L. 1996, Ch. 360; S.L. 2006, Ch. 318; S.L. 2016, Ch. 89; S.L. 2017, Ch. 128; S.L. 2018, Ch. 168)

31-1410. ELECTION OF COMMISSIONERS — RESIDENT QUALIFICATIONS OF COMMISSIONERS — REVISING SUBDISTRICTS — TERM OF OFFICE. (1) On the first Tuesday following the first Monday of November, of the next odd-numbered year, following the organization of a fire protection district, three (3) fire protection district commissioners shall be elected. Not more than one (1) commissioner shall be a resident of the same fire protection commissioner subdistrict. Every odd-numbered year thereafter, an election shall be held for the election of fire protection district commissioners as described in this section. For commissioners whose term in office expires in any even-numbered year, such commissioners shall remain in office until the next election in an odd-numbered year. The county clerk shall have power to make such regulations for the conduct of such election as are consistent with the statutory provisions of chapter 14, title 34, Idaho Code.

(2) The board of fire protection district commissioners may revise subdistricts when they deem it necessary due to significant shifts in population. The board of fire protection district commissioners shall revise subdistricts upon any annexation of territory into the district in accordance with sections 31-1410A, 31-1410B and 31-1412(6), Idaho Code, and, in any case, within six (6) months following the end of each decennial United States census reporting year so as to equalize the population, area and mileage between the subdistricts as nearly as practicable. Provided however, of the commissioners comprising the board, not more than one (1) commissioner shall be a resident of the same fire protection commissioners subdistrict. The revision of subdistricts shall not disqualify any elected commissioner from the completion of the term for which he or she has been duly elected. Notice of revised fire protection commissioner subdistricts shall be provided to the county clerk of the county or counties in which the changes occur by means of a resolution that includes a map depicting the revised subdistrict boundaries.

(3) At the first election following organization of a fire protection district, the commissioner from fire protection subdistrict one shall be elected to a term of two (2) years and the commissioners from subdistricts two and three shall be elected to a term of four (4) years; thereafter, the term of office of all commissioners shall be four (4) years. Such elections and all other elections held under this law shall be held in conformity with the general laws of the state including chapter 14, title 34, Idaho Code.

(4) A fire protection district whose terms and elections were established by prior law shall convert to the election of commissioners as provided in this section.

(5) In any election for fire protection district commissioner, if after the deadline for filing a declaration of intent as a write-in candidate it appears that only one (1) qualified candidate has been nominated for a subdistrict to be filled, it shall not be necessary for the candidate of that subdistrict to stand for election, and the board of the fire protection district shall declare such candidate elected as commissioner, and the secretary of the district shall immediately make and deliver to such person a certificate of election.

(6) The results of any election for fire protection district commissioner shall be certified by the county clerk of the county or counties of the district and the results reported to the fire protection district. (History: S.L. 1943, Ch. 161; S.L. 1951, Ch. 135; S.L. 1982, Ch. 361; S.L. 1995, Ch. 118; S.L. 1998, Ch. 190; S.L. 2000, Ch. 336; S.L. 2003, Ch. 90; S.L. 2006, Ch. 318; S.L. 2009, Ch. 341; S.L. 2010, Ch. 185; S.L. 2016, Ch. 89)

31-1410A. DECISION TO INCREASE THE SIZE OF THE BOARD. Subsequent to the creation of a fire protection district and the appointment of the first board of fire protection commissioners, the fire protection board may, by a majority vote of all of the fire protection district board members elect to increase the size of the board to five (5) members.

If the board of fire protection commissioners elects to expand the board to five (5) members, the existing board members shall subdivide the district into five (5) subdivisions as nearly equal in population, area and mileage as practicable to be known as subdistricts one, two, three, four and five.

At the first election following the decision of the board of fire protection commissioners to expand the board from three (3) to five (5) members, five (5) commissioners shall be elected. The commissioners

from fire protection subdistricts one and two shall be elected to a term of two (2) years, the commissioners from subdistricts three, four and five shall be elected to a term of four (4) years. Thereafter, the term of all commissioners shall be four (4) years.

A fire district which, prior to the effective date of this section, had elected to expand a board from three (3) to five (5) members shall, prior to the next election of the district, adopt a transition schedule as nearly reflecting the schedule provided in this section as possible[.] For commissioners whose offices expire in 2012 and in any even-numbered year, such commissioners shall remain in office until the next election in an odd-numbered year. 31-1410B. DECISION TO DECREASE THE SIZE OF THE BOARD. (1) Any fire protection board consisting of five (5) members may, by a four-fifths (4/5) majority vote of all of the board members, elect to decrease the size of the board to three (3) members.

(2) If the board of fire protection commissioners elects to reduce the board to three (3) members, the existing board members shall subdivide the district into three (3) subdivisions as nearly equal in population, are and mileage as practicable to be known as subdistricts one, two and three. Notice of revised fire protection commissioner subdistricts shall be provided to the county clerk of the county or counties in which the changes occur by means of a resolution that includes a map depicting the revised subdistrict boundaries.

(3) At the first election following the decision of the board of fire protection commissioners to reduce the board from five (5) to three (3) members, three (3) commissioners shall be elected. The commissioner from fire protection subdistrict one shall be elected to a term of two (2) years and the commissioners from subdistricts two and three shall be elected to a term of four (4) years. Thereafter, the term of all commissioners shall be four (4) years.

(4) For commissioners whose office expires in any even-numbered year, such commissioners shall remain in office until the next election in an odd numbered year. (History: S.L. 2016, Ch. 89)

31-1411. ANNEXATION OF TERRITORY IN SAME COUNTY — PETITION — HEARING — ORDER — CERTIFICATION TO COUNTY COMMISSIONERS — ALTERNATE PROCEDURE — ELECTION — PETITION TO DE ANNEX PROPERTY FROM EXISTING DISTRICT AND ANNEX INTO ANOTHER DISTRICT. After the organization of a fire protection district, additional contiguous or noncontiguous territory lying within the same county may be added thereto and shall thereupon and thenceforth be included in such district. Territory that is not contained in an existing fire district, and is not immediately adjoining the boundaries of the fire district into which annexation is sought, may be annexed into the district provided the territory consists of not less than forty (40) contiguous acres. At least seventy-five percent (75%) or more of the owners or contract purchasers of the land sought to be annexed shall petition the fire protection board and request annexation of the territory particularly described in said petition. Upon receipt of any such petition the fire protection board shall hold a hearing not less than ten (10) nor more than thirty (30) days thereafter, or upon the written consent of the petitioner within one hundred eighty (180) days, and said board shall cause notice of such hearing, designating the time and place, to be published in at least one (1) issue of a newspaper of general circulation within the district. Any person supporting or objecting to such petition shall be heard at such hearing, if in attendance, and at the close of such hearing said board shall approve or reject said petition. If the board approves said petition it shall make an order to that effect and certify a copy of said order containing an accurate legal description of the annexed territory to the board of county commissioners of the county where said fire district is situated. Said board of county commissioners shall thereupon enter an order of annexation and cause the same to be recorded so as to include the annexed property on the tax rolls as in this chapter provided.

Fire Protection District Elections Selected Code Sections

In the event that more than twenty-five percent (25%) of the owners or contract purchasers of the land sought to be annexed do not join in said petition, and the board determines by resolution entered on the minutes of the board, that the annexation would be in the best interests of the district and that an election on the issue should be held, additional territory may nevertheless be annexed by the affirmative vote of a majority of the qualified electors of such additional territory voting on the question at an election held therefor, which vote may be taken at an election held as provided in section 31-1405, Idaho Code. The same procedure shall be adopted as provided in sections 31-1402 through 31-1406, Idaho Code.

If owners or contract purchasers of territory located within an existing fire protection district seek to petition to be annexed into another fire protection district, they must demonstrate that they are likely to receive an improved response to requests for services from the other fire protection district and obtain written approval of the board of the fire protection district within which the territory is already located. The written approval must be attached to their petition to annex. The procedure for the annexation petition shall be the same as otherwise provided in this section. (History: S.L. 1943, Ch. 161; S.L. 1959, Ch. 139; S.L. 1984, Ch. 202; S.L. 1994, Ch. 360; S.L. 1995, Ch. 84; S.L. 1995, Ch. 118; S.L. 1996, Ch. 360; S.L. 2006, Ch. 318)

31-1412. ANNEXATION OF TERRITORY IN ADJOINING COUNTY. After the organization of a fire protection district, additional territory, contiguous or noncontiguous thereto and located wholly within an adjoining county, may be added to the district and become a part thereof as hereinafter provided in this section. Noncontiguous territory annexed to an existing fire protection district shall consist of not less than forty (40) contiguous acres. The proceedings for annexation shall be the same as the proceedings for the creation and organization of a fire protection district with the following exceptions and modifications:

(1) Such proceeding may be initiated by:

(a) Two (2) or more of the holders of title or evidence of title to lands aggregating not less than one hundred (100) acres; or

(b) One hundred percent (100%) of the holders of title or evidence of title to lands aggregating not less than one hundred (100) acres.

(2) A petition, such as is required by section 31-1403, Idaho Code, shall be filed with the fire protection board of the fire protection district into which petitioners seek to be annexed. The petition shall accurately describe the boundaries of the territory and name and describe the fire protection district to which annexation is sought. The petition shall be accompanied by a map showing and distinguishing the boundaries of the original district and the boundaries of the territory proposed to be annexed, and showing the location of the intervening county line. An election is not required pursuant to subsection (5) of this section when the petition includes a certification as to the following: (a) that one hundred percent (100%) of the holders of title or evidence of title of the property proposed to be annexed have joined in the initial petition requesting annexation; and (b) that there is no electorate present in the property proposed to be annexed. The fire protection board shall follow the notice and public hearing requirements contained in section 31-1411, Idaho Code, and if it approves of the annexation proposal, it will issue a written resolution consenting to the proposed annexation. If the fire protection board issues such a resolution, the petitioners shall proceed in accordance with the steps outlined in this section.

(3) A petition, such as is required by section 31-1403, Idaho Code, shall be filed with the board of county commissioners of the county in which is situated the territory proposed to be annexed but shall accurately describe the boundaries of the territory, and name and describe the fire protection district to which annexation is sought, shall be accompanied by a map showing and distinguishing the boundaries of the original district and the boundaries of the territory proposed to be annexed, and showing the location of the intervening county line. An election is not required pursuant to subsection (5) of this section when the petition includes a certification as to the following: (a) that one hundred percent (100%) of the holders of title or evidence of title of the property proposed to be annexed have joined in the initial

Fire Protection District Elections Selected Code Sections

petition requesting annexation; and (b) that there is no electorate present in the property proposed to be annexed. The petition must be accompanied by a certified copy of the resolution of the board of fire protection commissioners consenting to the annexation.

(4) The notice of hearing on the petition shall state that certain territory described in the petition, is proposed to be annexed to a fire protection district named in the petition and that any taxpayer within the boundaries of the territory proposed to be annexed may offer objections at the time and place specified. The order entered by the local board of county commissioners on the petition shall, if the petition be granted, fix the boundaries of the annexed territory and direct that a map of it be prepared under the direction of the clerk of the board, and certified copies of the order and map shall be transmitted to the clerk of the board of county commissioners of the county in which the original fire protection district is situated.

(5) An election shall be conducted by the county clerk or elections office in the county where the land sought to be annexed is situated, subject to the provisions of section 34-106, Idaho Code, in the territory proposed to be annexed for the purpose of voting upon the annexation and the notice shall accurately describe the boundaries of the territory proposed to be annexed, shall state the name of the district to which annexation is sought, and that a map showing the boundaries of the district and of the territory proposed to be annexed is on file in the office of the clerk of the local board of county commissioners. The notice shall prescribe the form of ballot to be cast, which shall contain the words "In favor of annexation to Fire Protection District" and "Against annexation to Fire Protection District," and shall direct that the voter indicate his choice thereon by a cross (X). An election pursuant to the provisions of this subsection shall accomplish no purpose and, therefore, shall not be required if the following conditions are certified in the petition(s) submitted in accordance with subsections (2) and (3) of this section: (a) that one hundred percent (100%) of the holders of title or evidence of title of the property proposed to be annexed have joined in the initial petition requesting annexation; and (b) that there is no electorate present in the property sought to be annexed.

(6) The territory proposed to be annexed shall constitute one (1) election precinct and there shall be added to the usual elector's oath, in case of challenge, the following words: "And I am a resident within the boundaries of the territory proposed to be annexed to Fire Protection District." The returns of the election shall be canvassed by the board of the county commissioners of the county in which the territory proposed to be annexed is situated, and if it shall appear from the canvass that more than one-half (1/2) of the voters are in favor of the annexation, the board shall, by order entered on its minutes, declare the territory a part of the fire protection district to which annexation is sought, and a certified copy of the order shall be transmitted to the fire protection board of the original district, and also to the board of the county commissioners of the county in which the original district is situated. A certified copy of the order shall also be filed in the office of the county recorder of the county in which the territory proposed to be annexed is situated. At the first meeting of the board of fire protection commissioners following the annexation of property from another county, the board shall resubdivide the expanded fire protection district into three (3) subdivisions, as nearly equal in population and area as practicable. Not more than one (1) fire protection district commissioner shall reside in each subdistrict. If, because of resubdistricting, two (2) or more commissioners reside in the same subdistrict, they shall draw lots to determine who shall remain in office. The remaining commissioners on the board shall appoint, as necessary, persons to fill vacancies created as a result of annexation pursuant to the provisions of section 31-1409, Idaho Code. An appointee shall serve the remainder of the term of office he or she is appointed to fill. Certified copies of appointments of secretary and treasurer of the district shall be filed with the clerk of the board of county commissioners and with the tax collector of each county in which any portion of the district is situated and all taxes levied by the district shall be certified to, and extended, collected and remitted by, the proper officers of the county in which is situated the property subject to the levy. 31-1413. CONSOLIDATION OF DISTRICTS — HEARING — PROTEST — ELECTION. Except as provided for in section 31-1423 (2) (b), Idaho Code, any fire protection district may consolidate with one (1) or more existing fire protection districts subject to the following procedure, or pursuant to an election for consolidation as provided in section 31-1414, Idaho Code, and with the following effects:

(1) If, in the opinion of the board of any fire protection district, it would be to the advantage of said district to consolidate with one (1) or more other existing fire protection districts, the said board shall cause to be prepared an agreement for consolidation which shall among other things provide:

(a) The name of the proposed consolidated fire protection district.

(b) That all property of the districts to be consolidated shall become the property of the consolidated district.

(c) That all debts of the districts to be consolidated shall become the debts of the consolidated district.

(d) That the existing commissioners of the districts to be consolidated shall be the commissioners of the consolidated district until the next election, said election to be held pursuant to the terms of section 31-1410, Idaho Code, at which three (3) commissioners shall be elected, unless the agreement of consolidation establishes a five (5) member board, in which case five (5) commissioners shall be elected. If the board consists of three (3) members, commissioners from fire protection subdistricts one and two shall be elected for terms of four (4) years, and the commissioner from fire protection subdistrict three shall be elected for a term of two (2) years. If the board consists of five (5) commissioners, the commissioners from fire protection subdistricts one, three and five shall be elected for terms of four (4) years, and the commissioners from fire protection subdistricts two and four shall be elected for an initial term of two (2) years. Thereafter, the term of all commissioners shall be four (4) years.

(e) That the employees of the consolidated fire protection district shall be selected from the employees of the fire protection districts being consolidated, which employees shall retain the seniority rights under their existing employment contracts.

(2) After approval of the agreement of consolidation by each of the fire protection district boards involved, the boards of commissioners of each fire protection district shall hold a hearing not less than ten (10) or more than thirty (30) days thereafter and shall cause notice of the hearing, designating the time and place to be published in at least one (1) issue of a newspaper of general circulation within the district not less than five (5) days prior to the hearing. Any person supporting or objecting to the petition shall be heard at the hearing, if in attendance, and at the close of the hearing the board shall approve or reject the agreement of consolidation. If each board approves the agreement of consolidation, the agreement shall become effective and the consolidation of the district complete thirty (30) days after the approval unless within the thirty (30) days a petition signed by twenty-five percent (25%) of the qualified electors of one (1) of the fire protection districts objecting to the consolidation be filed with the secretary of the district. In the event of an objection, an election shall be held as provided in section 31-1405, Idaho Code, except that the question shall be "consolidation of fire protection district, yes," or "consolidation of fire protection district, no," or words equivalent thereto. If more than one-half (1/2) of the votes cast are yes, the agreement shall become effective. If more than one-half (1/2) of the votes cast are no, the agreement shall be void and of no effect; and no new consolidation shall be proposed for at least six (6) months following the date of the consolidation election.

(3) Upon the agreement of consolidation becoming effective, the board of the consolidated fire protection district shall file a certified copy of the agreement with the county recorder of each county in which such district is situated and shall comply with the provisions of section 63-215, Idaho Code. The

Fire Protection District Elections Selected Code Sections

consolidated district shall thereafter have the same rights and obligations as any other fire protection district organized under the statutes of this state.

(4) An agreement of consolidation shall not take effect unless the provisions of section 31-1423 (2) (b), Idaho Code, are complied with. (History: S.L. 1967, Ch. 95; S.L. 1996, Ch. 322; S.L. 1997, Ch. 372; S.L. 1998, Ch. 190; S.L. 2006, Ch. 318; S.L. 2013, Ch. 185)

31-1414. ELECTION FOR THE CONSOLIDATION OF DISTRICTS. (1) Any two (2) or more fire districts may, in the discretion of the fire district commissioners, or shall, upon a petition signed by ten percent (10%) or more of the electors in the last general election residing in each of the fire protection districts proposed for consolidation, conduct an election in the manner provided in section 31-1405, Idaho Code, at which the following question shall be submitted to the electorate: "Shall fire protection districts be consolidated?" or words equivalent thereto. At least one (1) public hearing shall be held by the boards of fire district commissioners prior to the election. If a majority of the votes cast in each district proposed for consolidation are in favor of consolidation, the districts shall be deemed consolidated and an agreement of consolidation in conformity with the provisions of section 31-1413, Idaho Code, shall be entered into by the fire protection district boards involved, except that an agreement of consolidation entered into pursuant to an election as provided in this section shall not thereafter be subject to an election upon objection as provided in subsection (2) of section 31-1413, Idaho Code.

(2) If two (2) districts are proposed for consolidation and less than a majority of the votes cast in any one (1) of the districts are in favor of the consolidation, the consolidation shall not become effective. If more than two (2) districts are proposed for consolidation, the consolidation may proceed with respect to those districts in which a majority of the votes cast are in favor of the consolidation. (History: S.L. 1997, Ch. 372; S.L. 2006, Ch. 318)

31-1423. LEVY — RECOMMENDED LEVY — ELECTION. (1) Each year, immediately prior to the annual county levy of taxes, the board of commissioners of each fire protection district, organized and existing under this chapter, may levy a tax upon all the taxable property within the boundaries of such district sufficient to defray the cost of equipping and maintaining the district of twenty-four hundredths percent (.24%) of market value for assessment purposes, to be used for the purposes of this chapter and for no other purpose. The levy shall be made by resolution entered upon the minutes of the board of commissioners of the fire protection district, and it shall be the duty of the secretary of the district, immediately after entry of the resolution in the minutes, to transmit to the county auditor and the county assessor certified copies of the resolution providing for such levy. Said taxes shall be collected as provided by section 63-812, Idaho Code.

(2) (a) If two (2) or more fire protection districts consolidate into one (1) district, the provisions of section 63-802, Idaho Code, shall apply to the consolidated district's budget request as if the former district which, in the year of the consolidation, has the higher levy subject to the limitations of section 63-802, Idaho Code, had annexed the other district or districts. In addition, the consolidated district shall receive the benefit of foregone increases accumulated by the former districts under section 63-802(1)(a), Idaho Code.

(b) Provided however, that if the higher levy rate provided for in subsection (2) (a) of this section exceeds the lowest levy rate of any of the districts to be consolidated by more than three percent (3%), the commissioners of the districts consolidating shall recommend, by a majority of the commissioners of each district involved, at a public hearing where a quorum of each district board is present, a levy rate that falls between the highest levy rate and the lowest levy rate. In determining such recommended levy rate, the commissioners shall recommend a levy rate that shall be sufficient to defray the cost of equipping and maintaining the new consolidated district. If such recommended levy rate exceeds by more than three percent (3%) the lowest current district levy rate of any of the districts to be

Fire Protection District Elections Selected Code Sections

consolidated, an election shall be held in a manner consistent with the provisions of section 31-1414, Idaho Code. In such election, the electors residing in the fire protection districts seeking to consolidate shall vote to approve or disapprove the recommended levy rate and the proposed consolidation of districts. The question put to the electors shall be the same or similar to the question provided for in section 31-1414, Idaho Code, except that the question shall include, in addition to the language described in section 31-1414, Idaho Code, a reference to the recommended levy rate provided for in this section and a reference to the percentage change of such recommended levy rate from the levy rate in existence in each district in the immediately preceding year. (History: S.L. 1943, Ch. 161; S.L. 1947, Ch. 219; S.L. 1965, Ch. 208; S.L. 1984, Ch. 202; S.L. 1988, Ch. 316; S.L. 1996, Ch. 208; S.L. 1996, Ch. 322; S.L. 1997, Ch. 117; S.L. 1999, Ch. 288; S.L. 2002, Ch. 172; S.L. 2005, Ch. 178; S.L. 2005, Ch. 178; S.L. 2006, Ch. 318; S.L. 2011, Ch. 19; S.L. 2013, Ch. 185)

31-1434. ANY DISSOLUTION. Dissolution of any fire protection district organized under this chapter may be initiated by a petition signed by at least twenty-five percent (25%) of the holders of title, or evidence of title, to the real property within the fire protection district, requesting dissolution of such fire protection district, in the following manner:

The petition shall first be presented to the board of county commissioners of each county in which the fire protection district is situated, signed by the number of holders of title or evidence of title above provided, which petition shall clearly designate the boundaries of the fire protection district and shall state the name of the district and shall be accompanied by a map thereof. The petition, together with all maps and other papers filed therewith, shall, at proper hours, be open to public inspection in the office of the clerk of the board of county commissioners between the date of their said filing and the date of the election on the question of districts as hereafter provided. The petition may be in one (1) or in several papers. When such petition is presented to the board of county commissioners, and filed in the office of the clerk of the board, the said board shall set a time for hearing of such petition, which time shall not be less than four (4) nor more than six (6) weeks from the date of the presenting and filing of said petition. A notice of the time of such hearing shall be published by said board, once a week for three (3) successive weeks previous to the time set for such hearing, in a newspaper published within the county in which said district is situated. Said notice shall give the boundaries of the fire protection district and shall state that a petition has been filed to dissolve the same, and that on the date fixed for the hearing, any taxpayer within the district, may appear at the hearing and testify and/or present exhibits upon any issue pertaining to the proposed dissolution of the fire district, or may object to or support the proposed dissolution.

After hearing and considering any and all testimony and other evidence either made in favor of or in opposition to the dissolution of the fire district, if the board of county commissioners makes a sufficient factual finding that the majority of the residents of the fire district will receive no benefit by continuing the existence of the fire district, the county commissioners shall make an order granting the petition, with or without modification. Provided however, the board of county commissioners, after hearing and considering all testimony and other evidence either in favor of or in opposition to the dissolution of the fire district, cannot make a sufficient factual finding that the majority of the residents of the fire district will receive no benefit by continuing the existence of the fire district, the county commissioners shall make an order denying the petition. After the county commissioners have entered their order approving or denying such petition, the clerk of the board of county commissioners shall cause to be published, a notice of election to be held in such proposed fire protection district, for the purpose of determining whether or not the same shall be dissolved. Such notice shall plainly and clearly designate the boundaries of the fire protection district, its name, and further, that the election is to be held to decide the question of whether the fire protection district shall be maintained or dissolved. Such notice shall be published once in each week for three (3) successive publications prior to such election, in a newspaper published within the county aforesaid.

Fire Protection District Elections Selected Code Sections

Such notice shall require the electors to cast ballots which shall contain the words “fire protection district dissolved yes” or: “fire protection district dissolved no” or words equivalent thereto. No person shall be entitled to vote at any election held under the provisions of this chapter, unless he shall possess all the qualifications required of electors under the general laws of the state and be a resident of the district. The election qualifications of electors and canvass of the ballots shall be made in the same manner as provided for in sections 31-1406 and 31-1407, Idaho Code.

If a majority of the electors voting at such election shall vote to dissolve the fire protection district, the board of county commissioners shall, after certifying the results of such election, enter an order upon the minutes of its official proceedings dissolving said fire protection district, and such district shall thereupon be dissolved.

Provided, however, that whenever a petition requesting dissolution of a fire protection district is signed by the holders of title, or evidence of title, to all of the real property included within the fire protection district and is presented to the board of county commissioners of the county in which the fire protection district is situated, accompanied by a map clearly designating the boundaries of the district, the board of county commissioners shall set a time for hearing of such petition, which time shall not be less than four (4) nor more than six (6) weeks from the date of the presenting and filing of said petition. A notice of the time and place of such hearing shall be published by said board once a week for three (3) successive weeks previous to such hearing, in a newspaper published within the county in which the fire protection district is situated. Said notice shall give the boundaries of the fire protection district and shall state that a petition has been filed to dissolve the same, and that on the date fixed for the hearing, any resident, taxpayer, or creditor of such fire protection district may appear and offer any objection to the dissolving of the fire protection district. If at such hearing, no protests are made to the granting of the petition, the board of county commissioners shall enter an order upon the minutes of its official proceedings dissolving such fire protection district, and such district shall thereupon be dissolved. If, however, any protests from residents, taxpayers, or creditors of the district are entered at such hearing, the board of county commissioners shall, within thirty (30) days of said hearing, determine whether or not such fire protection district shall be dissolved and shall cause an order to that effect to be entered upon the minutes of its official proceedings. If the board determines that the fire protection district shall be dissolved, such dissolution shall be effective as of the date of the entry of such order upon the minutes.

The property of such district shall remain the property of the county in which such district is located and any money remaining in the fund of such district shall be expended in the maintenance and repair of the highways of such district whether such highways at the time of the dissolution, are in the incorporated territory or in unincorporated territory.

If the district is situated in two (2) or more counties, each board of county commissioners shall coordinate the hearing date and the publications of notice so that only one (1) hearing need be held. Unless otherwise agreed to by each board of county commissioners involved, the hearing shall be held at the administrative offices of the district, and the boards of county commissioners are hereby specifically authorized to act in a joint manner for such purposes. If an election is called, the boards of county commissioners shall provide that the election be held on the same day in each county, and the boards of county commissioners shall coordinate the canvass of the votes cast and make one (1) joint announcement. If a majority of votes in any county are against the dissolution of the district, such rejection shall void the dissolution of the district in all counties. (History: S.L. 1943, Ch. 161; S.L. 1945, Ch. 115; S.L. 1949, Ch. 154; S.L. 1974, Ch. 52; S.L. 1980, Ch. 350; S.L. 1986, Ch. 137; S.L. 2006, Ch. 318)

Highway District Elections Frequently Asked Questions

When are highway district elections held?

Elections of commissioners of highway districts are held on the third Tuesday of May in odd-numbered years. Bond, levy and other ballot question elections may be held on the third Tuesday in May or the Tuesday following the first Monday in November of any year. (34-106, 40-1305, Idaho Code)

How many commissioners are elected in a highway district and what are their terms of office?

Each highway district is divided into three (3) subdistricts, as nearly equal in population, area and mileage as practicable to be known as subdistricts 1, 2 and 3. A commissioner is elected from each subdistrict. Each commissioner is elected on a district wide basis and serves a term of four (4) years. The terms of office are staggered. (40-1304, 40-1305, Idaho Code)

How do I know if I'm eligible to vote in a highway district election?

You must be a qualified elector (i.e. registered voter) of the State of Idaho and a resident of the district. "Qualified elector" means any person who is eighteen (18) years of age, is a United States citizen and who has resided in this state and in the county at least thirty (30) days next preceding the election at which he desires to vote, and who is registered as required by law. The county clerk's election department or the secretary of the district can tell you if you are eligible to vote in district elections. (34-104, 34-1402, Idaho Code)

What are the requirements if I want to run for highway district commissioner?

Candidates must be an elector in the subdistrict for which they are seeking office, at least the age of 21 years at the time of the election and a U.S. citizen.

Candidates for election as a highway district commissioner file nominating petitions which include the name of the candidate, the subdistrict for which the nomination is made, the term for which the nomination is made and signatures of not less than five (5) electors from the candidate's specific subdistrict.

The Declaration of Candidacy and Petition of Candidacy forms are available from and are filed with the election official of the highway district. However, forms are also available from the County Clerk's Election Office.

The nomination must be filed not later than 5:00 p.m. on the ninth Friday preceding the election for which the nomination is made. The election official of the district has seven (7) days following the filing to verify the qualifications of the nominee and certify that person is to be placed on the ballot. (34-1404, 40-1304, 40-1305C, Idaho Code; see *Election Consolidation Calendar* for dates)

Who is responsible for administration of the election?

County clerks administer highway district elections in accordance with the general laws of the state, including the provisions of Title 34, Chapter 14, Idaho Code. The county commissioners select polling places and the county clerk shall appoint election judges and clerks.

The county clerk performs all necessary duties of the election official of a highway district including, but not limited to, publication of the notice of the filing deadline and the notice of the election, and preparation of the election calendar. (34-1401, 40-1305A, Idaho Code)

Are write-in candidates allowed?

Yes, but write-in candidates must file a declaration of intent in order for votes cast for them to be counted. This declaration of intent must be filed with the clerk of the district not less than forty-five (45) days before the election. Declaration of Intent forms can be obtained from the clerk of the district or the County Clerk's Election Office. (34-1407, Idaho Code)

Highway District Elections Frequently Asked Questions

What if only one candidate files?

If after the deadline for filing a declaration of intent as a write-in candidate, it appears that only one (1) qualified candidate has been nominated for a subdistrict to be filled, it is not necessary for the candidate of that subdistrict to stand for election. The board of the highway district commissioners shall declare such candidate elected as commissioner and the secretary of the highway district shall immediately make and deliver a certificate of election to the candidate signed by him and bearing the seal of the district. (34-1407, 40-1305B, Idaho Code)

Is absentee voting allowed?

Yes. Any registered elector of the highway district may vote by absentee ballot. Absentee ballots must be requested in writing from the county clerk. To request an absentee ballot to be mailed to the voter, the request must be received no later than 5 p.m. on the eleventh day before the election. Title 40 - Highways and Bridges Chapter 8 - Taxes

40-819. ELECTION TO INCREASE LEVY — NOTICE. (1) Whenever the levies provided by law to be made by highway district commissioners will not, in the opinion of the highway district commissioners, produce a sufficient amount of money for the use of the highway district for their purposes, the highway district board may by order authorize the holding of an election within the highway district, at which election the voters may determine whether or not any levy for any purpose authorized by law for highway districts shall be increased to produce revenues for those purposes. If at the election the majority of the qualified voters shall vote in favor of increasing any of the levies, the levies may be increased. The increase shall not exceed an additional twenty percent (20%) of the levy authorized by law for that purpose.

(2) The highway district commissioners shall designate the date of the election that is in accordance with the dates authorized in section 34-106, Idaho Code, and which shall be held within the highway district. Notice of the election shall be given by the county clerk in accordance with the provisions of title 34, Idaho Code, and section 40-206, Idaho Code. The notice shall state:

- (a) The time and place of holding the election;
 - (b) The amount of money which the levy authorized by law to be made by the highway district commissioners will produce;
 - (c) The amount of money in excess of each of the levies desired to be raised by the highway district commissioners, and generally the purpose for which the additional money is to be used;
 - (d) If at the election a majority of the qualified voters voting vote in favor of increasing the levy that the levy may be increased in an amount not exceeding twenty percent (20%) of the levy provided by law; and
 - (e) The additional levy, if authorized by a majority vote at the election, will when added to the levy provided by law provide sufficient money for the particular purpose of which the levy is authorized.
- (History: S.L. 1985, Ch. 253; S.L. 2009, Ch. 341)

Title 40 - Highways and Bridges Chapter 11 - Bonds

40-1101. Bonds — Funding. Every highway district is granted the authority under article VIII of the Idaho constitution to issue negotiable coupon bonds for construction, improvements or repairs of any highways or structures in the district; for the purchase of material and machinery; for contracting highway engineering and construction; for the necessary expenses of the district in connection with these purposes; or for any or all of these or connected purposes. Every highway district is also granted the authority by resolution of its board of commissioners, without election, to issue negotiable coupon bonds for the purposes of funding or refunding any existing indebtedness, whether the indebtedness exists as warrant indebtedness or otherwise. Where an election is required under the provisions of article VIII of the Idaho constitution to authorize a bond issue, the election may be held with other elections. Elections shall be conducted by the county clerk in the same manner as county elections pursuant to title 34, Idaho Code. Authorization for the issuance, sale and redemption of bonds other than funding or refunding existing indebtedness, shall be as provided by chapter 2, title 57, Idaho Code. The total amount of bonds any district has issued and outstanding at any time shall not exceed two percent (2%) of the market value for assessment purposes of all the taxable property in the district as shown by the last preceding assessment list. (History: S.L. 1985, Ch. 253; S.L. 1986, Ch. 327; S.L. 2009, Ch. 341)

40-1105. ELECTION — ISSUANCE. The election and all acts and proceedings had and taken in connection by highway district commissioners in respect to bonds and the levy of ad valorem taxes for the construction, improvement or repair of highways are legalized, approved and validated and constituted the negotiable legal obligations of the highway district, where:

- (1) A two-thirds (2/3) majority of the qualified electors of the highway district voting on the proposition voted in favor of the issuance of bonds of the highway district;
- (2) Notice of the election was given as essentially provided by section 40-206, Idaho Code;
- (3) The canvass of the vote revealed the required majority was recorded in the records of the highway district commissioners, and a resolution adopted and recorded in the district records authorizing the issuance of bonds of the district;
- (4) The maturity of the bonds was within thirty (30) years;
- (5) A rate of interest was prescribed and an ad valorem tax upon all taxable property in the district sufficient to pay the bonds as maturity was levied; and
- (6) The bonds were in an amount not exceeding ten per cent (10%) of the assessed valuation if sold and delivered prior to July 1, 1980, or two per cent (2%) of the market value for assessment purposes if sold and delivered on or after July 1, 1980, of all taxable property of the highway district, and the proceeds received by the treasurer of the highway district and expended in the construction, improvement or repair of highways located within the highway district. (History: S.L. 1985, Ch. 253)

40-1106. BONDS OF COUNTY. Nothing in this chapter shall be construed as a limitation of the power of the commissioners to issue bonds for the construction or the repairs of highways and bridges. Whenever the commissioners shall issue bonds for the construction or repair of highways and bridges under the provisions of chapter 19, title 31, Idaho Code, upon the authorization of two-thirds (2/3) of the qualified electors of the county voting at an election held for that purpose, pursuant to a resolution of the commissioners and entered upon their journal specifying, describing and defining the highways or bridges to be constructed or repaired, and giving the termini and the general course of each highway and the approximate location of each bridge it is proposed to construct, and appropriating a specific amount for any highway or bridge wholly or partially within any organized highway district, then the commissioners shall have full jurisdiction and power to locate and construct or repair the highway or bridge within the highway district, and to apply a specific appropriation so derived from the issue of bonds or so much of them as may be necessary. (History: S.L. 1985, Ch. 253)

Title 40 - Highways and Bridges Chapter 13 - Highway Districts

40-1302. COUNTY DIVISION OR CHANGE IN BOUNDARIES — JOINT HIGHWAY DISTRICT FORMED. When a county division or change in the boundaries of a county divides an existing highway district the district shall continue as a joint highway district until changed as provided by this title. It shall be the duty of the commissioners of the respective counties affected to rename the district as a joint highway district, and the renamed joint highway district shall in all things be considered a continuation of the existing district. (History: S.L. 1985 Ch. 253)

40-1303. HIGHWAY COMMISSIONERS — APPOINTMENT — OATH. There shall be three (3) highway commissioners in each district. County commissioners, city mayors and city council members shall not be eligible to hold office as highway district commissioners. A copy of the certificate of each appointment shall be filed in the office of the county recorder of each county in which the highway district is located and with the clerk of the highway district. Every highway commissioner shall take and subscribe the official oath, which oath shall be filed in the office of the highway district commissioners. Subdistricts may be revised or modified by the highway district commissioners as changes in conditions demand. Not more than one (1) of the highway district commissioners shall be an elector of the same highway subdistrict. The first highway district commissioners appointed by the governor shall serve until the next highway district election, at which their successors shall be elected. The highway commissioners shall take office on July 1 following their election.

(2) Any vacancy occurring in the office of highway commissioner, other than by expiration of the term of office, shall be determined by the remaining highway district commissioners using the criteria established in section 59-901, Idaho Code. If it is determined that a vacancy has occurred, the commissioners shall declare there is a vacancy and such vacancy shall be filled by the highway district board and be for the balance of the term of the person replaced. If the remaining highway district commissioners are unable to agree on a person to fill the vacancy within thirty (30) days after the vacancy occurs, the chairman of the county commissioners of the county with the largest number of electors in the highway district shall then become a member of the highway district board for the purpose of filling the vacancy only. If a majority of the highway district board so constituted shall be unable to agree upon a person to fill the vacancy within thirty (30) days, or if two (2) or more vacancies shall occur in the board of highway commissioners at one time, a special election to fill the vacancy shall be called and held in the same manner provided by law for the holding of elections for highway commissioners, except that the date of the election shall be as soon as possible, and all duties imposed by law upon the highway district board in connection with elections shall be performed by the county commissioners.

(3) When there are two (2) or more vacancies on the highway district board at the same time, the chairman of the county commissioners, along with the additional county commissioners that the county commission chairman appoints, and with the remaining highway district commissioner, if applicable, shall constitute a temporary board of highway district commissioners. The temporary board of highway district commissioners shall perform the duties required by law of a highway district board of commissioners until the newly elected highway commissioners take office. Thereafter the term of office of all commissioners shall be four (4) years.

(2) A highway district whose terms and election were established by prior law shall convert to the election of commissioners as provided in subsection (1) of this section. As used in sections 39-1318 through 39-1357, Idaho Code, “medical clinic” means a place devoted primarily to the maintenance and operation of facilities for outpatient medical, surgical and emergency care of acute and chronic conditions or injury.

The word “board” as used in this act shall mean the board of trustees of the district. A “qualified elector” of a district within the meaning of and entitled to vote under this act, is a person qualified to vote at general elections in this state, and who has been a bona fide resident of the district for at least thirty (30) days prior to any election in the district. A “taxpayer” within the meaning of and as used in this act is a person or the husband or wife of a person whose name appears on the tax rolls of the county and is there assessed with unexempted real or personal property owned and subject to taxation within the boundaries of the district.

Whenever the term “publication” is used in this act and no manner specified therefor, it shall be taken to mean once a week for three (3) consecutive weeks in at least one (1) newspaper of general circulation in the district. It shall not be necessary that publication be made on the same day of the week in each of the three (3) weeks, but not less than fourteen (14) days (excluding the first day of publication), shall intervene between the first publication and the last publication, and publication shall be complete on the

Hospital District Elections Selected Code Sections

day of the last publication. (History: S.L. 1965, Ch. 173; S.L. 1976, Ch. 132; S.L. 1990, Ch. 354; S.L. 1993, Ch. 137)

39-1320. ORGANIZATION OF HOSPITAL DISTRICT — PETITION — CONTENTS — FILING. The organization of a hospital district shall be initiated by a petition filed with the board of county commissioners of the county of [in] which the said district is situated. Said petition shall be signed by not less than ten per cent (10%) of the qualified electors and taxpayers of the proposed district. The equalized county assessment list last preceding the presentation of the petition for the organization of the hospital district shall be sufficient evidence of the title for the purpose of this act, but other evidence may be received.

The petition shall set forth:

(1) The name of the proposed district consisting of a chosen name preceding the words "hospital district".

(2) A general statement of the purpose of the formation of said district.

(3) A general description of the boundaries of the district or territory to be included therein with such certainty to enable a property owner to determine whether or not his property is within the district.

(4) A map showing the general boundaries of such district in relation to outstanding natural monuments and terraine features.

(5) A prayer for the organization of the district.

Similar petitions or duplicate copies of the same petition for the organization of the same district may be filed and shall together be regarded as one (1) petition. All petitions filed prior to the hearing on the first petition filed shall be considered by the board the same as though filed with the first petition placed on file.

Provided, however, that no such district shall be organized unless it shall appear that the boundaries of said district are wholly within the limits of a single county and that there shall be no unnatural extension of the boundaries of said district.

The petition together with all maps and other papers filed therewith shall at all proper hours be open to public inspection in the office of the clerk of the board of county commissioners between the date of their said filing and the date of an election to be held as hereinafter provided. (History: S.L. 1965, Ch. 173)

39-1321. JOINT DISTRICTS IN ONE OR MORE COUNTIES. A hospital district as provided in section 39-1320 may be organized where it appears that said district will be within the boundaries of one (1) or more counties, where all the other requirements provided in section 39-1320 have been met, and the county commissioners of each county in which such district will be formed shall affirmatively find that the public welfare of that portion of the county will be served by the inclusion thereof in such joint county district, that such district is not an unnatural extension of a service district for hospital services, and that the petition for such district has been signed by not less than 10% of the qualified electors and taxpayers of that portion of the proposed district lying within the county. (History: S.L. 1965, Ch. 173)

39-1322. NOTICE OF TIME OF HEARING ON PETITION — ORDER FIXING BOUNDARIES — APPEAL. When such petition is presented to the board of county commissioners and filed in the office of the clerk of such board, the said board shall set a time for a hearing upon such petition which shall not be less than four (4) nor more than six (6) weeks from the date of the presentation and filing of such petition. A notice of time of such hearing shall be published by said board once each week for three (3) successive weeks previous to the time set for such hearing in a newspaper published within the county in which said district is situated. Said notice shall state that a hospital district is proposed to be organized giving the proposed boundaries thereof and that any taxpayer within the proposed boundaries of such proposed district may on the date fixed for such hearing appear and offer any objection to the organization

Hospital District Elections Selected Code Sections

of such district, the proposed boundaries thereof or the including or excluding of any real property, therein or therefrom. After hearing and considering any and all objections, if any such be interposed, the county commissioners shall thereupon make an order, either denying such petition or granting the same, with or without modification, and shall accordingly fix the boundaries of such proposed district in any order granting such petition. The boundaries so fixed shall be the boundaries of said district after its organization be completed as provided in this act, and a map showing the boundaries of such proposed district, as finally fixed and determined by the board of county commissioners, shall be prepared and filed in the office of the clerk of said board. Any person aggrieved by said order, or any taxpayer within said proposed district may take an appeal from said order establishing the boundaries of said district, in the manner provided by sections 31-1509, 31-1510, 31-1511, and 31-1512, Idaho Code, on questions of both law and fact. (History: S.L. 1965, Ch. 173)

39-1323. ELECTION IN PROPOSED DISTRICT — NOTICE — QUALIFICATIONS OF VOTERS. Such petition may be filed with the clerk of the board of county commissioners at any time, and on such filing and after the county commissioners have made an order finally fixing and determining the boundaries of the proposed district, and have made and entered an order calling an election to be held, subject to the provisions of section 34-106, Idaho Code, in said district, said clerk shall cause to be published a notice of an election to be held in such proposed district for the purpose of determining whether or not the same shall be organized under the provisions of this act. Provided, however, if an appeal is taken from such order establishing the boundaries, such election shall not be held until after the determination of such appeal. Such notice shall plainly and clearly designate the boundaries in or the boundaries of said districts, and shall state the name of the proposed districts as designated in the petition.

Such notice shall be published once not less than twelve (12) days prior to the election, and a second time not less than five (5) days prior to such election in a newspaper published within the county as aforesaid. At such election the voters shall vote for or against the organization of the district. No person shall be entitled to vote at any election held under the provisions of this chapter unless he or she shall possess all the qualifications required of electors under the general laws of the state and be a resident of the proposed district. (History: S.L. 1965, Ch. 173; S.L. 1995, Ch. 118)

39-1324. ELECTION — MANNER OF CONDUCTING. Such election shall be held and conducted in accordance with the general election laws of the state, including the provisions of chapter 14, title 34, Idaho Code.

The board of county commissioners shall establish as many election precincts within such proposed district as may be necessary, and define the boundaries thereof. The county clerk shall appoint judges of election, one (1) of whom shall act as clerk for each such election precinct who shall perform the same duties as judges of election under the general laws of the state, and the result of such election shall be certified, canvassed and declared by the board of county commissioners. The reasonable compensation of said judges and clerks of election, and the expenses of publication of notices, printing of ballots and furnishing of supplies for the election shall be paid by the petitioners, and to this end the board of county commissioners are empowered to require the deposit of all estimated costs in advance of such election. (History: S.L. 1965, Ch. 173; S.L. 1995, Ch. 118; S.L. 2009, Ch. 341)

39-1325. ELECTION RESULTS — CANVASS AND CERTIFICATION — ORDER ESTABLISHING DISTRICT. Immediately after any election for voting upon the organization of a hospital district, the judges of said election shall certify the official results of said election to the clerk of said board of commissioners. The said board of commissioners shall, at its next regular meeting, proceed to canvass the votes cast at such election, and if upon such canvass it shall appear that one half (1/2) or more of the votes cast at such election are “.... hospital district, no.”, then a record of that fact shall be duly entered upon the

Hospital District Elections Selected Code Sections

minutes of said board, and all proceedings in regard to the organization of said district shall be void. If it shall appear, upon such canvass, that more than one half (1/2) of the votes cast at such election are “.... hospital district, yes.”, the said board shall by order entered on its minutes, declare such territory duly organized as a hospital district under the name designated in the petition.

If an order be entered establishing the district, such order shall be deemed final and no appeal or writ of error shall lie therefrom, and the entry of such order shall finally and exclusively establish the regular organization of the said district against all persons, except the state of Idaho in an action in the nature of a writ of quo warranto commenced by the attorney general within thirty (30) days after the date of said order declaring such district organized, as herein provided, and not otherwise. The organization of said district shall not be directly or collaterally questioned in any suit, action or proceeding except as herein expressly authorized.

Said board shall cause one (1) copy of such order duly certified to be immediately filed for record in the office of the county recorder in the county in which such district is situated and shall transmit to the governor one (1) certified copy thereof.

From and after the date of such filing of said order of the board of county commissioners, declaring such territory duly organized as a hospital district, the organization of such district shall be completed, and thereupon the district shall be a governmental subdivision of the state of Idaho and a body corporate with all the powers of a public or quasi-municipal corporation. (History: S.L. 1965, Ch. 173)

39-1325A. PETITIONS FOR DISSOLUTION OF HOSPITAL DISTRICTS. (1) Proceedings for the dissolution of a hospital district may be initiated by a petition containing the signatures of qualified electors of the district or owners of property within the district equal in number to ten percent (10%) of the qualified electors and taxpayers of the district, the same percentage required for the organization of the district, but not earlier than four (4) years after the date of its establishment.

(2) The petition, when completed and verified, shall be filed with the clerk of the court of the county or counties if more than one (1) county is involved. The county clerk shall publish notice and the county commissioners shall hold a hearing on the matter. The hearing and election shall be held in accordance with the terms and provisions of title 34, Idaho Code. Library District Elections Frequently Asked Questions

What if only one candidate files?

If after the deadline for filing a declaration of intent as a write-in candidate, it appears that only one (1) qualified candidate has been nominated for a position to be filled, no election will be held. No later than seven (7) days before the date of the election, the library board declares the candidate to be elected and the clerk of the library board makes and delivers certificate of election to the candidate. *(33-2717, Idaho Code)*

Is absentee voting allowed?

Yes. Any registered elector of the library district may vote by absentee ballot. Absentee ballots must be requested in writing from the county clerk. To request an absentee ballot to be mailed to the voter, the request must be received no later than 5 p.m. on the eleventh day before the election. In-person absentee voting is available in the County Clerk's Election Office until 5 p.m. on the Friday before the election. *(34-1002, 34-1408, Idaho Code)*

What hours are polling places open?

The polls open at 8:00 a.m. and remain open until all registered electors of that precinct have appeared and voted or until 8:00 p.m. of the same day, whichever comes first. However, the county clerk may, at his option, open the polls in his jurisdiction at 7:00 a.m. *(34-1409, Idaho Code)*

Can library district trustees be recalled?

Yes. Notwithstanding the limitations of Chapter 17 title 34, Idaho Code, each library district trustee is subject to recall following procedures pursuant to section 34-1702(5), Idaho Code. Individuals signing a petition to recall a library trustee or voting in an election to recall a library trustee must be a qualified elector at the time of the election and a resident of the area involved for thirty (30) days prior to the date of the election. To recall any trustee, a majority of the votes cast at the recall election must be in favor of the recall, and additionally, the number of votes cast in the recall election must equal or exceed the number of votes cast in the last trustee election held in the library district. If no district election has been held in the last six (6) years, the petition must be signed by twenty percent (20%) of the number of electors registered to vote in the district or school trustee zone at the time the petition is filed. *(33-2716, 34-1702, Idaho Code)*

How are vacancies filled?

Appointment is until the next election of trustees following the appointment where a trustee shall be elected to fill the unexpired term of the office which was filled by appointment.

In the event that the board of trustees fails to exercise their authority, appointments shall be made by the board of county commissioners of the home county in which the district is located within thirty (30) days after the expiration of the sixty (60) days allowed for trustees for this action. *(33-2716, Idaho Code)*

33-2711. CONSOLIDATION OF LIBRARY DISTRICTS. When there are two (2) or more library districts, which have at least one (1) common boundary, the boards of trustees of the library districts, meeting together, may determine that it is in the best interest of library service that the districts be consolidated, as herein provided.

The boards of trustees shall jointly prepare a petition describing the boundaries of the existing library districts, the names of the existing library districts, and praying for the reorganization of the territory therein described as one (1) or more library districts to be known as the "... (Name) Library District" and with boundaries as set forth in the petition.

The petition shall be signed by the chairpersons of the library boards upon majority approval of the respective boards involved in the consolidation.

The petition shall be forwarded to the clerk of the board of county commissioners in all counties affected, who shall verify the signatures, and shall file the petition. Thereupon, the board of county commissioners in all counties affected shall proceed with the hearing and resolution as outlined in section 33-2704, Idaho Code. Upon completion of the hearing, the board of county commissioners shall issue an order granting the petition.

In the order granting the petition of consolidation, the board of county commissioners in all counties affected shall certify the new boundaries and the name of the district.

A copy of the order shall be transmitted to the board of trustees of the library districts involved, and to the board of library commissioners.

Other notices required by law shall be filed by the board of trustees of the district, including a legal description and map of altered boundaries prepared in a draftsmanlike manner to be filed with the board(s) of county commissioners, the county recorder, the county assessor of the home county, the board of library commissioners, and the state tax commission in a timely manner, but no later than December 15, of the year in which consolidation takes place.

These trustees shall serve until the next annual election of trustees or until their successors are elected and qualified as in section 33-2715, Idaho Code. The board of trustees shall take the oath of office as outlined in section 33-2715, Idaho Code. (History: S.L. 1973, Ch. 102; S.L. 1989, Ch. 132; S.L. 1990, Ch. 378; S.L. 1995, Ch. 119; S.L. 1996, Ch. 71; S.L. 2006, Ch. 235)

The board of trustees shall jointly prepare a petition describing the boundaries of both the existing and proposed public library district, including maps prepared in a draftsmanlike manner, and the names of the public library districts, praying for the reorganization of the territory therein described.

The petition shall be signed by the chairperson of the library boards upon majority approval of the respective boards involved in the boundary adjustment.

The petition shall be forwarded to the clerk of the board(s) of county commissioners in all counties affected, who shall verify the signatures, and shall file the petition. Thereupon, the boards of county commissioners in all counties affected shall proceed with the hearing and resolution as outlined in section 33-2711, Idaho Code. The ballot shall contain the words "Shall (Name) Public Library District be dissolved--Yes" and "Shall (Name) Public Library District be dissolved--No," each followed by a box wherein a voter may express his choice by marking a cross "X". If the library district embraces territory in more than one (1) county, an election for its dissolution shall be deemed approved only if a majority of the votes cast in each such county were cast in the affirmative. If, upon the canvass of ballots, it is determined that the proposition has been approved, the board of county commissioners of the home county shall enter its order to that effect and transmit a copy of said order to the board of county commissioners in any other county affected, and said order shall by them be made a matter of record. 33-2716. BOARD OF TRUSTEES — NOMINATION AND ELECTION — RECALL — VACANCIES.

(1) The procedure for nomination and election of trustees of a library district shall be as provided for in chapter 14, title 34, Idaho Code, and in the general election laws of Idaho. If any two (2) or more candidates for the same trustee position have an equal number of votes, the board of trustees shall determine the winner by a toss of a coin.

(2) Notwithstanding the limitations of chapter 17, title 34, Idaho Code, each library district trustee shall be subject to recall following procedures pursuant to section 34-1702 (5), Idaho Code.

Individuals signing a petition to recall a library trustee or voting in an election to recall a library trustee shall meet the requirements of section 33-2702, Idaho Code.

A declaration of vacancy shall be made at any regular or special meeting of the board of trustees, at which any of the above mentioned conditions is determined to exist.

The board of trustees shall appoint to fill the vacancy, a person qualified to serve as trustee of the public library district, provided there remains in membership on the board of trustees a majority of the membership thereof, and the board shall notify the board of library commissioners of the appointment. This appointment shall be made within sixty (60) days of the declaration of vacancy. In the event that the board of trustees fails to exercise their authority, appointments shall be made by the board of county commissioners of the home county in which the district is located within thirty (30) days after the expiration of the sixty (60) days allowed for trustees for this action.

Any person appointed as provided in this chapter shall serve until the next election of public library district trustees following the appointment. At the election a trustee shall be elected to complete the unexpired term of the office which was declared vacant filled by appointment.

33-2717. BOARD OF TRUSTEES — ONE NOMINATION — NO ELECTION. In any election for the office of trustee it is not necessary to conduct an election if:

(1) after the expiration of the date for filing written nominations only one (1) candidate has been nominated for each position to be filled; and, there has been no declaration of intent to be a write-in candidate filed as provided in section 33-2717A, Idaho Code; or

(2) if no candidate has filed a written nomination and only one (1) candidate for each position to be filled has filed a declaration of intent to be a write-in candidate as provided in section 33-2717A, Idaho Code. If either of these conditions are present, the board of trustees shall no later than seven (7) days before the scheduled date of the election declare the candidate elected as trustee, and the clerk of the library board shall immediately make and deliver to this person a certificate of election. The clerk of the library board shall also notify the clerk of the county commissioners of the home county and the commission for libraries. The procedure set forth in this section shall not apply to any other library district election. (History: S.L. 1980, Ch. 232; S.L. 1989, Ch. 132; S.L. 1992, Ch. 4; S.L. 1995, Ch. 119; S.L. 1996, Ch. 71; S.L. 2006, Ch. 235)

33-2717A. DECLARATION OF INTENT FOR WRITE-IN CANDIDATE. No write-in vote for library district trustee in a library district election shall be counted unless a declaration of intent has been filed indicating that the person desires the office and is legally qualified to assume the duties of library trustee if elected. The declaration of intent shall be filed with the clerk of the library board not later than forty-five (45) days before the day of election. (History: S.L. 1992, Ch. 4; S.L. 1996, Ch. 71; S.L. 2013, Ch. 135)

To the maximum extent possible, boundaries of trustee zones shall follow the existing boundaries of the electoral precincts of the county. They shall be revised, as necessary, to equalize population and to follow new electoral precinct boundaries following the publication of the report of each decennial census. In order for a library district to be divided into trustee zones, the board of trustees shall pass a motion declaring the district to be divided into trustee zones and providing a legal description of each trustee zone. The board of trustees shall transmit the motion along with the legal description of the trustee zones to the board or boards of county commissioners in the county or counties where the library district is contained and to the board of library commissioners. The board or boards of county commissioners shall have forty-five (45) days from the receipt of the motion and legal description to reject, by adoption of a motion, the establishment of trustee zones proposed by formal motion of the board of trustees of the library district. If the board or boards of county commissioners do not reject the establishment of the trustee zones within the time limit specified, they shall be deemed to be in full force and effect. If a library district is contained in more than one (1) county, a motion of rejection adopted by one (1) board of county commissioners shall be sufficient to keep the trustee zone plan from going into effect. A board of county commissioners shall notify the library board of trustees in writing if a proposal is rejected.

(2) If a proposal for the establishment of trustee zones is rejected by a board of county commissioners, the boundaries of the trustee zones, if any, shall return to the dimensions they were before the rejection. Trustee zones may be redefined and changed, but not more than once every two (2) years after a new set of trustee zones are formally established and in full force and effect.

(3) At the next regular meeting of the board of trustees of the library district following the creation of trustee zones, the public library district board shall appoint from its membership or from other qualified

electors resident in each trustee zone, a person from that zone to serve as a trustee until the next regularly scheduled trustee election from that zone, which election shall be held in an odd-numbered year. The initial election of trustees for the trustee zones shall be for terms of four (4) years for two (2) trustees and thereafter their terms shall be for six (6) years, terms of six (6) years for two (2) trustees and thereafter their terms shall be for six (6) years, and a term of two (2) years for one (1) trustee and thereafter the term shall be for six (6) years, with each zone being assigned an initial term length by a random drawing of the numbers one (1) through five (5).

(4) For the purpose of achieving an orderly transition to terms of six (6) years and hold trustee elections in odd-numbered years, the following schedule shall be followed:

(a) For trustees elected in 2005, their terms shall expire in 2011 and the terms for each of those elected in 2011 shall each be six (6) years and thereafter those terms shall be for six (6) years;

(b) For trustees elected in 2006, their terms shall expire in 2011 and the terms for each of those elected in 2011 shall each be six (6) years and thereafter those terms shall be for six (6) years;

(b) The election on the question shall be held at the same time as the election of school district trustees, next following the filing of the petition, and notice shall be given, the election conducted, and the returns canvassed, as provided in chapter 4, title 33, Idaho Code.

(c) If a majority of the school district electors voting in the election vote in favor of the question a school-community library district shall be established.

(d) No new school-community library shall be established after June 30, 1994. (History: S.L. 1963, Ch. 13; S.L. 1975, Ch. 105; S.L. 1992, Ch. 275; S.L. 1996, Ch. 71)

33-2738. SCHOOL-COMMUNITY LIBRARY DISTRICTS — BOARD OF TRUSTEES — TRUSTEE ZONES. Each school-community library district shall be governed by a board of trustees of five (5) members, who at the time of their selection and during their terms of office shall be qualified electors of the district.

(1) Four (4) of the trustees shall be elected. The procedure for nomination and election of trustees shall be as provided for the nomination and election of trustees of a library district pursuant to this chapter. Each school-community public library district may be divided into four (4) trustee zones with each zone having approximately the same population. In order for a school-community public library district to be divided into trustee zones, the board of trustees shall pass a motion declaring the district to be divided into trustee zones and present a description of boundaries of each trustee zone. The board of trustees shall transmit the motion along with the boundaries of the trustee zones to the board or boards of county commissioners in the county or counties where the school-community public library district is contained. The board or boards of county commissioners shall have forty-five (45) days from the receipt of the motion and description to reject, by adoption of a motion, the establishment of trustee zones proposed by formal motion of the board of trustees of the school-community public library district. If the board or boards of county commissioners do not reject the establishment of the trustee zones within the time limit specified, the zones shall be deemed to be in full force and effect upon the next annual trustee election. If a school-community public library district is contained in more than one (1) county, a motion of rejection adopted by one (1) board of county commissioners shall be sufficient to keep the trustee zone plan from going into effect. A board of county commissioners shall notify the board of trustees in writing if a proposal is rejected.

If a proposal for the establishment of trustee zones is rejected by a board of county commissioners, the boundaries of the trustee zones, if any, shall return to the dimensions they were before the rejection. Trustee zones may be redefined and changed, but not more than once every two (2) years, after a new set of trustee zones are formally established and in full force and effect.

All other matters relating to school-community library public district trustee zones shall be as provided in chapters 4 and 5, title 33, Idaho Code, relating to school district trustee zones.

(2) The fifth trustee of the school-community library district board shall be a member of the school district board and shall be appointed by the school district board from its members at the annual meeting of the school district board. In the case of division of the district into four (4) elected school-community public library trustee zones, this fifth trustee shall serve as a trustee member-at-large.

(3) The initial board, except for the fifth trustee who shall be appointed by the school board, shall be appointed by the board of county commissioners, and shall serve until the next annual election of trustees or until their successors are appointed and qualified. For annexations that will increase the size of an existing contiguous district, there shall be no size restriction on the property being annexed. Noncontiguous areas shall not be annexed unless the area meets the provisions of section 39-2801A, Idaho Code. Upon receiving this petition or written request, the trustees of the existing abatement district must submit the question of annexation to the legal voters of the district at an election held subject to the provisions of section 34-106, Idaho Code. If the interim abatement district provides the same service as an existing abatement district, the interim abatement district shall exclude any area within an existing abatement district. (History: S.L. 2007, Ch. 188; S.L. 2015, Ch. 141)

If such an ordinance is adopted, the board of county commissioners shall retain and may exercise the powers, duties and responsibilities otherwise charged to the abatement district board of trustees by the provisions of this chapter. Any such ordinance shall set forth the powers, duties, responsibilities, compensation, and terms of office of the abatement advisory board and may provide for any such other rules under which the abatement advisory board shall advise the board of county commissioners and conduct its operations. (History: S.L. 1973, Ch. 77)

31-4328. RECREATION FACILITIES RESERVE FUND ELECTION. If the question be approved, the board may make a levy in each year according to the terms so approved, and may again submit the question at the expiration of the period of such levy, for the number of mills and the number of years which the board may at that time determine, or, during the period approved at any such election, if such period be less than ten (10) years or the number of mills be less than three (3), the board may submit to the qualified electors in the same manner as before, the question whether the number of years, or the number of mills, or both, be increased, but not to exceed the maximum herein authorized. If such increase or increases be approved by the electors, the terms of such levy shall be in lieu of those approved in the first instance, but disapproval shall not affect any terms theretofore in effect.

Soil Conservation District Elections Frequently Asked Questions

When are soil conservation district elections held?

Elections for supervisors of solid conservation districts are held on the first Tuesday following the first Monday in November in even-numbered years. Bond, levy and other ballot question elections may be held on the third Tuesday in May or the Tuesday following the first Monday in November of any year. (22-2721, 34-106, *Idaho Code*)

How many supervisors are elected in a soil conservation district and what are their terms of office?

Each soil conservation district board consists of five (5) supervisors. All supervisors must be landowners or farmers of the district where they are elected or appointed and shall be registered to vote in the State of Idaho.

At any time after formation, the supervisors of a district can request permission from the state soil conservation commission to increase the number of supervisors to seven (7).

Each supervisor is elected on a district wide basis and serves a term of four (4) years. The terms of office are staggered. (22-2721, *Idaho Code*)

How do I know if I'm eligible to vote in the election?

You must be a qualified elector (i.e. registered voter) of the state of Idaho and a resident of the district. "Qualified elector" means any person who is eighteen (18) years of age, is a United States citizen and who has resided in this state and in the county at least thirty (30) days next preceding the election at which he desires to vote, and who is registered as required by law. The County Clerk's Election Office or the secretary of the district can tell you if you are eligible to vote in district elections. (22-2717, 34-104, 34-410, 34-1402, *Idaho Code*)

What are the requirements if I want to run for soil conservation district supervisor?

All supervisor candidates must be landowners or farmers of the district where they are elected or appointed and be registered to vote in the State of Idaho.

Candidates file nominating petitions which include the name of the candidate, the position that the candidate is running in and signatures of at least five (5) qualified electors owning land or residing within the boundaries of the district.

The Declaration of Candidacy and Petition of Candidacy forms are available from and are filed with the secretary of the soil conservation district. However, forms are also available from the County Clerk's Election Office.

The nomination must be filed on or before September 1 in the year of the election. The secretary of the district has seven (7) days following the filing to verify the qualifications of the nominee and certify that person is to be placed on the ballot. (22-2717, 22-2721, 34-1404, *Idaho Code*; see *Election Consolidation Calendar for dates*)

Who is responsible for administration of the election?

All elections in the district are conducted by the county clerk in accordance with the provisions of Title 34, Chapter 14, *Idaho Code*. (22-2721, 34-1401, *Idaho Code*)

Are write-in candidates allowed?

Yes, but write-in candidates must file a declaration of intent in order for votes cast for them to be counted. This declaration of intent must be filed with the soil conservation district not less than forty-five (45) days before the election. Declaration of Intent forms are available from the secretary of the district or the County Clerk's Election Office. (22-2721, 34-1407, *Idaho Code*)

Soil Conservation District Elections Frequently Asked Questions

What if only one candidate files?

If after the deadline for filing a declaration of intent as a write-in candidate, it appears that only one (1) qualified candidate has been nominated for each position to be filled, it shall not be necessary for the candidates to stand for election. The board of supervisors declare the candidate to be elected and the soil and water conservation district shall immediately make and deliver the certificate of election. (22-2721, 34-1407, *Idaho Code*)

Is absentee voting allowed?

Yes. Any registered elector of the soil conservation district may vote by absentee ballot. Absentee ballots must be requested in writing from the county clerk. To request an absentee ballot to be mailed to the voter, the request must be received no later than 5 p.m. on the eleventh day before the election. In-person absentee voting is available in the County Clerk's Election Office until 5 p.m. on the Friday before the election. (34-1002, 34-1408, *Idaho Code*)

What hours are polling places open?

The polls open at 8:00 a.m. and remain open until all registered electors of that precinct have appeared and voted or until 8:00 p.m. of the same day, whichever comes first. However, the county clerk may, at his option, open the polls in his jurisdiction at 7:00 a.m. (34-1409, *Idaho Code*)

Can soil conservation district supervisors be recalled?

Yes. The provisions and procedures to recall political subdivision elected officials are outlined in Title 34, Chapter 17, *Idaho Code*. (34-1701, *Idaho Code*)

How are vacancies filled?

Any vacancy occurring in the office of the soil conservation district supervisor, other than by the expiration of the term of office, are filled by a vote of the majority of the supervisors. The supervisors shall certify the name of the appointed supervisor to the state soil and water conservation commission. The soil conservation district shall issue a certificate of such appointment. Appointments are made for either the unexpired term or for a full term depending upon how the supervisors vote when filing the vacancy. (22-2721, *Idaho Code*)

22-2719. CREATION OF SOIL CONSERVATION DISTRICTS. (1) Any twenty-five (25) owners of land lying within the limits of the territory proposed to be organized into a district may file a petition with the state soil and water conservation commission asking that a soil conservation district be organized to function in the territory described in the petition. Such petition shall set forth:

(a) The proposed name of said district;

(b) That there is need, in the interest of the public health, safety and welfare, for a soil conservation district to function in the territory described in the petition;

(c) A description of the territory proposed to be organized as a district, which description shall not be required to be given by metes and bounds or by legal subdivisions, but shall be deemed sufficient if generally accurate;

(d) A request that the state soil and water conservation commission duly define the boundaries for such district; that a referendum be held within the territory so defined on the question of the creation of a soil conservation district in such territory; and that the commission determine that such a district be created.

Where more than one (1) petition is filed covering parts of the same territory, the state soil and water conservation commission may consolidate all of any such petitions.

Soil Conservation District Elections Selected Code Sections

(2) Within thirty (30) days after such petition has been filed with the state soil and water conservation commission, it shall cause due notice to be given of a proposed hearing upon the question of the desirability and necessity, in the interest of the public health, safety and welfare, of the creation of such district, upon the question of the appropriate boundaries to be assigned to such district, upon the propriety of the petition and other proceedings taken under this chapter, and upon all questions relevant to such inquiries. All owners of land within the limits of the territory described in the petition, and of lands within any territory considered for addition to such described territory, and all other interested parties, shall have the right to attend such hearings and to be heard. If it shall appear upon the hearing that it may be desirable to include within the proposed district territory outside of the area within which due notice of the hearing has been given the hearing shall be adjourned and the due notice of further hearing shall be given throughout the entire area considered for inclusion in the district, and such further hearing held. After such hearing, if the commission shall determine upon the facts presented at such hearing and upon such other relevant facts and information as may be available, that there is need in the interest of the public health, safety and welfare, for a soil conservation district to function in the territory considered at the hearing, it shall make and record such determination, and shall define by metes and bounds or by legal subdivisions, the boundaries of such district. In making such determination and in defining such boundaries, the commission shall give due weight and consideration to the topography of the area considered and of the state, the composition of soils therein, the distribution of erosion, the prevailing land use practices, the desirability and necessity of including within the boundaries the particular lands under consideration and the benefits such lands may receive from being included within such boundaries, the relation of the proposed area to the existing watersheds and agricultural regions, and to other soil conservation districts already organized or proposed for organization under the provisions of this chapter, and such other physical, geographical, and economic factors as are relevant, having due regard to the legislature determinations set forth in section 22-2716, Idaho Code. The territory to be included within such boundaries need not be contiguous. If the commission determines after such hearing, after due consideration of the said relevant facts, that there is no need for a soil conservation district to function in the territory considered at the hearing, it shall make and record such determination and shall deny the petition. After six (6) months shall have expired from the date of the denial of such petition, subsequent petitions covering the same or substantially the same territory may be filed as aforesaid and new hearings held and determinations made thereon.

(3) After the commission has made and recorded a determination that there is need, in the interest of the public health, safety and welfare, for the organization of a district in a particular territory and has defined the boundaries thereof, it shall consider the question whether the operation of a district within such boundaries with the powers conferred upon soil conservation districts in this chapter is administratively practicable and feasible. To assist the commission in the determination of such administrative practicability and feasibility, it shall be the duty of the commission, at the next election held after entry of the finding that there is need for the organization of the proposed district and the determination of the boundaries thereof, to hold a referendum, subject to the provisions of section 34-106, Idaho Code, within the proposed district upon the proposition of the creation of the district, and to cause notice of such election to be given as provided in section 34-1406, Idaho Code. The question shall be submitted by ballots upon which the words "For creation of a soil conservation district of the lands below described and lying in the county(ies) of and" and "Against creation of a soil conservation district of the lands below described and lying in the county(ies) of and" shall appear, with a square before each proposition and a direction to insert an X mark in the square before one or the other of said propositions as the voter may favor or oppose creation of such district. The ballot shall set forth the boundaries of such proposed district as determined by the commission. All qualified electors who own lands or reside within the proposed district shall be eligible to vote in said referendum.

(4) The commission shall pay all expenses for the issuance of such notice and the conduct of such hearings and election and shall supervise the conduct of such hearings and election. It shall issue

Soil Conservation District Elections Selected Code Sections

appropriate regulations governing the conduct of such hearings and election. No informalities in the conduct of the election or in any matter relating thereto shall invalidate the election or the result thereof if notice thereof shall have been given substantially as herein provided and the election shall have been fairly conducted.

(5) The commission shall publish the result of the election and shall thereafter consider and determine whether the operation of the district within the defined boundaries is administratively practicable and feasible. If the commission determines that the operation of such district is not administratively practicable and feasible, it shall record such determination and deny the petition. If the commission determines that the operation of such district is administratively practicable and feasible, it shall record such determination and shall proceed with the organization of the district in the manner hereinafter provided. In making such determination the commission shall give due regard and weight to the attitudes of the owners of lands lying within the defined boundaries, the number of landowners and qualified electors eligible to vote in the election who shall have voted, the proportion of the votes cast in the election in favor of the creation of the district to the total number of votes cast, the approximate wealth and income of the landowners of the proposed district, the probable expense of carrying on erosion control and other conservation operations within such district, and such other economic and social factors as may be relevant to such determination, having due regard to the legislative determination set forth in section 22-2716, Idaho Code; provided however, the commission shall not have authority to determine that the operation of the proposed district within the defined boundaries is administratively practicable and feasible unless at least a majority of the votes cast in the election upon the proposition of creation of the district shall have been cast in favor of the creation of such district.

(6) If the commission determines that the operation of the proposed district within the defined boundaries is administratively practicable and feasible, it shall appoint two (2) supervisors to act, with the three (3) supervisors elected as provided hereinafter, as the governing body of the district. Such district shall be a governmental subdivision of this state and a public body corporate and politic, upon the taking of the following proceedings:

(a) The two (2) appointed supervisors shall present to the secretary of state an application signed by them which shall set forth (and such application need contain no detail other than the mere recitals): (i) that a petition for the creation of the district was filed with the state soil and water conservation commission pursuant to the provisions of this chapter and that the proceedings specified in this chapter were taken pursuant to such petition; that the application is being filed in order to complete the organization of the district as a governmental subdivision and a public body, corporate and politic, under this chapter; and that the commission has appointed them as supervisors; (ii) the name and official residence of each of the supervisors, together with a certified copy of the appointments evidencing their right to office; (iii) the term of office of each of the supervisors; (iv) the name which is proposed for the district; and (v) the location of the principal office of the supervisors of the district. The application shall be subscribed and sworn to by each of the said supervisors before an officer authorized by the laws of this state to take and certify oaths, who shall certify upon the application that he personally knows the supervisors and knows them to be the officers as affirmed in the application, and that each has subscribed thereto in the officer's presence.

(b) The application shall be accompanied by a statement by the state soil and water conservation commission, which shall certify (and such statement need contain no detail other than the mere recitals) that a petition was filed, notice issued and hearing held as aforesaid; that the commission did duly determine that there is need, in the interest of the public health, safety and welfare, for a soil conservation district to function in the proposed territory and did define the boundaries thereof; that notice was given and an election held on the question of the creation of such district, and that the result of the election showed a sixty percent (60%) majority of the votes cast in the election to be in favor of the creation of the district; that thereafter the commission did duly determine that the operation of the

Soil Conservation District Elections Selected Code Sections

proposed district is administratively practicable and feasible. The said statement shall set forth the boundaries of the district as they have been defined by the commission.

(c) The secretary of state shall examine the application and statement and, if he finds that the name proposed for the district is not identical with that of any other soil conservation district of this state or so nearly similar as to lead to confusion or uncertainty, he shall receive and file them and shall record them in an appropriate book of record in his office.

(d) If the secretary of state finds that the name proposed for the district is identical with that of any other soil conservation district of this state, or so nearly similar as to lead to confusion and uncertainty, he shall certify such fact to the state soil and water conservation commission which shall thereupon submit to the secretary of state a new name for the said district, which shall not be subject to such defects. Upon receipt of such new name free of such defects, the secretary of state shall record the application and statement with the name so modified, in an appropriate book of record in his office. When the application and statement have been made, filed and recorded, as herein provided, the district shall constitute a governmental subdivision of this state and a public body corporate and politic. The secretary of state shall make and issue to the said supervisors a certificate under the seal of the state, of the due organization of the said district, and shall record such certificate with the application and statement. The boundaries of such district shall include the territory as determined by the state soil and water conservation commission as aforesaid, but in no event shall they include any area included within the boundaries of another soil conservation district organized under the provisions of this chapter except as provided in section 22-2720, Idaho Code.

(7) After six (6) months shall have expired from the date of entry of a determination by the state soil and water conservation commission that operation of a proposed district is not administratively practicable and feasible, and denial of a petition pursuant to such determination, subsequent petitions may be filed as aforesaid, and action taken thereon in accordance with the provisions of this chapter.

(8) Petitions for including additional territory within an existing district may be filed with the state soil and water conservation commission and the proceedings herein provided for in the case of petitions to organize a district shall be observed in the case of petitions for such inclusion. The commission shall prescribe the form for such petitions, which shall be as nearly as may be in the form prescribed in this chapter for petitions to organize a district. Where the total number of landowners in the area proposed for inclusion is less than twenty-five (25), the petition may be filed when signed by a two-thirds (2/3) majority of the owners of such area, and in such case no election need be held. In elections upon petitions for such inclusion, all owners of land and qualified electors lying within the proposed additional area shall be eligible to vote.

(9) Incorporated cities, not already included within a district, may be included by presentation of a request of the district approved by the governing body along with a request of the city approved by the mayor and council, to the state soil and water conservation commission. The commission shall consider and act on such joint request at the earliest convenience. If the joint request is denied, the commission shall so notify the district and city in writing and state the reasons for such denial. After six (6) months shall have expired from the date of denial of such joint request, a subsequent joint request may again be made. If the joint request is approved, the commission shall then cause the necessary papers to be filed with the secretary of state. This shall include an amended legal description of the boundaries of the total district. (History: S.L. 1957, Ch. 218; S.L. 1973, Ch. 164; S.L. 1995, Ch. 118; S.L. 2010, Ch. 279)

22-2720. CONSOLIDATION OF OR DELETION FROM AND ADDITION TO NEW OR EXISTING DISTRICTS. (1) Petitions for consolidating two (2) or more existing districts or for deleting territory from one (1) or more existing districts and adding the deleted territory to one (1) or more existing districts or incorporating the deleted territory into a new district or districts may be filed with the state soil and water conservation commission on such forms as may be prescribed by the state soil and water conservation

commission.

(2) The petitions provided for in subsection (1) of this section shall be signed by twenty-five (25) landowners in the area proposed to be consolidated or the area proposed to be deleted plus the district or districts to which it is to be added or the territory which is to be included in a new district or districts, as the case may be. Provided however, if two-thirds (2/3) of the landowners of all such territory total less than twenty-five (25), then such lesser number of signatures will suffice for the petition.

(3) Within thirty (30) days after receipt of such a petition, the state soil and water conservation commission shall cause due notice of hearing on the matter to be given in all of the areas concerned.

(4) At the close of the hearing, the state soil and water conservation commission shall make and record the following determinations:

(a) Whether or not, in the opinion of the commission, the proposal set forth by the petition would serve the public health, safety and welfare.

(b) Whether or not, in the opinion of the commission, the proposal set forth by the petition is administratively practicable and feasible.

(5) If either or both of the determinations made under subsection (4) of this section are in the negative, the matter is closed. Provided however, after six (6) months have expired from the date of such determination, a new petition may be filed involving substantially the same proposals.

(6) If both of the determinations made under subsection (4) of this section are in the affirmative and if the proposal involves the consolidation of two (2) or more existing districts or if the proposal involves the deletion of territory from one (1) or more districts and the addition of that territory to another existing district or districts, then the commission shall proceed to effect the change as per the commission's determinations hereinbefore referred to. The state soil and water conservation commission shall effect the change by filing with the secretary of state a sworn statement of a member of the commission stating:

(a) The name of the district or districts which are consolidated, if any;

(b) The name of the district or districts from which the territory is deleted or added, if any; and

(c) A description of the boundaries of the consolidated district or of the territory remaining in the district or districts deleted from and the district or districts added to, according to the commission's determination.

From and after the time of filing of such statement with the secretary of state, the changes will be effective. If the name of a district formed by the consolidation of two (2) or more existing districts differs from that of either of the consolidated districts, the secretary of state shall issue and record a new certificate of organization of said district.

(7) Within ten (10) days after the filing of a statement providing for the formation of a consolidated district as prescribed in subsection (6) of this section, the supervisors of each district involved in the consolidation shall meet and, from their number, shall designate a chairman of the consolidated district. Incumbent supervisors of districts involved in a consolidation may serve until any such supervisor's term expires. Any vacancy on the governing body of a district formed by consolidation shall not be filled until only five (5) supervisors, or seven (7) upon written request pursuant to section 22-2721, Idaho Code, remain on the governing body of such district. Thereafter, vacancies shall be filled consistent with procedures prescribed in section 22-2721, Idaho Code.

(8) A district formed by the consolidation of two (2) or more districts shall receive a sum not to exceed eight thousand five hundred dollars (\$8,500) for each district involved in the formation of the consolidated district for a period of three (3) years after the formation of such district. The maximum allocation of fifty thousand dollars (\$50,000) per district set forth in section 22-2727, Idaho Code, shall not apply to a district formed by consolidation for a period of three (3) years following the formation of such district. Upon expiration of the three (3) year time period, a district formed by consolidation shall be treated as one (1) district and shall be subject to all provisions of section 22-2727, Idaho Code.

(9) The office of any district supervisor is hereby declared to be vacant when, after the deletion of territory, such district supervisor is no longer a landowner within the district deleted from.

Soil Conservation District Elections Selected Code Sections

(10) If both of the determinations made under subsection (4) of this section are in the affirmative and if the proposal involves the addition of territory deleted from one (1) or more existing districts to other territory thus forming a new district, a referendum shall be held and other procedures followed as in cases involving the original formation of a district where no existing district is involved. In such a case, due notice shall be given in the area which may comprise the new district.

(11) If a new district is formed under the procedure prescribed in subsection (10) of this section, part of the area which is composed of an old district, the state soil and water conservation commission shall cause to be filed with the secretary of state a sworn statement of a member of the commission stating:

(a) The name of the district or districts deleted from; and

(b) A description of the boundaries of the territory remaining in the district or districts deleted from.

From and after the time of filing of such statement with the secretary of state, the change in the boundaries of the existing districts shall be effective. (History: S.L. 1957, Ch. 218; S.L. 2010, Ch. 279)

22-2721. ELECTION, APPOINTMENT, QUALIFICATIONS AND TENURE OF SUPERVISORS. (1) The governing body of the district shall consist of five (5) supervisors, elected or appointed as provided in this chapter. Elections shall be conducted pursuant to the provisions of this section and the uniform district election law, chapter 14, title 34, Idaho Code. If at any time the supervisors of a district deem it necessary, they may request permission from the state soil and water conservation commission to increase the number of supervisors to seven (7). Upon receipt of such a request in writing, signed by all five (5) supervisors, stating a valid reason for such need, the commission shall grant permission. The additional supervisors shall then be appointed as outlined in this section until such time as regular district elections for two (2) supervisors in each district. At that time those districts having seven (7) supervisors shall then elect four (4) supervisors for four (4) year terms. The two (2) supervisors appointed by the district shall be persons who are by training and experience qualified to perform the specialized services which will be required of them in the performance of their duties. All supervisors shall be landowners or farmers of the district where they are elected or appointed and shall be registered to vote in the state of Idaho.

(2) Within thirty (30) days after the date of issuance by the secretary of state of a certificate of organization of a soil conservation district, nominating petitions may be filed with the state soil and water conservation commission to nominate candidates for supervisors of each district. The county clerk shall conduct the election for the district in compliance with chapter 14, title 34, Idaho Code, and shall be the election official for the district. The election official shall have authority to extend the time within which nominating petitions may be filed. Nominating petitions shall be filed with the secretary of the district, and no such nominating petition shall be accepted by the election official unless it shall be subscribed by not less than five (5) persons who are qualified electors owning land or residing within the boundaries of the district. The election official shall give due notice of an election to be held, subject to the provisions of section 34-106, Idaho Code, for the election of three (3) supervisors for the district. The names of all nominees on behalf of whom such nominating petitions have been filed within the time herein designated shall appear upon ballots, with directions to choose three (3) names to indicate the voter's preference. The three (3) candidates who shall receive the largest number, respectively, of the votes cast in such election shall be the elected supervisors for such district.

(3) All elections in districts shall be conducted by the county clerk. Such election shall be held on the first Tuesday succeeding the first Monday of November in each even-numbered year. Such elections shall be in compliance with the provisions of chapter 14, title 34, Idaho Code, and shall be supervised and conducted by the county clerk. The cost of conducting such elections shall be borne by the county that conducted the election. The county clerk shall certify to the soil and water conservation district the names of the elected supervisors. The soil and water conservation district shall issue certificates of election to each elected supervisor so certified. The county clerk or county clerks of the county or counties in which the district is located shall conduct the election for the soil conservation district, and the county clerk must

provide a ballot for the district election and must provide a process that allows only qualified electors of the district to vote in that district's election.

(4) In any election for supervisor, if after the deadline for filing a declaration of intent as a write-in candidate, it appears that the number of qualified candidates who have been nominated is equal to the number of supervisors to be elected, it shall not be necessary for the candidates to stand for election, and the board of supervisors shall declare such candidates elected as supervisors, and the soil and water conservation district shall immediately make and deliver to such persons certificates of election.

(5) The supervisors shall designate a chairman and may, from time to time, change such designation. The term of office of each supervisor shall be four (4) years commencing on the first day of January next following election, except that the two (2) supervisors who are first appointed shall be designated to serve for terms of two (2) years. A supervisor shall hold office until a qualified successor has been elected or appointed. Vacancies shall be filled for the unexpired term. The selection of successors to fill an unexpired term, or for a full term shall be made by a vote of the majority of the supervisors duly qualified and acting at the time the vacancy shall arise and the supervisors shall certify the name of the appointed supervisor to the state soil and water conservation commission. The soil conservation district shall issue a certificate of such appointment.

(6) A majority of the supervisors shall constitute a quorum and the concurrence of a majority in any matter within their duties shall be required for its determination. A supervisor shall be entitled to expenses, including travel expense, necessarily incurred in the discharge of duties. A supervisor shall receive no compensation for services from regular district funds, county funds authorized in section 22-2726, Idaho Code, or state funds authorized in section 22-2727, Idaho Code.

(7) In the event the district has a special project, approved by the state soil and water conservation commission, making project funds available from federal or other sources, a supervisor may receive compensation not to exceed thirty-five dollars (\$35.00) per day plus actual and necessary expenses from project funds for services directly related to the project.

(8) The supervisors may employ a secretary, technical experts, and such other officers, agents, and employees, permanent and temporary as they may require, and shall determine their qualifications, duties and compensation. The supervisors may call upon the attorney general of the state for such legal services as they may require or may employ their own counsel and legal staff. The supervisors may delegate to their chairman, to one (1) or more supervisors, or to one (1) or more agents, or employees, such powers and duties as they may deem proper. The supervisors shall furnish to the state soil and water conservation commission, upon request, copies of such ordinances, rules, orders, contracts, forms and other documents as they shall adopt or employ, and such other information concerning the supervisors' activities as the commission may require in the performance of the commission's duties under this chapter.

(9) The supervisors shall provide for the execution of surety bonds for all employees and officers who shall be entrusted with funds or property; they shall provide for the keeping of a full and accurate record of all proceedings and of all resolutions, and orders issued or adopted; and shall provide for independent financial audits in accordance with the provisions of section 67-450B, Idaho Code. Supervisors shall be subject to recall in accordance with the provisions of chapter 17, title 34, Idaho Code.

(10) The supervisors may invite the legislative body of a municipality or county located near the territory comprised within the district to designate a representative to advise and consult with the supervisors of the district on all questions of program and policy which may affect the property, water supply, or other interests of such municipality or county. 22-2725. DISCONTINUANCE OF DISTRICTS. (1) At any time after five (5) years after the organization of a district under the provisions of this chapter, any twenty-five (25) owners of land lying within the boundaries of such district may file a petition with the state soil and water conservation commission requesting that the operations of the district be terminated and the existence of the district discontinued. The commission may conduct such public meetings and public hearings upon such petition as may be necessary to assist it in the consideration thereof. Within sixty (60) days after such petition has been received by the commission, it shall give due notice to the county clerk of the holding of an election, subject to the provisions of section 34-106, Idaho Code, and the county clerk shall supervise the election, and issue appropriate regulations governing such election as are consistent with chapter 14, title 34, Idaho Code, the question to be submitted by ballots upon which the words "For terminating the existence of the (name of the soil conservation district to be here inserted)" shall appear, with a square before each proposition and a direction to mark the ballot as the voter may favor or oppose discontinuance of such district. All qualified electors who reside within the proposed district shall be eligible to vote in said election. No informalities in the conduct of the election or in any matters relating thereto shall invalidate the election or the result thereof if notice thereof shall have been given substantially as herein provided and the election shall have been fairly conducted.

(2) The commission shall publish the result of the election and shall thereafter consider and determine whether the continued operation of the district within the defined boundaries is administratively practicable and feasible. If the commission determines that the continued operation of such district is administratively practicable and feasible, it shall record such determination and deny the petition. If the commission determines that the continued operation of such district is not administratively practicable and feasible, it shall record such determination and shall certify such determination to the supervisors of the district. In making such determination the commission shall give due regard and weight to the attitudes of the owners of lands lying within the district, the number of residents eligible to vote in the election who shall have voted, the proportion of the votes cast in the election in favor of the discontinuance of the district to the total number of votes cast, the approximate wealth and income of the landowners of the district, the probable expense of carrying on such erosion-control operations within such district, and such other economic and social factors as may be relevant to such determination, having due regard to the legislative findings set forth in section 22-2716, Idaho Code, provided however, that the commission shall not have authority to determine that the continued operation of the district is administratively practicable and feasible unless at least a majority of the votes cast in the election shall have been cast in favor of the continuance of such district.

(3) Upon receipt from the state soil and water conservation commission of a certificate that the commission has determined that the continued operation of the district is not administratively practicable and feasible pursuant to the provisions of this section, the supervisors shall forthwith proceed to terminate the affairs of the district. The supervisors shall dispose of all property belonging to the district at public auction and shall pay over the proceeds of such sale to be covered into the state treasury. The supervisors shall thereupon file an application duly verified, with the secretary of state for the discontinuance of such district, and shall transmit with such application the certificate of the state soil and water conservation commission setting forth the determination of the commission that the continued operation of such district is not administratively practicable and feasible. The application shall recite that the property of the district has been disposed of and the proceeds paid over as in this section provided and shall set forth a full accounting of such properties and proceeds of the sale. The secretary of state shall issue to the supervisors a certificate of dissolution and shall record such certificate in an appropriate book of record in his office.

(4) Upon issuance of a certificate of dissolution under the provisions of this section, all contracts theretofore entered into, to which the district or supervisors are parties, shall remain in force and effect for the period provided in such contracts. The state soil and water conservation commission shall be substituted for the district or supervisors as party to such contracts.

(5) The state soil and water conservation commission shall not entertain petitions for the discontinuance of any district nor conduct elections upon such petitions nor make determinations pursuant to such petitions in accordance with the provisions of this chapter, more often than once in five (5) years. (History: S.L. 1957, Ch. 218; S.L. 1995, Ch. 118; S.L. 2009, Ch. 341; S.L. 2010, Ch. 279)

Water & Sewer District Elections Frequently Asked Questions

When are water & sewer district elections held?

Elections for directors for water and sewer districts are held biennially on the third Tuesday in May of odd-numbered years. Recreational water and sewer districts created under 42-3202B also hold biennial elections on the third Tuesday in May; however, they are exempt from the other provisions of Title 34, Chapter 14, Idaho Code. Bond, levy and other ballot question elections may be held on the third Tuesday in May or the Tuesday following the first Monday in November of any year. *(34-106, 42-3211, Idaho Code)*

How many directors are elected in a water & sewer district and what are their terms of office?

Each water & sewer district is governed by a board of five (5) directors. At the first biennial election and every 6th year thereafter, one member is elected for a term of six years; at the second biennial election and each 6th year thereafter, two members are elected for a term of six years; at the third biennial election and each 6th year thereafter, two members are elected for a term of six years. Each director is elected on a district wide basis.

The board of directors of any water or sewer district organized under the provisions of chapter 32, title 42, Idaho Code, may at any time, on their own motion, call an election to submit to the qualified electors of a proposed water or sewer subdistrict the question of the creation of a water or sewer subdistrict. The election shall be called, held, and conducted pursuant to the provisions of chapter 32, title 42, Idaho Code. Whenever the creation of more than one (1) water or sewer subdistrict is submitted at the same election, separate ballots and separate propositions shall be used in voting on the question of creating each water or sewer subdistrict. *(42-3211, 42-3218A, Idaho Code)*

How do I know if I'm eligible to vote in water & sewer district elections?

You must be a qualified elector (i.e. registered voter) of the State of Idaho and a 30-day resident of the district prior to the election. "Qualified elector" means any person who is eighteen (18) years of age, is a United States citizen and who has resided in this state and in the county at least thirty (30) days next preceding the election at which he desires to vote, and who is registered as required by law. The County Clerk's election department or the secretary of the district can tell you if you are eligible to vote in district elections. *(34-104, 34-1402, 42-3202, Idaho Code)*

What are the requirements if I want to run for water & sewer district director?

Director candidates must be qualified electors of the district.

Candidates for election as a water & sewer district director file nominating petitions which include the name of the candidate, the office that the candidate is running for, the term of office and signatures of at least five (5) electors from the district.

The Declaration of Candidacy and Petition of Candidacy forms are available from and are filed with the secretary of the board. However, forms can also be obtained from the County Clerk's Election Office.

The nomination must be filed not later than 5:00 p.m. on the ninth Friday preceding the election. The secretary of the district has seven (7) days following the filing to verify the qualifications of the nominee and certify that person is to be placed on the ballot. *(34-1404, 42-3207, Idaho Code; see Election Consolidation Calendar for dates)*

Who is responsible for administration of the election?

The county clerk administers district elections in accordance with the provisions of Title 34, Chapter 14, Idaho Code. The county clerk shall conduct the election and shall appoint judges to conduct it. The county clerk performs all necessary duties of the election of the district including, but not limited to, publication of the notice of the filing deadline and the notice of the election, and preparation of the election calendar. Recreational water and sewer districts as defined in section 42-3202A are exempt from election consolidation. *(34-1401, 42-3211, Idaho Code)*

Water & Sewer District Elections Frequently Asked Questions

Are write-in candidates allowed?

Yes, but write-in candidates must file a declaration of intent in order for votes cast for them to be counted. This declaration of intent must be filed with the secretary of the water & sewer district not less than forty-five (45) days before the election. Declaration of Intent forms are available from the secretary of the district or the county clerk's elections office. *(34-1407, Idaho Code)*

If after the deadline for filing a declaration of intent as a write-in candidate, it appears that the number of qualified candidates is equal to the number of directors to be elected, no election will be held. The board of directors declares the candidate(s) to be elected and the secretary of the district shall immediately make and deliver a certificate of election to the candidate(s) signed by him and bearing the seal of the district. *(34-1407, 42-3211, Idaho Code)*

What hours are polling places open?

The polls open at 8:00 a.m. and remain open until all registered electors of that precinct have appeared and voted or until 8:00 p.m. of the same day, whichever comes first. However, the county clerk may, at his option, open the polls in his jurisdiction at 7:00 a.m. *(34-1409, Idaho Code)*

Can water & sewer district directors be recalled?

Yes. The provisions and procedures to recall political subdivision elected officials are outlined in Title 34, Chapter 17, Idaho Code. *(34-1701, Idaho Code)*

How are vacancies filled?

Any vacancy occurring on the board is filled by the remaining members or member of the board. The appointee serves until the next biennial election. If the board shall fail, neglect or refuse to fill any vacancy within thirty (30) days after the same occurs, the court having jurisdiction shall fill such vacancy. In the event the board has created director zones and is unable to appoint a board member from the zone vacated, the board may appoint a person-at-large who is an elector of the water and/or sewer district to serve as director of the zone where the vacancy occurred. *(42-3210, Idaho Code)*

The proposed district shall be in the best interests of the state of Idaho in that the benefits derived by property owners shall effectuate the preservation and development of recreational opportunities within the state.

An annexation shall not change the status of a recreational water and/or sewer district. (History: S.L. 1975, Ch. 189; S.L. 197, Ch. 272; S.L. 1980, Ch. 191; S.L. 1982, Ch. 364; S.L. 2016, Ch. 278)

42-3202B. WATER AND/OR SEWER DISTRICTS MEETING THE CRITERIA OF RECREATIONAL WATER AND/OR SEWER DISTRICTS — CREATION. Each petition filed with the clerk of the district court pursuant to the provisions of this chapter shall be verified and the petitioner shall certify or prove to the satisfaction of the court that the district sought to be created is a recreational water and/or sewer district under the terms of section 42-3202A, Idaho Code. The court decree pursuant to the provision of section 42-3207, Idaho Code, determining the nature of such district pursuant to the petitioner's prayer shall be conclusive for this and all other purposes. If the water and/or sewer district sought to be created is a recreational water and/or sewer district as defined in section 42-3202A, Idaho Code, such recreational water or sewer district shall be created in the manner provided in chapter 32, title 42, Idaho Code, except that the term, "qualified elector" shall mean any natural person who is qualified to vote in an Idaho general election, and who is an actual resident of the district, or who is an actual resident of Idaho, owning land within the boundaries of the district or area to be included within the district, or is a lease holder of a state recreational lease, or is a permit holder of a federal recreational use permit and pays personal property tax on improvements on the lease or permit area, irrespective of his or her place of residence in Idaho. The holder or holders of a bona fide contract to purchase any land within the proposed district whose names appear upon the next preceding county assessment roll for the payment of taxes on the land shall be deemed an owner of land for the purposes of this section. (History: S.L. 1979, Ch. 272; S.L. 1980, Ch. 191; S.L. 1982, Ch. 364; S.L. 1995, Ch. 118)

42-3202C. CHANGING STATUS OF DISTRICT. The board of directors of a water and/or sewer district may, at any time after the formation of such district, determine that the district qualifies as a recreational water and/or sewer district as defined under section 42-3202A, Idaho Code, and that it is in the best interest of the district to petition the court to change the district's status to a recreational water and/or sewer district. Said petition must be filed in the office of the clerk of the court vested with jurisdiction, in a county in which the major part of the real property in the existing district is situated. The petition must be signed by the chairman of the district's board of directors and shall set forth the following:

(1) The name of the existing district, date on which said district was formed and a general description of the district's boundaries.

(2) That the petition was initiated after a majority vote of the board of directors that it is in the best

Water & Sewer District Elections Selected Code Sections

interest of the district to change its status to a recreational water and/or sewer district.

(3) The criteria the district meets under section 42-3202A, Idaho Code, thereby qualifying it as a recreational water and/or sewer district.

(4) A prayer for changing the status of the existing district to that of a recreational water and/or sewer district.

Upon filing of the petition, the court shall by order fix a time and place for hearing as provided in section 42-3206, Idaho Code. Upon the hearing of said petition any interested persons or corporations may appear before said court and make objections to the proposed status change. Further, if it then shall appear that the petition for a change in status has been signed and presented as hereinabove provided and the allegations of the petition are true, the court shall by order duly entered of record, grant the prayed for change of status of the existing district. (History: S.L. 1988, Ch. 302)

42-3203. JURISDICTION TO ESTABLISH DISTRICTS. The district court sitting in and for any county in this state, or any judge thereof in vacation, is hereby vested with jurisdiction, power and authority to establish districts which may be entirely within or partly within and partly without the judicial district in which said court is located. (History: S.L. 1947, Ch. 152)

42-3204. PETITION — CONTENTS — AMENDMENTS. The organization of a district shall be initiated by a petition filed in the office of the clerk of the court vested with jurisdiction, in a county in which the major part of the real property in the proposed district is situated. The petition shall be signed by not less than ten per cent (10%) of the taxpayers of the district, who pay a general tax on real property owned by him or her within the district; provided, however, that no single tract or parcel of property containing five (5) acres or more may be included in any district organized under this act without the consent of the owner or owners thereof.

The petition shall set forth:

(1) The name of the proposed district consisting of a chosen name preceding the words, "water district" or "sewer district," or "water and sewer district."

(2) A general description of the improvements to be constructed or installed within and for the district.

(3) The estimated cost of the proposed improvements.

(4) A general description of the boundaries of the district or the territory to be included therein, with such certainty as to enable a property owner to determine whether or not his property is within the district.

(5) A prayer for the organization of the district.

No petition with the requisite signatures shall be declared null and void on account of alleged defects, but the court may at any time permit the petition to be amended to conform to the facts by correcting any errors in the description of the territory, or in any other particular. Similar petitions or duplicate copies of the same petition for the organization of the same district may be filed and shall together be regarded as one petition. All such petitions filed prior to the hearing on the first petition filed, shall be considered by the court the same as though filed with the first petition placed on file. (History: S.L. 1947, Ch. 152)

42-3205. BOND OF PETITIONERS. At the time of filing the petition or at any time subsequent thereto, and prior to the time of hearing on said petition a bond shall be filed, with security approved by the court, sufficient to pay all expenses connected with the proceedings in case the organization of the district be not effected. If at any time during the proceeding the court shall be satisfied that the bond first executed is insufficient in amount, it may require the execution of an additional bond within a time to be fixed, not less than ten (10) days distant, and upon failure of the petitioner to execute the same, the petition shall be dismissed. (History: S.L. 1947, Ch. 152)

42-3206. NOTICE OF HEARING ON PETITION — JURISDICTION. Immediately after the filing of such petition, the court wherein such petition is filed or a judge thereof in vacation, shall by order fix a place and time, not less than twenty (20) days nor more than forty (40) days after the petition is filed, for hearing thereon and thereupon the clerk of said court shall cause notice by publication to be made of the pendency of the petition and of the time and place of hearing thereon; the clerk of said court shall also forthwith cause a copy of said notice to be mailed by U.S. registered mail to the board of county commissioners of each of the several counties and to the governing body of each municipality having territory within the proposed district.

The district court in and for the county in which the petition for the organization of a district has been filed, shall thereafter for all purposes of this act, except as hereinafter otherwise provided, maintain and have original and exclusive jurisdiction, coextensive with the boundaries of the district, and of the real property proposed to be included in said district or affected by said district without regard to the usual limits of its jurisdiction.

No judge of such court wherein such petition is filed shall be disqualified to perform any duty imposed by this act by reason of ownership of property within any proposed district. (History: S.L. 1947, Ch. 152)

42-3207. HEARINGS ON PETITIONS — ELECTION FOR ORGANIZATION AND DIRECTORS. On the day fixed for such hearing or at any adjournment thereof the court shall ascertain from the tax rolls of the county or counties in which the district is located or into which it extends, the total number of taxpayers within the proposed district, who pay a general tax on real property owned by him or her within the district.

If the court finds that no petition has been signed and presented in conformity with this chapter, or that the material facts are not as set forth in the petition filed, it shall dismiss said proceedings and adjudge the costs against the signers of the petition in such proportion as it shall deem just and equitable. No appeal or writ of error shall lie from an order dismissing said proceedings; but nothing herein shall be construed to prevent the filing of a subsequent petition or petitions for similar improvements or for a similar district, and the right so to renew such proceedings is hereby expressly granted and authorized.

Any time after the filing of the petition for the organization of a district and before the day fixed for the hearing thereon, the owner or owners of any real property within the proposed district may file a petition with the court stating reasons why said property should not be included therein, why his land or any part thereof will not be benefited by the proposed district, or should not be embraced in said district and made liable to taxation therefor, and praying that said property be excluded therefrom. Such petition shall be duly verified and shall describe the property sought to be excluded. The court shall conduct a hearing on said petition and shall hear all objections to the inclusion in the district of any lands described in said petition. In case any owner of real estate included in said proposed district shall satisfy the court that his real estate, or any part thereof, has been wrongfully included therein or will not be benefited thereby then the court shall exclude such real estate as will not be benefited.

Upon said hearing, if it shall appear that a petition for the organization of a district has been signed and presented as hereinabove provided, in conformity with this chapter, and the allegations of the petition are true, the court shall, by order duly entered of record, direct that the question of the organization of the district shall be submitted to the qualified electors of the district.

Such election shall be held in conformity with the general election in this state, including chapter 14, title 34, Idaho Code, except that the court shall establish as many election precincts within such proposed district as are deemed necessary, and shall define the boundaries thereof, which precincts and boundaries may thereafter be changed by the county commissioners if the district is organized.

At any time after the filing of the petition herein referred to and before the day fixed for hearing, nominees for the board of directors of the district may be nominated by the filing of a petition designating the name or

Water & Sewer District Elections Selected Code Sections

names of the nominee or nominees, signed by at least five (5) qualified electors of the district. If upon the hearing as herein provided the court shall order an election for the creation of the district, the court shall also ascertain the names of persons nominated by the board of directors, and shall order that the names of persons whom the court finds to have been properly nominated shall be listed upon a ballot submitted to the electors at such election. In the event the court makes its order providing for such election, it shall prescribe the form of the question and ballot relating to the creation of the district, and also the form of the ballot relating to the election of the directors; provided that all matters may be contained upon one (1) ballot to be submitted to the voters.

At such election the voters shall vote for or against the organization of the district, and for five (5) qualified electors, who shall constitute the board of directors of the district, if organized, one (1) director to act until the first biennial election, two (2) until the second, and two (2) until the third biennial election.

The judges of election shall certify the returns of the election to the district court having jurisdiction. If a majority of the votes cast at said election are in favor of the organization, the district court shall declare the district organized and give it a corporate name by which, in all proceedings, it shall thereafter be known, and designate the first board of directors elected, and thereupon the district shall be a governmental subdivision of the state of Idaho and a body corporate with all the powers of a public or quasi-municipal corporation.

If an order be entered establishing the district, such order shall be deemed final and no appeal or writ of error shall lie therefrom, and the entry of such order shall finally and conclusively establish the regular organization of the said district against all persons except the state of Idaho, in an action in the nature of a writ of quo warranto, commenced by the attorney general within thirty (30) days after said decree declaring such district organized as herein provided, and not otherwise. The organization of said district shall not be directly or collaterally questioned in any suit, action or proceeding except as herein expressly authorized. (History: S.L. 1947, Ch. 152; S.L. 1955, Ch. 63; S.L. 1957, Ch. 29; S.L. 1967, Ch. 186; S.L. 1995, Ch. 118; S.L. 2010, Ch. 185)

42-3208. QUALIFICATION OF MEMBERS OF BOARD. Whenever a district has been declared duly organized, the members of the board shall qualify by filing with the clerk of court their oaths of office, and corporate surety bonds at the expense of the district in an amount not to exceed \$1,000 each, the form thereof to be fixed and approved by the court, conditioned for the faithful performance of their duties as directors. (History: S.L. 1947, Ch. 152)

42-3209. ORGANIZATION OF BOARD — ACCOUNTS OF TREASURER — COMPENSATION OF MEMBERS — ANNUAL AUDIT — REMOVAL OF DIRECTORS. After taking oath and filing bonds, the board shall choose one (1) of its members as chairman of the board and president of the district, and shall elect a secretary and a treasurer of the board and of the district, who may or may not be members of the board. The secretary and the treasurer may be one person. Such board shall adopt a seal and the secretary shall keep, in a well-bound book, a record of all its proceedings, minutes of all meetings, certificates, contracts, bonds given by employees and all corporate acts which shall be open to inspection of all owners of real property in the district, as well as to all other interested parties.

The treasurer shall keep strict and accurate accounts of all money received by and disbursed for and on behalf of the district, in permanent records. He shall file with the clerk of the court, at the expense of the district, a corporate fidelity bond in an amount not less than five thousand dollars (\$5,000), conditioned on the faithful performance of the duties of his office.

Each member of the board shall receive as compensation for his service a sum not in excess of one hundred dollars (\$100.00) per meeting, payable monthly. No member of the board shall receive any compensation as an employee of the district or otherwise, other than that herein provided, and no member of the board shall be interested in any contract or transaction with the district except in his official

representative capacity.

It shall be the duty of the board of directors to cause an audit to be made of all financial affairs of the district during each year ending November 30th as required in section 67-450B, Idaho Code.

The court having jurisdiction of the district shall have the power to remove directors for cause shown, on petition, notice and hearing. (History: S.L. 1947, Ch. 152; S.L. 1965, Ch. 191; S.L. 1977, Ch. 7; S.L. 1993, Ch. 44; S.L. 1993, Ch. 387; S.L. 2003, Ch. 36)

42-3210. MEETINGS — VACANCIES. The board shall meet regularly once each month at a time and in a place to be designated by the board. Special meetings may be held as often as the needs of the district require, on notice to each member of the board. Three (3) members of the board shall constitute a quorum at any meeting. Any vacancy on the board shall be filled by the remaining members or member of the board, the appointee to act until the next biennial election when the vacancy shall be filled by election. If the board shall fail, neglect or refuse to fill any vacancy within thirty (30) days after the same occurs, the court having jurisdiction shall fill such vacancy. In the event the board has created director zones and is unable to appoint a board member from the zone vacated, the board may appoint a person-at-large who is an elector of the water and/or sewer district to serve as director of the zone where the vacancy occurred. (History: S.L. 1947, Ch. 152; S.L. 2016, Ch. 278)

42-3211. ELECTIONS — TERMS OF OFFICE. (1) On the third Tuesday in May, in the first odd-numbered year after the organization of any district, and on the third Tuesday in May every second year thereafter an election shall be held, which shall be known as the biennial election of the district. Such election shall be held and conducted consistent with the provisions of chapter 14, title 34, Idaho Code.

(2) In districts created under section 42-3202B, Idaho Code, biennial elections shall be held on the third Tuesday in May.

(3) At the first biennial election in any district hereafter organized, and each sixth year thereafter, there shall be elected by the qualified electors of the district, one (1) member of the board to serve for a term of six (6) years; at the second biennial election and each sixth year thereafter, there shall be elected two (2) members of the board to serve for terms of six (6) years, and at the third biennial election, and each sixth year thereafter, there shall be elected two (2) members of the board to serve for terms of six (6) years.

In any election for director, if after the deadline for filing a declaration of intent as a write-in candidate, it appears that the number of qualified candidates who have been nominated is equal to the number of directors to be elected, it shall not be necessary for the candidates to stand for election, and the board of directors shall declare such candidates elected as directors, and the secretary of the district shall immediately make and deliver to such persons certificates of election signed by him and bearing the seal of the district. (History: S.L. 1947, Ch. 152; S.L. 1957, Ch. 29; S.L. 1980, Ch. 257; S.L. 1995, Ch. 118; S.L. 2009, Ch. 341; S.L. 2010, Ch. 185; S.L. 2011, Ch. 11)

42-3211a. EXPIRATION OF TERM. Any person serving as a board member for a recreational water district, recreational sewer district or a recreational water and sewer district, whose term of office would, after the effective date of this act, expire in January shall continue to serve until the following July election, and all subsequently elected board members shall serve terms of office beginning and ending in July. (History: S.L. 1980, Ch. 257)

42-3211b. DECISION TO ESTABLISH BOARD DIRECTOR ZONES. Subsequent to the creation of a water and/or sewer district and the election of the first board of directors, the water and/or sewer district board of directors may elect, by resolution, to divide the district into five (5) director zones, as nearly equal in area and parcels to be served as practicable, to be known as zones one, two, three, four and five. If the board of directors elects to create director zones, then it shall also, prior to the next district election,

Water & Sewer District Elections Selected Code Sections

adopt a director election transition schedule for each zone, in accordance with the terms of office of the existing directors, which provides that at the end of the last then-currently serving director term, there will not be more than one (1) director per director zone.

(1) In the event the board of directors establishes director zones, each water and/or sewer district director shall be elected on a districtwide basis.

(2) Director zones may be revised or modified by the board of directors as conditions governing their establishment change. (History: S.L. 2016, Ch. 278)

42-3218. INCLUSION OF PROPERTY PETITIONED — HEARING — ORDER — ANNEXATION OF PROPERTY PETITIONED — HEARING — ORDER — ANNEXATION OF PROPERTY BY ELECTION — ELECTION PROCEDURE. The boundaries of any district organized under the provisions of this chapter may be changed in the manner herein prescribed, but the change of boundaries of the district shall not impair or affect its organization or its rights in or to property, or any of its rights or privileges whatsoever; nor shall it affect or impair or discharge any contract, obligation, lien or charge for or upon which it might be liable or chargeable had any such change of boundaries not been made.

(a) The owners of real property may file with the board a petition, in writing, praying that such real property be included in the district. The petition shall describe the property owned by the petitioners, and such petition shall be deemed to give assent of the petitioners to the inclusion in said district of the property described in the petition, and shall be accompanied by a reasonable filing fee in an amount to be determined by the board. Such petition must be acknowledged in the same manner that conveyances of land are required to be acknowledged. The secretary of the board shall cause notice of filing of such petition to be given and published in the county in which the property is situated, which notice shall state the filing of such petition, names of petitioners, descriptions of lands mentioned and the prayer of such petitioners; giving notice to all persons interested to appear at the office of the board at the time named in said notice and show cause in writing, if any they have, why the petition should not be granted. The board shall at the time and place mentioned or at such time or times to which the hearing may be adjourned, proceed to hear the petition and all objections thereto, presented, in writing, by any person showing cause why said petition should not be granted. The failure of any person to show cause in writing shall be deemed as an assent on his part to the inclusion of such lands in the district as prayed in the petition. If the petition is granted, the board shall make an order to that effect and, upon approval of said order, the property shall be included in the district.

(b) The territory adjoining or in close proximity to and in the same county with any district created under the provisions of this chapter may be annexed to the district by either of the following procedures: (1) A petition for annexation of real property described in such petition, which has been signed by the owners of not less than sixty percent (60%) of the area in land within the territory to be annexed, and which contains the separate property descriptions of such petitioners, and which is acknowledged in the same manner that conveyances of land are required to be acknowledged, accompanied by a reasonable filing fee in an amount to be determined by the board, may be filed with the board. Upon filing with the board of such a petition, the secretary of the board shall cause notice of filing of such petition to be given and published in the county in which the property is situated, which notice shall state the filing of such petition, names of petitioners, descriptions of lands mentioned and the prayer of such petitioners; giving notice to all persons interested, including the staff and employees of said district and anyone designated by said district, to appear at the office of the board at the time named in said notice and show cause in writing, if any they have, why the petition should not be granted. The board shall at the time and place mentioned or at such time or times to which the hearing may be adjourned, proceed to hear the petition and all objections thereto, presented, in writing, by any person showing cause why said petition shall not be granted. The failure of any person to show cause in writing shall be deemed as an assent to the annexation of such lands into the district as prayed in the petition. The board shall have full discretion to determine if the petition shall

Water & Sewer District Elections Selected Code Sections

be granted. If the petition is granted, the board shall make an order to that effect. (2) Upon filing with the board of a petition signed by registered voters owning real property residing in the territory to be annexed, who constitute at least twenty percent (20%) of the taxpayers in such territory, praying for an election to determine if annexation shall be made of property designated in such petition, together with payment of a reasonable filing fee in an amount to be determined by the board, the board shall cause notice of filing of such petition to be given and published in the county in which the property is situated, which notice shall state the filing of such petition, names of petitioners, descriptions of lands to be annexed and the prayer of such petition; giving notice to all persons interested, including the staff and employees of said district and anyone designated by said district to appear at the office of the board at the time named in said notice and show cause in writing, if any they have, why the petition shall not be granted. The board shall at the time and place mentioned or at such time or times to which the hearing may be adjourned, proceed to hear the petition and all objections thereto, presented, in writing, by any person showing cause why said petition shall not be granted. The board shall have full discretion to determine if the petition shall be granted, and if such petition is granted, the board shall direct that an election be held, subject to the provisions of section 34-106, Idaho Code. The election shall be conducted in the same manner as general elections in this state, except that the board shall establish as many voting places within such territory proposed to be annexed as are by the board deemed necessary and shall define the boundaries of such voting places. The board shall appoint three (3) judges of election for each voting place, one (1) of whom shall be designated by the board to be the clerk of such election precinct. Each elector shall be registered as required by the general election laws and shall have resided within the area to be annexed for thirty (30) days.

The secretary of the board of directors shall publish notice of the time and place of such election, in accordance with the provisions of section 34-1406, Idaho Code. The notice shall particularly describe the property to be annexed, the name of the district to which the territory is proposed to be annexed, and the terms and conditions prescribed by the board under which the property may be annexed. The notice shall designate the places in the territory where the election will be held, and shall require the voters to cast ballots which shall contain the words:

For annexation to District.

Against annexation to District.

The judges of the election shall make their return thereof to the board of directors of the district, which shall canvass the returns and render a statement of the results of the election on the records of the board. If the majority of the votes cast favor annexation, the board shall enter an order annexing the property described in the notice of election and the territory shall thereupon become annexed to the district and shall thenceforth be a part of the district.

(c) In all proceedings for inclusion or annexation hereunder, the board shall have the power to prescribe terms and conditions under which said property may be included in the district, including the condition that such property may only be annexed or included within the district if the property is also established as a water or sewer subdistrict of the district, pursuant to sections 42-3218A through 42-3218D, Idaho Code, and may be required to pay the district its pro rata share of construction costs theretofore incurred by the district pursuant to any bond issue theretofore made or otherwise; provided, however, that such terms and conditions shall be announced by the board at or before the hearing to be held pursuant to subparagraphs (a) and (b) above. Within ten (10) days of the announcement of the terms and conditions under which the property may be included the majority of the petitioners filing petitions under the provisions of subparagraphs (a) or (b) may withdraw their petitions, and no further proceedings shall thereafter be had by the board upon such petitions.

(d) All public streets, roads, highways or alleys upon or within which is situated any part of the operative system or equipment of the district and all public streets, roads, highways and alleys which abut against or touch property annexed or to be annexed to the district, to the extent they abut against or touch such

Water & Sewer District Elections Selected Code Sections

property and are not included in a different district, shall be deemed to be included in the district as a part of the annexation and shall be included in the legal description and map which the district must file in the offices of the county assessor, county recorder and the state tax commission as required by section 63-215, Idaho Code; provided, however, that upon application by the district to the state tax commission, if the commission finds after consultation with the county assessor and the county recorder that exemption from the requirements of this subparagraph (d) will not unduly burden state and local tax administration, the commission by order may exempt the district from the requirements of this subparagraph (d), but the district shall be required to comply with section 63-215, Idaho Code. (History: S.L. 1947, Ch. 152; S.L. 1957, Ch. 29; S.L. 1969, Ch. 274; S.L. 1973, Ch. 110; S.L. 1975, Ch. 28; S.L. 1988, Ch. 215; S.L. 1995, Ch. 118; S.L. 1996, Ch. 322; S.L. 2006, Ch. 167)

42-3218A. SUBDISTRICTS — AUTHORITY TO ESTABLISH — ELECTION. The board of directors of any water or sewer district organized under the provisions of chapter 32, title 42, Idaho Code, may at any time, on their own motion, call an election to submit to the qualified electors of a proposed water or sewer subdistrict the question of the creation of a water or sewer subdistrict. The election shall be called, held, and conducted pursuant to the provisions of chapter 32, title 42, Idaho Code. The proceedings calling the election shall set forth the boundaries of the proposed water or sewer subdistrict and shall provide for the submission of the question of the creation of the water or sewer subdistrict to the qualified electors residing within the proposed boundaries of the water or sewer subdistrict. No proposition for the creation of a water or sewer subdistrict shall be determined to have carried unless the proposition shall receive a majority of the votes cast. Whenever the creation of more than one (1) water or sewer subdistrict is submitted at the same election, separate ballots and separate propositions shall be used in voting on the question of creating each water or sewer subdistrict. (History: S.L. 1988, Ch. 215; S.L. 1996, Ch. 73)

42-3218B. ESTABLISHMENT. Whenever a proposition for the creation of a water or sewer subdistrict shall have been approved in the manner set forth in section 42-3218A, Idaho Code, the board of directors of the water or sewer district shall enter in the minutes of the board an order providing for the establishment and creation of the water or sewer subdistrict setting forth therein the legal description of the boundaries thereof, and shall designate therein a name for such water or sewer subdistrict. Within ten (10) days after the entry of the order creating a water or sewer subdistrict, the board of directors shall certify the fact of the creation of the water or sewer subdistrict to the board of county commissioners of each county in which any part of the water or sewer subdistrict is located, by the filing of a certified copy of the order of the board of directors creating and establishing the water or sewer subdistrict. (History: S.L. 1988, Ch. 215)

42-3218D. INDEBTEDNESS — BOND ISSUES. Water or sewer subdistricts may incur debt and issue bonds for the purpose of acquiring, purchasing, or improving a water or sewer site or sites, and acquiring or constructing new water or sewer facilities. The governing body of a water or sewer subdistrict may submit to the qualified electors of the water or sewer subdistrict the question of whether the governing body of the water or sewer subdistrict shall be empowered to issue negotiable bonds of the water or sewer subdistrict in an amount and for a period of time to be named in the notice of election. Notice of the bond election shall be given, the election shall be conducted and the returns thereof canvassed and the qualifications of electors voting or offering to vote shall be as provided in chapter 32, title 42, Idaho Code. (History: S.L. 1988, Ch. 215)

42-3222. INDEBTEDNESS OF DISTRICT — SUBMISSION OF PROPOSITION TO ELECTORATE. Whenever any board shall, by resolution, determine that the interest of said district and the public interest or necessity demand the acquisition, construction, installation or completion of any works or

Water & Sewer District Elections Selected Code Sections

other improvements or facilities, or the making of any contract with the United States or other persons or corporations, public or private, municipalities, or governmental subdivisions, to carry out the objects or purposes of said district, requiring the creation of an indebtedness that will exceed the income and revenue provided for the year, said board shall order the submission of the proposition of issuing such obligations or bonds, or creating other indebtedness to the qualified electors of the district at an election held, subject to the provisions of section 34-106, Idaho Code, for that purpose. The declaration of public interest or necessity herein required and the provision for the holding of such election may be included within one and the same resolution, which resolution, in addition to such declaration of public interest or necessity, shall recite the objects and purposes for which the indebtedness is proposed to be incurred, the estimated cost of the works or improvements, as the case may be, the amount of principal of the indebtedness to be incurred therefor, and the maximum rate of interest to be paid on such indebtedness. Such resolution shall also fix the date upon which such election shall be held and the manner of holding the same and the method of voting for or against the incurring of the proposed indebtedness. Watercourses & Port District Elections Frequently Asked Questions

When are port district elections held?

Elections for commissioners for port districts are held on the Tuesday following the first Monday in November in even-numbered years. In the event more than two (2) candidates file for commissioner in any commissioner district after the deadline for withdrawal, the county clerk will hold a primary election on the third Tuesday of May in the even-numbered year. The two (2) candidates who receive the most votes in the commissioner district will appear on the general election ballot for the port district in November. Bond, levy and other ballot question elections may be held on the third Tuesday in May or the Tuesday following the first Monday in November of any year. (34-106, 70-1208, 70-1213, Idaho Code)

How many commissioners are elected in a port district and what are their terms of office?

A port district is governed by a board of three (3) commissioners, one from each of the three (3) county commissioner districts of the county, unless the district doesn't encompass the entire county. Commissioners are elected for terms of six (6) years. (70-1201, 70-1203, Idaho Code)

How do I know if I'm eligible to vote in a port district election?

You must be a qualified elector (i.e. registered voter) of the State of Idaho and a resident of the district. "Qualified elector" means any person who is eighteen (18) years of age, is a United States citizen and who has resided in this state and in the county at least thirty (30) days next preceding the election at which he desires to vote, and who is registered as required by law. The secretary of the district or the County Clerk's Election Department can tell you if you are eligible to vote in district elections. (34-104, 34-1402, 70-1211, Idaho Code)

What are the requirements if I want to run for port district commissioner?

Commissioner candidates must be a qualified elector and a resident of the district.

Candidates for election as a port district commissioner file nominating petitions which include signatures of at least five (5) qualified electors from the district.

The Declaration of Candidacy and Petitions of Candidacy forms are available from and filed with the county clerk of the county in which the district is situated. The nomination must be filed not later than 5:00 p.m. on the ninth Friday preceding the election. (34-1404, 70-1202, 70-1212, Idaho Code; see *Election Consolidation Calendar for dates*)

Who is responsible for administration of the election?

The county clerk administers district elections in accordance with the provisions of Title 34, Chapter 14, Idaho Code. The County Clerk shall appoint judges, give notice of election by publication, and arrange such other details in connection therewith. (34-1401, 70-1210, Idaho Code)

Are write-in candidates allowed?

Yes, but write-in candidates must file a declaration of intent in order for votes cast for them to be counted. This declaration of intent must be filed with the county clerk not less than forty-five (45) days before the election. Declaration of Intent forms can be obtained from the County Clerk's Election Office. (34-1407, 70-1212 Idaho Code)

What if only one candidate files?

If after the deadline for filing a declaration of intent as a write-in candidate, it appears that only one (1) qualified candidate has been nominated for a commissioner position, no election will be held. The port commission shall declare such candidate elected as a commissioner and the secretary of the commission shall immediately make and deliver to such person a certificate of election. (34-1407, 70-1212, Idaho Code)

Watercourses & Port District Elections Frequently Asked Questions

The polls open at 8:00 a.m. and remain open until all registered electors of that precinct have appeared and voted or until 8:00 p.m. of the same day, whichever comes first. However, the county clerk may, at his option, open the polls in his jurisdiction at 7:00 a.m. (34-1409, Idaho Code)

Can port district commissioners be recalled?

Yes. The provisions and procedures to recall political subdivision elected officials are outlined in Title 34, Chapter 17, Idaho Code. (34-1701, Idaho Code)

How are vacancies filled?

Statute is silent on procedure. Section 59-912, Idaho Code, may come into play (i.e., Governor appoints).

How are measures placed on the ballot?

The president and secretary submits the ballot question to the County Clerk within sixty (60) days prior to the election. However, to allow for the timely printing of the ballots, the ballot question needs to be submitted to the County Clerk at least forty-five (45) days before the election. How many trustees are elected in a weather modification district and what are their terms of office?

How do I know if I'm eligible to vote in a weather modification district election?

You must be a qualified elector (i.e. registered voter) of the State of Idaho and a resident of the district. "Qualified elector" means any person who is eighteen (18) years of age, is a United States citizen and who has resided in this state and in the county at least thirty (30) days next preceding the election at which he desires to vote, and who is registered as required by law. The County Clerk's election department or the secretary of the district can tell you if you are eligible to vote in district elections. (22-4301, 34-104, 34-1402, *Idaho Code*)

What are the requirements if I want to run for weather modification district trustee?

Trustee candidates must be qualified electors of the district.

Candidates for election as a weather modification district trustee file nominating petitions which include the name of the candidate, the office that the candidate is running for, the term of office and signatures of at least five (5) electors from the district.

The Declaration of Candidacy and Petition of Candidacy forms are received from and filed with the secretary of the district. However, forms can also be obtained from the County Clerk's Election Office.

The nomination must be filed not later than 5:00 p.m. on the ninth Friday preceding the election. The county clerk has seven (7) days following the filing to verify the qualifications of the nominee and certify that person to be placed on the ballot. (22-4301, 34-1404, *Idaho Code*; see *Election Consolidation Calendar for dates*)

Who is responsible for administration of the election?

The county clerk administers district elections in accordance with the provisions of Title 34, Chapter 14. The county clerk shall appoint judges, give notice of election by publication, and arrange such other details in connection therewith. (22-4301, 34-1401, *Idaho Code*)

Are write-in candidates allowed?

Yes, but write-in candidates must file a declaration of intent in order for votes cast for them to be counted. This declaration of intent must be filed with the secretary of the district not less than forty-five (45) days before the election. Declaration of Intent forms are available from the secretary of the district or the County Clerk's Election Office. (22-4301, 34-1407, *Idaho Code*)

What if only one candidate files?

If after the deadline for filing a declaration of intent as a write-in candidate, it appears that only one (1) candidate has been nominated for a trustee position, no election will be held.
